August Newsletter

Hear Me Roar!!

Month 2 is already gone. Time sure is flying fast. The month of August was met with several visitation to the hospital where I ended up having to have two different surgeries. I'm recovering from that now and hope that I can get back on a regular schedule and get around to all the clubs. I'm in the process now of setting up a schedule of events and will be in contact with all of you to set this up. When I do contact you, I will have several things I will be asking of you. It is your time to shine, and I want to make sure that happens for each and every one of you.

MD Summer Cabinet Meeting

The summer MD was a success! We discussed budgets and the different districts provided reports outlining what they will be doing this year. I would like to thank the Council Chair Michael Foote and his team for putting this together. We are still in Covid times so having get togethers is still a difficult task.

PCC Perry Oliver from the Sackville Lion's Club volunteered during this meeting to chair the MD Fall Cabinet Meeting. I thank him for his support and PDG Jane for supporting me and my team.

Unbelievable the amount of support Shaylee has received. We are beyond great full and truly thankful for everyone work. Between my sisters fundraising and the Deep Brook Waldec Lions Club \$10944.20 was raised how amazing is that! The extra money raised is in a trust account for things Shaylee will need in the future like glasses and leg braces. I can not tell you how much a relief it is to know that money is there for Shaylee. Thank you so much everyone Remember support your local Lions Club they do great things!!

August Events

Truro Lions Meeting

I attended the Truro Lions meeting to discuss the MD Fall Cabinet. Sadly, they were not able to assist. I enjoyed my day with them and look forward to many more. Thank you all for trying your best.

Sackville Lions Club BBQ

The family and I enjoyed the BBQ at the Sackville Lion's Club. It was nice to sit and chat with the Sackville Lions.

Upcoming Invites

This year as District Governor and before the snow flies, I would like to visit all the clubs in Cape Breton. I'm looking to do some the end of September and into October. As you know my moto is "Hear Me Roar!" What it should have said is "I want to hear you ROAR!" Before I come to visit, I will touch base with each club to find out what their needs are. I would like to start by asking each of you to think about what it is your club needs. I will be bringing 1st Vice District Governor Bill Bruhm with me when possible. I would like to know if there is any information or special training you may require. I would like each club to also share with me their trials and tribulations and what is going good or great in their club. We will talk about the Activity Reports, and I want to thank all those clubs who have submitted reports over the summer as I have received 52 out of 69 to date. That is awesome.

For those of you I have not yet heard from with the reports I'm looking forward to reading them.

I will be bringing with me the new Civility Charter that I have introduced in your packages at the DGO and will be explaining the need behind it. I want to talk to you about a new program called the Youth Network, that I have asked 2nd Vice District Governor Joyce Gero to chair. This project is geared to helping young and young at heart feel as though they have a voice in our clubs. Now I also want to have some fun I don't want it to be all about business. I want you to show me what your club can do to put smiles of people's faces and bring harmony to all. I'm hoping that other clubs will come and visit you while I'm there. Let's give them a reason to shine!!

Due to possible Covid restrictions, we may have to limit the numbers of Lions attending from clubs. Clubs are asked to consider the order in which you would want us to register your delegates. Please list them in order as your club desires. Feel free to place more registrations on the back of this form or complete a second form. Also, do to Covid regulations, the costs of facility rentals and meals have increased and we must pass those costs along to attendees.
