Winnie's Castle was a gift from the Make a Wish Foundation but became unsafe for the children to use. The Amherst Lions Club helped out by being demo crew for the castle. Here they are in the before, during and after photos.

As he got older, Robert Budd was having trouble getting the large scooter he had received from the Amherst Lions Club in and out of his apartment. The club helped out by changing it to a smaller more manoeuvrable scooter. Here he tries out the smaller scooter as Wheelchair/Scooter Chair Lion Rubin Millard looks on.

# Lions in South Africa: email mix up results in kindness across continents

• By Lois Ann Dort, Local Journalism Initiative reporter

SHERBROOKE -- “I know this email might look like spam, but please read it,” began an email Nancy Chaston, secretary for the St. Mary’s District Lions Club, received shortly after Christmas from an address on her Lions’ mailing list. As it turned out, not only was the email not spam, it was also an unexpected lift to welcome the new year when COVID-19 was hitting Nova Scotia hardest.

The email continued, “I cannot remember the first email I received from you and the Lions. When I searched in my mailbox it dates back to the 24th, June 2019, but I’m sure it was a while before that. How I came into your mailing list, I honestly do not know, but I find myself looking forward to reading what is happening on the opposite side of the world. “My name is Chester Rudolph. I live in South Africa,” said the mysterious email, adding that they’d been receiving the club updates for so long, “that I feel like an unofficial Lions member.”

In the last email Rudolph received from the Lions, Chaston had brought the club members up to date on December activities, including the provision of Christmas packages to families in the Sherbrooke area.

Rudolph’s email referred to the club’s recent activity: “So the other day I saw this mail and that you all managed to get together and help five families. So, my wife and I decided to join in. We may not be in Canada after all, but everything counts. So, we jumped in the car and shot off to the supermarket and put together 24 hampers of basic foods and toiletries, jumped in the car and shared a bit with those that are in need. Giving them peace of mind that they have a few days of not needing to worry about getting food into their stomachs.”

Rudolph’s email concluded, “The reason I’m sending this to all of you is just to show that the hard work and time given to help communities does not go unnoticed and even inspires those 15,174 km away ... The world works in mysterious ways and hopefully I get the pleasure of meeting you all somewhere along the way, whether it is in this life or another.” Chaston was understandably shocked to receive the email. She told *The Journal*, “I read that email and went, ‘Oh, my goodness.’ He had been receiving, for the last two-and-a-half years, every email in regard to our minutes, our agendas, any type of activity that was going on.

“Now, I had to go back to all the members and say, ‘Ok I have to tell you, I don’t open up my email all the time...but I just opened this up and I have to share some good news-bad news with you.’ I just kind of said, ‘I’m embarrassed and unbeknownst to me the Chester Rudolph email was going to a Chester Rudolph – same spelling as the Chester Rudolph here – in South Africa. But the good news story is, he helped people.’”

The email Rudolph in South Africa had been receiving was meant to go to St. Mary’s District Lions Club member Chester Rudolph. Chaston explained that she had a group mailing list for all the Lions Club members and when she initially set it up, there were a few issues. Some Lions Club members weren’t getting the emails, among them Chester Rudolph. He later supplied a second email address to Chaston, and hearing no more complaints about missing email, she thought the problem had been solved.

Chaston said she was really inspired by the email she had received from South Africa, “Because the news that we get today is so negative and depressing but it was such a great news story that I just had to tell the members right away.

The email from Rudolph demonstrates how far kindness can travel. Chaston said, “The little things that we do here in the Sherbrooke area, influence many beyond who we know. It’s the little deeds in life ... you never know when you are reaching somebody else – the world is small, now that you think about it.”

Chaston concluded, “It’s a great story as far as what one couple did as a result of seeing somebody else do kindness.”

A total of nineteen Lions from Kingston, Kentville, Middleton and Bridgetown along with two prospective new Lions members from Kentville attended this very informative session. Inviting prospective members to come to a session is a great way to showcase Lions and give them a good introduction to what Lionism is about. Thanks Lion Bill!!

Christmas came in mid-December for seven-year-old Colby Stevens, son of Jiselle Finnamore and Chris Stevens, when Truro & District Lions Club purchased Proloquo2Go software for his mini iPad. Lions Club president Bucky Daye, right, presented Colby, who has Down Syndrome, and his mom, Jiselle, with a cheque to purchase the award-winning symbol-supported communication app, which is designed to grow communication skills and foster language development. The app will be used both at home and school.

## NEW ROOF for the Middleton and District Lions Club.

After 35+ years the shingles were worn out and the roof was beginning to leak. In 2017 we also did a major renovation: new windows, doors, insulation, siding and 2 big heat pumps. We are pleased and proud to report the completion of the renovations to our Lions Hall in Nictaux Falls.

Grants from the Provincial Government and the Municipality of Annapolis County were key.

A sincere **“Thank You”** to the **Province of Nova Scotia** (*Community Facilities Improvement program*) and to the **Municipality of Annapolis County** (*Community Halls & Centres Assistance Program*) for their 2017 and 2021 grants.

Without these grants our non-for-profit Lions organization would not have been able to afford these necessary renovations/improvements as the majority of the money our Lions raise goes to help local individuals and families who need a “helping hand” to get through some “hard times”.

Our motto is **WE SERVE**, especially local people who have fallen on hard times, important projects in the community like our hospital and rink and also organizations outside our community like the Valley Regional Hospital Foundation, Dog Guides, Brigadoon, Salvation Army, Diabetes & Cancer societies plus disasters like the flooding in British Columbia.

The grants from the Provincial and the Municipality governments made it possible for the Middleton & District Lions Club to use the majority of our fundraising money to provide *help/support to our local citizens or projects and also to help other important needs in our province/county/world.*

**Thanks again** for the government grants and helping our Middleton & District Lions to **continue their important work in their community.**

We would also like to take this opportunity to thank **KSB Construction Ltd.** (Marty Ross) for quality workmanship regarding the renovations in 2017 and again in 2021.

The Middleton & District Lions club now have a facility in good condition. We will continue to meet our goals of service although Covid has taken a big toll in our ability to fundraise. Our members are looking forward to the days (after Covid) when we, once again, will be able to use our Lions Hall for auctions, community dinners & celebrations, rentals, bingos, and other activities as in previous years.

If you have any interest in joining Lions, we are always looking for new members who “like to serve their community”. Please call our President, Dave Diggins at 902-825-6152 or our Membership Chair (our youngest Lion) Russell Mosher at 902-760-0015.
