## Hear Me Roar!!

This is my final newsletter as District Governor. My year has been met with many challenges, health issues, COVID, but with the help of my wonderful team I was able to visit clubs, meet some wonderful people and have the best year ever.

It's time for me to step down and make way for the new DG. Bill was an exceptional teammate, a great friend and I'm proud of the work he has already accomplished and can't wait to see what he will accomplish. I wish him all the best in the year ahead and can't wait to hear him ROAR!!!

Thank you!

## Future as the Past DG

As past District Governor, my plan is to be there to support the upcoming team as well as move forward with my own club.

The Hearing for All! program is my passion and I have started thinking of new ways to make it an even better program.

I will still be coming around visiting clubs as I have always done. That is one of my favorite things to do.

I want to thank each and every lion who was there to support me this year; it is because of all of you that I stepped up in the first place. You gave me the courage to stand before you and let me roar. You made a not so fun time (COVID) the best time!!

Continue to let your strengths guide and lead you into everlasting success.

Together We SERVE!
