**KINGSTON LIONS LIVING UP TO OUR MOTTO  
“WE SERVE”**

Well, the Kingston Lions were at it again – for the 27th time! All Lions’ hands were on deck at the Kingston Lions Hall very early on Dec 24th while most people still had visions of sugar plums dancing in their heads. The Lions were busy preparing their Annual Christmas Eve Breakfast for close to 900 community members - and they do it so well.

Preparations for the full breakfast of ham, sausages, scrambled eggs, pancakes, hash browns, muffins, toast, etc began weeks before the doors opened at 6:30am and cleanup continued long past the time when everyone left with memories of a wonderful Christmas breakfast with friends and family.

Typically, the early risers are the ones heading off to work and they start their day with a good breakfast, and they are followed by families and friends who have made this a tradition to meet for a meal that morning before they go and finish their Christmas errands.

Certainly, the star of the breakfast was the man in red himself, Santa, accompanied by his elf and Mrs Claus who mingled with the crowd. It presented one last opportunity for the kids to see Santa and receive a goodie bag.

This year, the Greenwood Sobeys partnered once again with the Kingston Lions to provide assistance with the cost of the food. The Honourable Leo Glavine and 14 Wing Greenwood Commander Brendan Cook and his family were put to work on the serving table. Add to that a number of Scouts helping on the floor and the Lions themselves and you come up with over 80 volunteers who made this event happen.

This breakfast is a way for the Kingston Lions Club to thank the community and to give something back to them for their support and loyalty over the year. The breakfast is a free will offering and the funds received just turn around and go back out to local charities.

Dear Fellow Lions,

As we move into the holiday season, I would like to first and foremost wish you all a very Merry Christmas and a Happy New Year. I know Lions are very busy with the giving of time and money during this season but do not forget to give time to yourself and your family. I am enjoying grandmotherhood very much! I ask that you give the gift of fellowship to your fellow Lions. Remind them why they chose to join the Lions family as we serve hand in hand, side by side into the year 2020! You are all helping towards “Being the Change” in your communities, district and globally and I thank you for all that you have do and have done. Together Everyone Achieves More

Yours in service,

DG Debbie

## WHY SPEAKOUT MATTERS

By Lion Dan Yarymowich

Speakout doesn't just matter. It matters a lot. It marries the power of speech to the passion of youth. It helps us keep in touch with the ideas, the issues and the insights which move our young people. It gives them a voice, an audience and a chance to be heard. Beyond all these things Speakout gives young men and women the chance to practice some of the critical skills that the leaders and citizens of every democracy need to have.

### District N2 Speakout Winners

#### *Marrying the power of speech to passion ...*

Every year we invite young people to speak up and speak out ... and they do. They raise issues. They share experiences. They argue points of view. They speak out on the things they care about; the things they believe are too important to remain unsaid. Environment, bullying, family, an experience that touched their lives; the topics vary but the commitment, the belief, the passion rarely does. And because that passion is there we are touched; we learn; we are inspired.

*Keeping in touch...* Speakout is a chance to listen. It's a way to learn about the issues, the trends, the problems and opportunities that today's young people are concerned about. While Speakout offers the contestants a chance to stand up and speak out it also offers us as Lions a chance to sit down, to listen and to learn. This is important if we are to continue to be relevant and to provide the programs and services that are needed most to those who need them most.

Speakout connects Lions to the future in another, very vital, way. It allows us to connect with young people who are committed, concerned and community minded. In other words, it allows us to connect with those who have the potential to become the next generation of Lions.

This is an opportunity to do more about sustaining and growing Lionism for future generations that should not be overlooked.

*Citizen and leadership...* Democracy is much more than constitutions and elections. It is about citizenship and leadership; about involvement and participation; about being open to dissent, debate and discussion. All of these things are at the core of the democratic process. All of these are something that participants in Speakout experience first hand. The ability to think critically, to voice and defend your opinions to convince others and to participate in democratic discussion are critical skills for the citizens and leaders of tomorrow.

As Lions we do much to improve the present and to right the wrongs of the past. Speakout is something we can do for the future; ours, our children's and our grand children's. It is a way of giving them the chance of committing themselves to the idea that unites us all and embodied in the proud motto 'We Serve'.

#### Why Speakout Matters

*The power of speech and the passion of youth.*

*Keeping in touch with the future.*

*Practicing leadership and citizenship*
