Community supports Canso Lions and CNIB

The eight Canso Lions were kept busy cooking pancakes with sausages and providing refreshment for the large number of area residents who came to the Lions Club for the pancake Breakfast on Sunday January 28th. Donations collected will be given to CNIB. Lions Clubs International support numerous sight related projects. The Canso Lions collect used glasses and cases for distribution in underdeveloped countries. Used glasses and cases can be dropped off at Independent Grocer Guysborough the Canso Medical Centre or to any Canso Lion's Club member. The Canso Lions would like to thank the public and the media for their support. Pictures by Ray White

Last night we presented a number of our members with Mission 1.5 Awards and Service Chevrons. Among those recognized was Louise Small who is celebrating *sixty years as a lioness and lion*. We believe this is a noteworthy news item and would appreciate your help in circulating the attached press release and photo to as many media outlets and social media sites as possible. We will also have some video clips available very shortly. I am contacting the local radio stations but am having trouble finding appropriate contacts in the local and regional print and electronic media as well as sending the story to LCI. As the Amherst Lions Club celebrates the 70th anniversary of its charter this year; it is stories like this which are part of our story.

Lions of District N2, please see the opportunity outlined below by Multiple District N Global Leadership Team Coordinator PCC Michael Foote.

This Emerging Lion Leadership Institute (ELLI) to be held at Mount Allison University in Sackville, NB, from May 24 to May 26 is the same leadership training session that I and many of District N2's current leaders attended in 2014 at Camp Brigadoon under the guidance of PCC Bob Lyle, PID Len Giffin, and PDG Evie Morine, and I highly recommend it. Although lodging and meals are provided, the non-refundable registration fee of \$100 (due upon acceptance) and transportation costs are payable by participants, but often, a participant's club will cover those costs. It never hurts to ask.

Completed nomination form must be signed by both the applicant and club president and submitted to me by April 1, 2024.

Go for it, Lions! You won't regret it!

Barrington

She grew up in a family of twelve, so this wasn't her first trip to the dishpan.

"Seventy-seven years ald Oak Parker", Lurla Atwood decided to join the Lion's Club about seven years ago after her husband passed.

"I needed something to do and I've found great friends and a good purpose in this place. I really enjoy it", she says with her hands completely buried in suds n' sink.

When I visited the Lion's Hall 2pm today, Lurla was in her favourite spot. That sink is her community alter. Like a tireless priestess she was baptizing, cleansing, and blessing our community dishes. More amazingly, she was still towering over that same sink, washing those same dishes again after our community meal was finished.

What you gotta love about Lurla is that she's not trying to impress anyone. Fact is, her sink-service requires that she stand in the most inconspicuous place, "back to" to all the people. She could be so easily overlooked. Yet, with her, that's perfectly fine because she's not seeking recognition for her priceless service. And therein lies Lurla's humble greatness!

In all her behind-the-scenes, suds-service Lurla Atwood exudes self-effacing warmth. When I go to thank her for who she is and what she does, Lurla whispers with radiant gratitude: "I'm just doing my little part in caring for others in my community. I'm really privileged to be here helping."

If you ask anyone in the Lion's Club (or anyone who volunteered at to-day's delicious and free supper), they'll uniformly render praise to Lurla. One lady quips: "Lurla never stops. She's a workhorse ... She's the embodiment of a warm, humble and cheerful servant - eager to put others ahead of herself." Another adds: "You'll barely get a dirty dish laid down before Lurla's got it picked up and all cleaned. She's one of the most valuable members of our kitchen crew - such a good person." Sharing a few moments with Lurla at the end of this day, I'm so aware of being in the presence of a great human being and a truly humble soul. Lurla's only - and greatest - desire is simply to be "a small part" of something bigger than herself. She intuitively realizes that when human beings merge together for wholesome purposes, everyone is wonderfully lifted to greater heights of connection, generosity, purpose, friendship, and joy.

In fact, it's more than just bellies that get fed at free community suppers. "Givers" and "Receivers" all go home with their hearts fed and filled with a greater connection, a deeper purpose, and a higher JOY!

Yes, in the big picture of all that really matters JOY is what naturally happens when people like our Lurla come together to create, to serve and to share precious time, beautiful conversations, and wholesome community togetherness!

So, wherever you find cheerful servants, free food and lots of dirty dishes, you'll always discover much more than just "a great meal". You will also find an over-flowing abundance of "chicken soup" for the communi-

ty heart!

Boutiliers Point Outdoor Rink is up and running (weather permitting of course). People got their first skate in a few weeks ago when the weather was just perfect for it. Volunteers are shovelling out this week in hopes to host a Free Family Day Fun Skating event Saturday 10th February 11:00-2:00pm. The rink, which has been in the community since 1953, sees skaters of all ages & levels. With winters being so unpredictable here in Nova Scotia the use of the rink has become more minimal over the years. The volunteers for the rink realize a structural change is needed which will result in easier maintenance and a longer skating season. The St Margaret's Bay Lions Club has generously donated \$500 to the rink. Donations like this help keep the rink alive! The rink is seeking more sponsors.

IWK Project Optical Biometry Machine

It was so wonderful to meet you and all of the other Lions on Saturday. I was so honoured to speak with you on behalf of the IWK, and I am thrilled that so many clubs are just as enthusiastic about maritime children's vision care as I am!

The photo does not include the set up with the chair, however it does provide the images of what the Lions will be purchasing.

Many clubs throughout the District donated money at the Winter Cabinet for this project.

Taken from IWK Foundation Facebook page:

A heartfelt thank you to our friends at the <u>Lions Clubs of Nova Scotia</u> for their unwavering support, who pledged a generous \$62,700 donation to the IWK Foundation for the purchase of the first Optical Biometry Machine at the IWK. This crucial machine ensures prompt access to essential services for Maritime children who need specialized care.
