

## DG'S FEBRUARY 2017 NEWSLETTER

What an incredible month we have had in January.

The Campus Club at Dalhousie University has been collecting used coats for the needy – great job.

Louisdale Lions Club has added eleven members – awesome.

Glace Bay Lions Club is up to eight members – wonderful.

And there is going to be a Branch Club in Tatamagouche – wow.

I visited twelve clubs this past month and boy what a wonderful time shown to me. They fed me delicious meals, made donations to Literacy Nova Scotia or their own Libraries which was so generous. I also received some awesome gifts – including a case of Stirling Honey Crisps apples and an UGLY Stick!!!!

I hope to see many Lions at the Winter Cabinet Meeting in Lake Echo. PDG John Macfie promises a good time and a delicious luncheon.

Happy Valentine's Day to all the Lions on District N2.

District Governor Claire Brunelle
