What happened to the turkey that got in a fight?

He got the stuffing knocked out of him!

Why did they let the turkey join the band? Because he had his own drumsticks.

Why was Cinderella so bad at soccer?

She kept running away from the ball!

What do you call an angry carrot?
A steamed veggie.

Why do cows wear bells?

Because their horns don't work.

# Message from DG Jane

# Fellow Lions of District N2:

Welcome back to another great year of serving as Lions and having fun. SVDG Pat Nixon, GMT Linda Baltzer and I just returned from the Mission 1.5 Summit in Toronto.

It was an eventful weekend, with a lot of information and ideas on how we can strengthen and build our districts. In the coming weeks and months, we hope to use this knowledge to encourage all clubs to build on their membership and to help retain members.

It is a pleasure to be working with District Global Membership Chair, Lion Linda again and Lion Pat as our first District Global Extension Chair this year. We are here to help you and ask that you reach out to us if you require assistance.

One goal of Lions International is for our Constitutional Area 2 (Canada) to continue growing our membership so we can better serve all our communities. More Lion members mean more service by our clubs to enrich the areas in which we live. An important factor is retaining our present membership and ensuring they are engaged in club activities.

So, what does this mean for our District specifically:

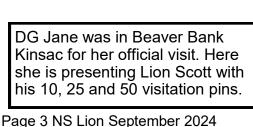

- 1. Net growth of +2 for District N2. This means whatever your club membership was on July 1, 2024, then you need to be up two more members by June 30, 2025. For example: if your club was at 20 members at the start of this fiscal year, then we challenge you to be at 22 in membership by the end of the year.
- 2. Please utilize social media (Facebook, Instagram, TikTok) and the Just Ask program (located on the LCI website or the link below). There are many suggestions for ways to help you increase your club membership.
- 3. Each club can also partner with other organizations and town officials to further our service projects and serve our communities.
- 4. Each club should appoint a Membership Chair to aid in the process of building your club. We would like you to forward the name of the person you select to your Zone Chair. This information will then be forwarded to Lion Linda. We will need this by Oct 16th, 2024, but the sooner the better. Once compiled, we will be having monthly Zoom meetings to share ideas and find solutions for clubs in need.
- 5. Our District Goal is to be up one (1) new club by the June 30th, 2025. If you have an idea that you think an area could benefit from having a Lions Club, please reach out to us.

These are exciting times in our District, and we are counting on every Lion to help us grow our service. If you have any questions, please feel free to contact either me, Pat or Linda directly.

Yours in Lionism, Lions Jane, Linda and Pat

Hunger Grant Program KAREN'S VISION

2024-2025

The LCIF Hunger Grant Program is offered by Lions International and could benefit the entire District. There is 10,000 up to 150,000 US dollars available to us. We need at least two groups, but it can be as many as want to participate.

This grant is not to help buy food but to help Community Food Service groups to buy or create a serviceable space so they can help to service those with food insecurities. For example: buy fridges or freezers, upgrade or build kitchens, tables and chairs to feed people on, or even vehicles to help deliver food to the needy – the possibilities go on.

This is a matching grant, so your group only needs to raise half the amount required. What a great way to make our funds go further to help others.

Some groups could already have a project in mind, but this is not limited to just them, we can all look into this wonderful opportunity. Please look around your area and see how we make this happen. One example is supporting existing projects like School Programs that might need equipment to make it easier to serve people.

If you want to learn more, you can access the info at Lions International and look up LCIF Hunger Grant Program or contact me Beth Emery at 902-893-8457 or <a href="mailto:bethemery@eastlink.ca">bethemery@eastlink.ca</a>

I look forward to hearing from you.

District N2 Hunger Chairperson

# Milford

On 29 Sept we hosted a BBQ in support of CHAPS (Corridor Horse & Pony Society).

After having no meetings all summer, the Bedford Lions Club decided to start the new meeting year with a relaxing BBQ this past Thursday. We had burgers, hot dogs and corn with all the trimmings cooked by our amazing chef Lions.

We had a great turnout, 22 Lions attended with 10 guests. While the food was being cooked, we all so-cialized. Our bellies were full. We all did teamwork with cleaning up and ended the evening playing our favorite game, Chase the Ace!! It was a close game, Lion Gordon M dealt the cards to Lion Ian and himself, and he gave Lion Ian a King, which meant Ian won the big pot of \$20.00

#### Important update for our International Convention in 2025

We know that many of you were looking forward to attending our 107th international convention in Mexico City. Unfortunately, due to unforeseen challenges, and after lengthy and ongoing efforts to secure contracts with acceptable terms that provided the confidence we needed to host a successful convention in Mexico City, we are announcing a change of venue for our International Convention. While we are disappointed to share this update, we are excited to announce that we have been able to secure a wonderful new site in Orlando, Florida for the 2025 International Convention. The dates for the event will be July 13-17, 2025. Updated registration information will be provided to Lions as soon as it's ready.
