The Barrington Area Lions Club decided to bring awareness to the local environment by collecting garbage on local beaches. On 3 different occasions during April a local beach was selected and Lions members met in the beach parking lot. Pickers and baskets loaned to them by the municipality were distributed and lions worked at gathering debris while enjoying the beautiful scenery and fresh air. In total 160 lbs of garbage was removed, proving a few people can make a big impact.

From LCIF Chairperson Dr. Jung-Yul Choi

The generosity of Lions and Leos, through individual and club support, make it possible for LCIF to magnify our service around the world – especially in times of crisis. For those who have made individual donations to the foundation, I thank you. Is your club a Campaign 100 Model Club? If so, thank you for continuously supporting Lions efforts and collectively supporting those in need. Your donations to LCIF help make so much of our service possible, as the needs continue to increase around the world. As humanitarians, our organization continues to grieve for those impacted by the crisis in Ukraine and surrounding countries in Europe. In our first story below, you will see how Lions are responding to the crisis, empowered by LCIF funding made possible by your support. As [Campaign 100](#) enters its final two months, and we strive to meet our US\$300 million goal, we ask you to continue to commit your participation as we help build bridges across borders and our differences.
