“THE AFTERMATH”**

While the Glace Bay Lions Club helped so many, Lions Walter and Tracey along with neighbours and new friends rallied together to move some “Serious wood” . Lion Tracey’s mother went 9 days with out power. Lion Walter cut a total of 23 trees and brush in 18 hours. **A job well done Lion Walter and The Glace Bay Lions Club.**

District Governor's Newsletter

October, 2022

I would like to begin this update by thanking the Lions of District N2 for their swift and meaningful responses to the damage caused by Hurricane Fiona. Service to the community is the reason for our collective being and hopefully we will be able to collect all the information about that service on MyLion. It is important for Lions Clubs International, our community members and our fellow Lions to know how we responded to the incredible needs in the affected communities. Thanks to the work of LCIF Chair Susan Taylor and the district team, I am happy to share that District N2 has received a \$10,000 US Disaster Grant which will focus on the Glace Bay area to assist with the purchase of essential supplies for many families. Glace Bay Lions will manage this activity with the assistance of the District and I thank those folks who already have or will step up to help their fellow citizens.

I also want to thank the Lions of Lake Echo who hosted our Fall Cabinet on October 1st. It was unfortunate that many of our members were unable to attend due to the ongoing effect of Hurricane Fiona but we can hope for better attendance at the Winter Cabinet in Bedford.

1st VDG Joyce, 2nd VDG Karen and I have visited a number of clubs in the past month and are amazed by the uniqueness of each club and the ways each club serves their community. We have heard stories of generosity and appreciation, of need and provision of help. We know this will be a difficult year for many in our communities as the price of fuel and food continues to rise. Families should not have to choose between warming their homes and feeding their children. Lions will play a vital role in meeting those needs.

During our visits clubs have indicated they need assistance in attracting new members. The most effective way to grow our membership is to make sure the public sees the service we provide. We have noticed some growth in membership during the past month and anticipate an even larger growth in October. Please continue to seek out new members. New members mean more service and that's what our communities need.

A number of clubs have also noted they may not be able to conduct their usual fundraisers due to a lack of manpower. I encourage clubs to reach out to each other if they need help to conduct fundraisers or activities. We are all part of the world-wide Lions family and I am sure we will help each other as needed.

Please remember the District Team is here to assist you and answer any questions you might have.
