### Pictou & Area Lions Club 1st Annual Family Fishing Derby

The Pictou and Area Lions held its first annual Family Fishing Derby on May 28th 2016. We had 100 adults and 80 children register for the event.

Prizes were given out for several categories including first fish, biggest fish, smallest fish, best dressed person fishing, oldest person fishing and the youngest person fishing just to mention a few. We also gave all who registered a ticket on several prize draws throughout the day.

To make this possible we canvassed the local businesses for donations and prizes and received a great response from all.

There was no cost to the public and anyone under 16 years of age received a free hot dog and drink. Plus we ran a BBQ selling burgers, sausages and hot dogs for the adults.

Thanks to the Frasers Mills Fish Hatchery for donating the fish, Mike Sarson and Blaine Ferguson for their extra effort this event was a great success. We look forward to doing it again next year.

The hard working Lions who organized the Fising Derby.

Appreciation gift given to Mike for all his help with the event.

## DG's JUNE 2016 News Letter

Well June is here and the end of my year as district Governor is in sight. It has been a year of meeting many great Lions and visiting our great clubs. I wish it were possible for every Lion to attend our Cabinet meetings and Convention. These events enable our Lions to see the enthusiasm of other Lions and the great works that are carried out throughout our district

Unfortunately, due to the type of many of our charitable efforts, the public never hears of them. We should therefore make sure that the community projects we carry out, that are not of a private nature, are publicized as much as possible. Community projects that are carried out in the community, where we can be seen, are the best publicity we can get. We must also remember that fundraising projects don't provide the best publicity

Projects where we are working together to improve our community are our best.

Our clubs provide a lot of financial support to our various Lions Foundations. However not always is the public aware of these charitable donations. It is important that we try to ensure they are publicized, so the public is aware how we use the monies raised from our various fundraising activities.

Each year, I would venture to say, that our district clubs donate close to a half million dollars through their foundation, community projects, children organizations and many other charitable efforts. This is something of which we can all be very proud.

As my District Governor year comes to a close, I want to thank every Lion in our great district for their generous and selfless efforts, that enable us to help so many, and make our communities and our world, a little better place in which to live.

I thank you all.

## Aylesford District Lions Club

Extracts from their June 2016 Club Bulletin

Approximately 55 guests were served a beautiful Mother's Day dinner at the Aylesford & District Lion Club. The hall was decorated in white, pink and burgandy, with table flowers being given away at each table. Thanks to everyone who took part or helped out in any way in making this another successful fundraiser with a total profit of a little over \$500.00.

(L to R) Matt Veinotte, Carson Cole and Cody Mansfield of the Harmony Nicholville 4H Club were on hand to except a cheque in the amount of \$1000 from Aylesford's King Lion Dan Herbert during the Aylesford and District Lions Club's May 11 dinner meeting.

A \$300.00 cheque was also given out to guest speaker Lion Dave Hunter from the Chezzetcock & District Lions Club. Lion Dave gave a great talk on a new Nova Scotia Lion endeavor involving the collection, repair and re-distribution of used hearing aids to worthy Nova Scotians who are unable to afford new hearing aids. These devices are custom fitted to the individual by qualified hearing specialists that volunteer their time and knowledge for this worthwhile Lions Project.

Aylesford Lion Fred left, swithed banners with Leuven King Lion Thomas while in Europe on vacation in May with his wife Gail.
