Dear Fellow Lions,

Happy Fall. I know all clubs are now back in full swing and are out providing many different services throughout Nova Scotia. I have started my visitations and I am thoroughly enjoying seeing firsthand what our Lions are doing.

I am asking Lions to take some time to get to know their fellow Lions. We are all one in the Lions Family. Find out what their interests are, why they joined Lions and are they happy with where they are in their Lion's journey. I believe it is important that we take the time needed to support our fellow Lions as well as serving our communities' needs.

The Multiple District has come out with a new Global Service Project. As you can see below, a business card has been designed for Lions to use. When a Lions sees a community person in need of assistance, we ask that you give them your filled-out card and help them with their need. i.e. help a mother with kids, help carry her groceries to the car or clean snow and ice off a senior's car in a parking lot. We are then asking Lions to report your act of service to your club's GST coordinator or log into your own account on MYLION and report it yourself. I will be dispersing the cards on my visitations. Looking forward to seeing all what you do!

Your District Governor,

Lion Debbie

Lion Sec. Jeannine Maillet with her daughter Darcey Maillet. Darcey works for the local school board and administers the "School Plus" program in the schools. Her role is to identify the needs of the students & parents, then sourcing funding partners etc. She, along with her mother, Lion Jeannine (retired school teacher) have been instrumental in forming partnerships between our club and the local schools.

This particular initiative encompassed the training of parents and their school children in preparing meals, using slow cookers at home. This saves in the cost of meals and also provides great training for participants. The program paid for the slow cookers and the Lions provided the turkeys
