

# NOVEMBER NEWSLETTER

Fellow Lions,

I hope everyone had an enjoyable and safe Halloween. I personally had the same 4 trick or treaters to my house. Being a small community has its advantages sometimes.

Once again, the Lions of District N2 have stepped up to the plate and have made me proud to say I am a Lion. With your generosity we have raised over \$3800 to go towards the family in Yarmouth. There is more than enough to cover the cost of the woodstove. On Saturday, November 7<sup>th</sup> I had the opportunity to go to the home of the Yarmouth Family and to present the cheque. I had the privilege of meeting the father and a tour of their home. They need a new septic system, so the rest of the money raised will go towards that. They wished me to express their gratitude for the kind donation and the generosity of the Lions of Nova Scotia.

Over the past 2 months I have visited 23 clubs and I have enjoyed every one of them. Thank you for all the fellowship you have shown me and Lion Wendy. In the coming weeks I will be reaching out to the clubs that I am scheduled to visit. If at any time you feel that you want to postpone my visit due to Covid please contact me and let me know. I understand that these are trying times and we all have had to make some adjustments to our normal way of doing things.

I am scheduled to go to Louisdale on November 12<sup>th</sup>, if any club has an entry for the Peace Poster Contest please be sure to get it to Lion Shelley LeBlanc by that day or you can call me and we can make arrangements. I must have the winning poster from District N2 arrive to our Council Chair, Lion Lloyd Soucie in Maine by November 21, 2020. So, it will take a few days to get to him.

The Winter Cabinet plans are well underway, and updates will be coming in on any changes we may have to make, due to Covid. I ask all Lions to please be patient and understand that we cannot always do things the way we always have in previous years. Winter Cabinet Chair, Lion John Macfie is trying to follow the Covid restrictions for HRM which are a bit stricter than other areas. Look out for those emails with changes which will be coming in the next few weeks.

Stay safe, stay strong and Remember our motto.

**WE SERVE**

Yours in Lionism,

DG Lion Jane
