Fellow Lions,

Well, it is February, and we are seven months into this Lions Year. This past Saturday we held our Winter Cabinet virtually on zoom. There were 84 Lions representing 29 clubs of District N2, including one special guest from Fort Kent, USA. This was our Council Chair for MDN, PDG Lloyd Soucie saying a few words to those in attendance.

If you have not done so yet, reach out to Lion Tami Carew if your club is participating in the Drug Awareness Poster Contest. I know with Covid it might sound impossible to do but if you reach out to your schools something might be able to be arranged. We cannot let this pandemic define us; we need to find new ways to move forward.

Your club officer elections should be on the way right now. Because of the pandemic I am asking all clubs to try and get their new officers in place by April 15th. If you have issues putting in your new officers online, please reach out to our District Administrator 2VDG Bill Bruhm. He can input the information for you. And remember to get a club administrator if you have not already done so. They are an important part of your club officers, giving assistance to your secretary when needed. If you have any questions on these positions reach out to your GLT coordinator, PDG Debbie McGinley or me.

We are in the planning stages for our District Spring Convention, more information will be given as we get closer. With Covid restrictions changing weekly, we will have to wait to make final decisions.

I would like to thank you all for being patient this year with information coming out slowly. This is not the way I had things planned.

Club secretaries and presidents, please answer any emails that the District may send out. They are needed to improve the future of our District. Share these emails with your members if requested. Remember you all have a voice and we cannot make changes if we do not know what you want.

Stay safe, stay strong and Remember our motto.

WE SERVE

Yours in Lionism,

DG Lion Jane

" My secret is -- believe it or not -- I get incredibly nervous before public speaking, no matter how big the crowd or the audience and, um, despite the fact that I laugh and joke all the time I get incredibly nervous, if not anxious, actually, before going into rooms full of people when I'm wearing a suit... Good Morning Lions,

I am creating some posters to be shared nationally that will focus on Lion's service. Time is very limited on this project and my deadline is fast approaching . If you have any photos of your club that you would like to share, please send them to me promptly . I really want to celebrate at least one club here in N2. Also, the good works of more than one club might be shown during the promotion of this upcoming day of service.

Just wondering do any of our clubs do beach clean ups ? Looking for tree planting photos, highway clean ups, volunteering with seniors or youth. Any hands-on service activity.

kimstewarhome@outlook.com address to send your photos to.

The Lake Echo Lioness Club has been very busy despite all of the Covid restrictions. Besides the MANY numerous financial donations and four \$500 bursaries, they also held their first ever curbside chicken burger take-out. They also ran the bingo canteen on mobile carts, provided 96 pairs of socks to Out of the Cold, 40 boxes of chocolates to their local Food Bank, hats, mitts, & masks to local elementary school, helped wash, package & label masks for Masks for Humanity, sponsored a member's granddaughter's hockey jersey, helped at the Community Country Fair, a member made each member a purple mask which they had their logo put on. Unfortunately they had to cancel their sold out annual Craft Fair but still sold tickets on a Christmas basket.
