Good Day Fellow Lions,

Spring is in the air and it is time to get ready for our District Convention. It is going to be held at the Lions Valley Drive In, in Coldbrook on May 15th. We are hoping for sunshine and warmer weather so we can get out and mingle with each other. We will be holding the Necrology right after our regular session and things get set up. The registration form will be going out early next week with all the information. Please fill in and return as soon as possible. CST Peter will be requesting the names of your voting delegates as well. If you are unsure how many delegates your club can have reach out to him, his info is in the directory.

This year has been like no other. If conditions do not allow, we will be holding the convention by Zoom and so the voting will be done online if we cannot hold it at the Drive In. So, I would encourage all clubs to have their voting delegates be able to go online and have them to CST Peter by April 15th if possible. I know that is not far away, but please do the best you can. That is all we can ask for. The Multiple District voting will be done online this year and CST Peter will be reaching out for the voting delegates.

I am hoping to have Lori Barker, from Ronald MacDonald House available for a presentation at the Spring Convention as well. I have submitted a request for a \$6500 Matching Grant with LCIF, this will go with the funds that were donated to RMH in lieu of gifts during my visitations. I want to thank everyone for the support you have given me this year. You might have seen the email go out, regarding the LCIF Tell-A-Thon being held on April 11th, if you get a chance check it out. Looks like they have some good entertainment signed up and it is for a good cause.

I am starting up my visitations on April 12th in St. Peter's. If you have not had a response to your request for me to attend your club, please reach out as soon as possible. I know not all clubs feel comfortable with others attending their meetings and that is fine. We all need to do what is best for ourselves.

I hope you all had a great Holiday weekend and got to spend time with your family.

Stay safe, stay strong and Remember our motto.

Update....

Hi PDG Perry,

Thanks so much for reaching out and I hope you are well. We continue to use the Oncology Treatment room daily and it has been extremely helpful especially with Covid and the need to social distance amongst families. Through Covid we have been one of the few clinics that have continued to see all of our patients due to the nature of their illness and the urgency of their appointments and treatments. The families have been enjoying the mural and other aspects of the room such as the TV and Sky Light.

Again thank you so much to the group – we are extremely grateful!

All the best

Coldbrook & District

Tonight was a very special night at our Lions meeting. For the second time this year we were able to give away donations totaling \$100,000. This is a first in our club's 40 year history!!

Tonight's we had 10 groups all receiving \$10,000 donations. They were the Valley Hospice Foundation, the VON of the Annapolis Valley, Ronald McDonald House, Make-A-Wish Annapolis Valley, Valley Community Learning Association, Fundy Interchruh Foodbank, The Red Cross-Kentville Chapter, Gentle Movement Fitness Program, Fidelis House Society, and the Valley SPCA.

These groups were all selected and voted on by members of our Lions Club. These are organizations that project the same values and principles that we hold as the core of our fundraising efforts.

We were honored to be joined by representatives of these groups to accept their donations and to learn more about the challenges they have faced as they continuing to provide their services to our community during the pandemic.

Our Lions Club is truly blessed to have projects that were able to continue and thrive throughout the pandemic. These projects including the Valley drive-in Theatre, drive in bingo as well as Valley Lions radio bingo on AVR. As a result we knew that this was the year when groups and organizations needed our support more than ever. It is a true honor to host them at our meeting.

We certainly never forget that it is our community and public at large that support the fundraisers we do. Your visit to the drive-in or spending an evening with friends playing radio bingo has allowed for this special night to happen for these group. Thank you! We will continue to work hard to provide our community with unique fundraising activities and will continue to support those groups that do so much within our community, province and country.

This pandemic is reminding us that our true work is not our job, that is what we do, not what we were created to do. Our true work is to look after each other, to protect each other and to be of benefit to one another.
