# District Governor's October Newsletter

## Hear Me Roar!!

Month 4 – What a fun Halloween month this was. I met Lions from across our great province. Shared lots of laughs, good memories and even did some business all while having a great time! My wife and I traveled around Cape Breton and Area and the Northern Shore, visiting clubs from Glace Bay to Amherst. What a beautiful province we live in and lots of winding roads. At times I felt as though I was on a roller coaster. I even participated in my community Halloween Trail Walk.

## Civility and Diversity Charter

In the District Governor packages each Lions Club was provided a Civility and Diversity Charter. This charter was created to help all clubs and their members to be mindful of their actions and to be proud of what they do and how they showcase it. Have patience, relax, learn, and have lots of fun doing so all while showing respect for your fellow members.

I would like to thank each and every club that I had visited. The kindness and generosity from each and every member that I met while there was something to be proud of. It has been a pleasure to talk to each and every one of them and I hope they feel the same as it made me feel welcomed and that I would love to come back and see them all again!

## **TOUGH CHOICES**

Everyday thousands of people in Lunenburg County must make tough financial choices to satisfy the most basic of human needs. This often includes skipping meals or medications or putting off a needed purchase in order to pay the rent or power bill or some other necessity. If you or someone you know must make **TOUGH CHOICES**, please don't let the need for warm winter clothing be one of those choices. Coats for Kids is all about neighbours helping neighbours. Their coat donors want their donations to have the biggest impact and helping their neighbours will help fulfill that wish for them.

## **NOBODY SHOULD BE COLD THIS WINTER**
