

Fellow Lions,

First, I would like to thank all the Lions of District N2 for your confidence in me and your support in electing me as your District Governor for this year.

I have returned from the final phase of my training, and have taken the oath to become your District Governor for 2017-2018. Prior to the training in Chicago, I attended the Dog Guide School in Oakville and the Memorial Forest Dedication in Breslau. What a wonderful experience, from the puppies (just starting) to the fully trained dogs ready to be partnered with their new owners. I would recommend this to everyone.

We are starting a new year, a new century of Lions Service. You will begin to notice some changes this year. Some changes will be introduced at the DGO in Wolfville on July 22nd, and information will be sent out on the other changes as details become available. I look forward to seeing many lions at the DGO. I know that the Wolfville & District Lions Club have been working hard to make this very successful.

IP Dr. Aggarwal's goals will be presented at the DGO, along with my goals and the packages for the Clubs and District Chairs.

I look forward to improved communication; cooperation & support as we move forward into the next century of Lions Service. I especially look forward to working with all the lions in our wonderful District to help increase the "Light of Lionism".

DG Rhonda
