

District 20-W Directory

The International Association Of Lions Clubs

Fellow Lions, We hope you will find this handbook useful. Mike, Gail and I enjoyed putting it together for you. It may not be fancy but it is factual and we feel it represents the Roof-top ethos very well. "W" is on top of things. We apologize for any omissions, errors, or unintentional mistakes (none were intentional !!!) We acted upon the best that you gave us. Please respect the personal information of those named within and refer to our right to privacy notice. This is the Kelly/Perry model best suited for thumb "surfers". If you prefer the 'net' that is also available on our website. Anything you ever wanted to know about Lionism is inside or there is a connection for researching it included herein. Best Wishes for a Great Year, You are the BEST.

"W"E-xcellence.

It's very important that these reports are done. The PU101 is done once a year, MMR's need to be done every month, Activity reports are done after every activity. These reports help the District Governor, LCI and the CST to communicate, keep track of membership and to know what the clubs are doing... Remember we are the largest service organization in the world and we would like people to know about it!!!
