

District Governors June Newsletter

Fellow Lions,

Hard to believe, another Lions year is coming to a close. As this is my final newsletter, I would like to thank all those who have supported me over the year. For those who didn't – thank you for showing me I can handle anything that is passed my way.

PCC Peter and I want to again thank each and every club for the hospitality shown us. We were always treated like family.

I feel that we have had a very productive year. We have completed our obligation to the “Hearing for All” project donating \$73,369.00 to the Dalhousie University Audiology Department. We have been fortunate to have the Wolfville and District Lions Club sponsor a Branch Campus Club at Acadia University, we also had the Bridgewater Lions Club sponsor a Leo Club and I received word that we will be putting on a Lions Quest “Train the Trainers” workshop in the near future – target date is June 22nd/ 23rd with more to follow. Grant application will be emailed to LCIF shortly.

I would also like to thank all clubs who have, and continue to donate to Lions Clubs International Foundation, Lions Foundation of Canada and Lions Foundation of Nova Scotia. All three of these foundations do so much to help so many. Also, thank you to all who attended the Cavalcade and donated to Camp Lion Maxwell. Lions of District N2 have proven again this year, that we are here to help.

To all the District Chairs and Zone Chairs – Your dedication and help during the year was greatly appreciated. Keep up the great work you are doing in all future endeavours.

To the District Team – Thank you for all your valuable input when we had discussions. This valuable input made the decision making process a little easier.

I especially want to thank all the Lions in District N2, for without you, none of this would be possible. Keep up the great work you are doing in your club, your community and continue to “Ask on until you get one”.

Last, but certainly not least, I want to thank PCC Peter Reid - My photographer, my chauffeur, but most importantly, my Partner in Service who stood by and supported me all the way.

Don't forget to submit applications for the District & Multiple District Awards and enjoy the remainder of this Lions year.

As the year winds down, I have a few more Charter Nights I will be attending and a few club visits.

Teamwork can be defined as: Many Hands, Many Minds, One Goal.

Remember – Respect is a very powerful thing. If you respect your members, they will, in return, respect you. We are all here to accomplish a common goal – “SERVICE THOSE IN NEED”.

I want to wish DG(E) Perry all the best for his year.

Namaste Lions.

Yours in Lionism,
DG Rhonda
