District Governor's Message

Lions, Lionesses and Leos,

As a Lion, I have been asked by many, *Why did you become a Lion? Why should I become a lion?*

My reply has always been, I believe in the Lions' mission: "To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions Clubs."

International President Dr. Jitsuhiro Yamada's primary goals are Dignity, Harmony, Humanity. He states "Peace, hope, determination, teamwork and uniting people through service are central elements of my presidential theme." Dr. Yamada encourages all Lions to provide humanitarian service in four ways: youth, vision, hunger and environment. Most importantly, serve in a way that always brings dignity to others.

My theme is **Lions Building Lions...Forging Solidarity**. In conjunction with Dr. Yamada's objectives, let's have our district support each other, each club and work as a team! Solidarity among our district's Lions creates a stronger network, hence, promotes excellence in services and increased delivery to those in need.

I encourage our Lions' Multiple District 20Y2 team to rise to the challenge and increase membership. So when someone inquires *Why did you become a Lion?*, sing the song of Lionism.

Paula Flisnik
District Governor

LIONS ETHICS

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's: to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

To hold friendship as an end and not a means. To hold that true fellowship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

To aid my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be careful with my criticism and liberal with my praise; to build up and not destroy.
