

OCTOBER NEWSLETTER

Good Day Fellow Lions,

Another month goes by and we just held our Fall Cabinet meeting at a Drive In. I would like to thank the Lawrencetown & District, Middleton & District and especially the Coldbrook & District Lions Clubs for a successful event. Without clubs like them we would not have been able to all get together and enjoy fellowship like we did this past Saturday. We have some amazing pictures to share in the next few days, keep an eye out on our website and Face Book pages. And thank you all that came out and tried something new, who knew a Drive In could be used in so many ways.

A reminder to all the clubs that participate in the Peace Poster contest, that your winning posters must be in to Lion Shelley Leblancs (Peace Poster Chair) hands by November 15th. With Covid, it is going to make it even tougher to get the posters to where they need to go. So, plan on sending them sooner, than later.

It is also time for the Speak Out to get started, reach out to Lion Pat Nixon for more information and on how we can still hold this safely. We want to do as many of our normal programs as we can. Reach out to your fellow Lions and see how they are managing to work through Covid.

We have a new Face Book page for N2 Lion members only (Nova Scotia Lions Members), this will give an opportunity for all Lions to voice any questions you may have, whether it be for training, membership or to give information. Contact Lion Jamie Harper (Bedford Lions) or PDG Debbie McGinley our GLT Coordinator for more information.

Our next Cabinet meeting is in February, PDG John Macfie has sent out information and please contact him if you have any questions.

Lions, we all need to make changes to the way we do things this year. Don't let Covid get you down, stay safe, stay strong and we will get through this together.

Remember our motto. **WE SERVE**

Yours in Lionism,

DG Lion Jane
