

District Governor's August Newsletter

Fellow Lions,

One month over, wow how time flies.

I would like to start by thanking the Wolfville & District Lions Club for hosting my DGO, and especially Lion Bonnie for being the chair. Excellent job done by everyone. You were very well organized, efficient and ready to help anyone. The food was great, and very fitting for a hot summer day.

I also want to thank each and every Lion who was in attendance. I was very proud to be your District Governor, to see so many wonderful lions in attendance. What a great way to start the year.

As I discussed at the DGO, the International President's Theme is "We Serve", and his goals are "The Power of We", "The Power of Action" and "The Power of Service". We require all three to obtain success.

My Theme is "Acts of Random Kindness". This is what we have been doing for 100 years. The little things we do – mean so much to others. Let's continue to complete Acts of Random Kindness.

This past weekend, I was honored to be a part of the Amherst Lions Park Dedication. This is their "Legacy Project". It contains a play park for the children, picnic tables, a tennis court and a walking trail. In the next few years there will be a few more additions to the park. This is done in conjunction with the Town of Amherst. What a great relationship they have.

Next weekend is the District Golf in Clare. For all our golfers (Amateur or Pro), remember that this is the last year for the contract at Clare. We have secured a one year extension to give the committee time to send out the information for clubs to submit bids for consideration for the next contract.

I know a few clubs still have some ongoing projects for the summer, but take the time to enjoy what is left of the summer. Spend time with family and friends before we are back into, what we do best "Serving Others".

Yours in Lionism,
DG Rhonda
