Hear Me Roar!!

My time is coming to an end and I'm going to be sad to see it finish. I have the month of June left to make any visits. If anyone would like for me to come to their club, please advise. I will do my best to make sure that I am there for you.

I will say that this has been an experience like no other, and one I will never forget. I appreciate all of you as Lions for the hard work that you do as a team. Without you we would not SERVE!

Thank you!

Senior Members

Throughout this year I have promoted the youth in our district. I have encouraged clubs to reach out to the youth to have them not only volunteer but to see how we can help them!

In doing so, I would like to thank all senior members who are helping teach the new members what Lions are all about. Without working together, the young and old, we will not survive. So, I thank each and every one for your years of services.

We must celebrate all the good that you have done. We must encourage you to pass along this knowledge and know that we make a difference in our communities and around the world.

Together we SERVE!

"David" L. Hunter

District Governor and Hearing and Speech Director, N2

- New Germany
- Preston
- St Margaret's Bay
- Truro

Hearing for All

I would like to thank all the clubs who have donated to my Hearing for All Program. We have raised \$5,350 to date and still growing. Just think we can buy 35 new hearing aids to help those in need.

I am looking for advice from clubs who are interested in this program on how we can move forward and education the club members on the importance of not only this program but all District Programs.

If you have any comments, suggestions or simply want to know more, please reach out as I would like to hear from you! This program belongs to all Lions!
