Hear Me Roar!!

Month 4 – What a fun Halloween month this was. I met Lions from across our great province. Shared lots of laughs, good memories and even did some business all while having a great time! My wife and I traveled around Cape Breton and Area and the Northern Shore, visiting clubs from Glace Bay to Amherst. What a beautiful province we live in and lots of winding roads. At times I felt as though I was on a roller coaster. I even participated in my community Halloween Trail Walk.

Civility and Diversity Charter

In the District Governor packages each Lions Club was provided a Civility and Diversity Charter. This charter was created to help all clubs and their members to be mindful of their actions and to be proud of what they do and how they showcase it.

Have patience, relax, learn, and have lots of fun doing so all while showing respect for your fellow members.

"David" L. Hunter

District Governor and Hearing and Speech Director, N2

Hear Me ROAR!

Clubs Visited in October

- Glace Bay
- Whycocomagh
- Baddeck
- Pictou
- River John
- Amherst
- St Peters
- Sydney
- New Waterford

Cabinet Meetings in October

- Fall Cabinet Meeting – Zoom
- MD Fall Cabinet Meeting – Zoom

I would like to thank each and every club that I had visited. The kindness and generosity from each and every member that I met while there was something to be proud of. It has been a pleasure to talk to each and every one of them and I hope they feel the same as it made me feel welcomed and that I would love to come back and see them all again!

GLACE BAY

Of all nights for my camera to not work.
Well that just means I need to come back
for another visit!!
