Choose To Include

Lions supported Special Olympics Canada by buying a limited-edition Choose To Include Donut at participating Tim Hortons restaurants, with 100 per cent of the proceeds being donated directly to Special Olympics Canada. The partnership is designed to raise both funds and awareness to help empower Special Olympics Canada's 41,000+ athletes to reach their full potential – in sport and in life. Nearly \$600 000.00 was raised for this worthy cause.

Humanitarian Aid Needed

By now we are all very aware of the terrible situation many Ukrainian citizens find themselves in through no fault of their own. Many of the displaced and probably now homeless refugees are being placed in camps in countries bordering on Ukraine or beyond. Lions Clubs International Foundation has been providing medical supplies, clothing and food since the war began by working with Lions Clubs in the areas where the refugee resettlement work is taking place, and in Ukraine itself. This will not be a short term event. LCIF has no way of knowing how long our assistance will be needed but it is sensible to assume it will be many months or even years.

Several Lions Clubs have asked how they can help, and what we should do as Lions. District N2 will be collecting club donations at the Convention on April 30th and will forward them on to LCIF where those funds will be forwarded to Lions Clubs in the affected areas.

Individual Lions who want to make personal donations outside of the club's donation should connect to this link where they can make their donation <https://www.lionsclubs.org/en/resources-for-members/resource-center/humanitarian-crisis-ukraine>

Simply click on the link in the blue box entitled Refugees and Displaced Persons fund and you will be directed to follow the steps to make your own donation.

Dear Nova Scotia Lions Clubs:

As we move towards another summer in Nova Scotia, the Nova Scotia Blind Golf Association has decided to proceed with the next Brian MacLeod Memorial Nova Scotia Open. Last summer we had a great event attended by golfers from across Canada. With plans from the Nova Scotia Government to allow travel again this summer, we are looking forward to another successful event hopefully to include golfers from other countries as well as our Canadian friends. Several participants from last year's event express their appreciation for our event last summer and can not wait for the next event.

This year we will be hosting the Brian MacLeod Memorial Nova Scotia Open September 12th to 14th in Truro. We are working on putting together the final details of the event since we don't have the complete list of health guidelines we will be required to follow but we are working to make it as safe as possible. As we clarify the health restriction, this will probably force our event to look a little different than previous events.

We have reached out to players across Canada and the United States to let them know we have decided to move forward with an event here in Nova Scotia again this summer. With that we need to work on raising funds to cover the cost of the event so we would like to see if there is support available from the Lions Clubs.

The Lions Clubs of Nova Scotia have always been extremely generous in the past and we are hopeful that we can count on your support again this year. We understand that little fundraising has taken place during the past 2 years for a lot of organizations but we truly appreciate all of the help you have provided us. As we work to build our event, we would appreciate a heads up on any donations being sent to help us out. If you are able to support our event, a quick email note confirming that you are providing a donation. Please email Lion Boyde Stewart at boyde.jackie@bellaliant.net or myself at klemmon@eastlink.ca with any support you can provide so we can add it to our budget.

Now as we adjust to our new normal we hope that the support we have had in the past from the players and the Lions Clubs continues so we can provide an opportunity for good friends new and old to come together.

Please do not hesitate to contact board members, Lion Boyde Stewart at (902) 568-2206 or myself (902) 209-5609, should you have any further questions.

Yours truly,
Kevin Lemmon
NSBGA Director
