A message from...

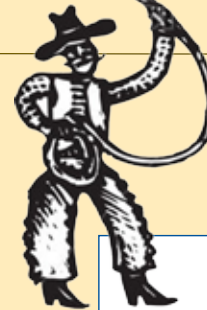

District Governor
John McDonald

Fellow Lions, Leos and Lioness's,

Although there are still two full months left in our Lions year, with still many ongoing service projects underway, I felt it was a good time to highlight some of our District's significant contributions and accomplishments this year. Our District has really taken the lead and excelled in a number of areas this year in all facets of our Mission.

Disaster Relief

After thunderstorms and torrential rainfalls came through multiple townships and villages of the District in July, state of emergencies were issued for the City of Utica and the Town of Hoosick. We reacted quickly and were able to secure disaster relief grants from Lions International, the Brandel Murphy Youth Foundation and the NYS & Bermuda Lions Foundation totaling \$15,000.00. The District purchased Hannaford and Aldi gift certificates and

distributed them to victims of the flooding within the Sauquoit Valley, and immediate surrounding area, to be used for food and cleaning supplies. These efforts were led by the Sauquoit Valley and Clinton Lions clubs. The residents receiving assistance from the Lions were extremely grateful.

Vision

The District and the Utica Lions secured grants from LCI for \$100,000 and NYSBLF for \$5,000 to support equipping the new Central Association for the Blind and Visually Impaired (CABVI) Vision Center. The center will address the needs of individuals who are blind or visually impaired in an 8 county service area in central NY.

District Clubs continue to provide Kids Sight screenings for children between the ages of 6 months and 6 years old. Primarily through collaboration with the Northeast Association for the Blind at Albany (NABA) and CABVI, thousands of screenings have been conducted this year, with an average of 10% of the children being flagged with a potential acute vision issue. According to educational experts, 80% of learning is visual. So if a child can't see well, they can't learn well. Yet most young children don't get their vision screened until they have problems learning or paying attention in school. By then, it may already be too late. Unless vision problems are detected early and corrected, they risk becoming permanent by age 7.

Youth

Camps were sponsored by the Saratoga Springs Lions Club and CABVI. These overnight weeklong camps provide an atmosphere to build upon the self-esteem and confidence of children and teens who are blind or visually impaired.

Diabetes Awareness

The District hosted American Association of Diabetes Educators (A.A.D.E.) CEO Chuck Macfarlane to our November Fall Conference. The presentation by Chuck and AADE Educator Judy Carr of Saratoga Hospital focused on increasing our personal knowledge with respect to pre-Diabetes and Diabetes, covering the basics of this chronic disease and helping to set us on a path to successful self-management by understanding the risks, dispelling the myths and capitalizing on the facts. Subsequent to our event, meetings have taken place between LCI and Chuck that will work to pair up Lions clubs and A.A.D.E. associates nationally to educate everyone about the risks associated with the disease and how they can best address the needs of their own communities.

Hunger

District Clubs regularly host food drives and collections to support local pantries and the Regional Food Bank of Northeastern New York. Many clubs also support local school districts back pack programs.

Hearing

The District's Hearing Conservation Society has been approved by Oticon to be a liaison/distributor of their hearing aids. This replaces the discontinued LCI AHAP and allows us to re-start our service to the hearing impaired on a District-wide basis, in addition to the other Districts within the Multiple. The Hearing Society is currently finalizing a business model that includes the administrative mechanics, eligibility, financial criteria and necessary forms.

I'm incredibly proud of the efforts of all of our Lions and the service that our clubs continue to provide to their respective communities!

Please mark your calendars for Saturday May 19th for our Testimonial and Awards Dinner at the Saratoga Springs Holiday Inn and Saturday June 9th for the Saratoga Springs Flag Day Parade. Both events will present great opportunities to share in each other's fellowship and comradery!

Alone we can do so little, together we can do so much!

Yours in Lionism,

District Governor Lion John McDonald

WHO ARE WE?

For over 75 years, Glens Falls Lions have served the needs of our community as part of Lions Clubs International, the world's largest service club organization. WE SERVE!

The Glens Falls Lions Clubs provides funding for glasses, eye exams, and hearing aids for qualified area residents, as well as pre-school vision screenings for children throughout the area.

Albany & Troy Lions Club PLAYGROUND PROJECT COMPLETE

By Lion Jerry Gordon

PLAYGROUND UPGRADE PROJECT

This project is finally complete! The weather was still chilly, but the installation was completed on April 14, 2018. The following week, Saturday, April 21, turned out to be a bright and sunny day for a ribbon-cutting ceremony.

Well deserved kudos went to Bob Loya and his crew at the Parks & Recreation Dept. You can read all about it at albanytroylions.org/playground.htm. By the way, the plaque

From left to right: Jerry Gordon, secretary of the Albany & Troy Lions Club; Tara Burke, owner of FreelyClothing.com; Sophia Shark, the project's inspiration; Frank McGrouty, Watervliet councilman; Tonya Trawick, Sophia's mother; and Mike Manning, mayor of Watervliet.

is mounted on stones from the Erie Canal.

GENERAL MEETING

Lion Jerry introduced potential Lion Stefan Fosco, Au. D., from Audiologic Solutions. He has offices in Rensselaer and one in Hudson,

which just became the first loanout center in District O.

Our speakers were Jamie Gibbs, school social worker, Carol Willis, reading specialist, and Marty Mahar, principal, from the East Greenbush Central School District. They explained their desire to get a therapy dog for Bell Top Elementary School. It will help address children's social and emotional needs by helping them cope with stress and anxiety; boost their self-esteem and self-control; teach empathy, responsibility and social skills; reduce impulsivity; and help with articulation and communication of feelings. There is a growing body of

...continued on next page

research and experience that attests to the success of such programs. The acquisition cost is \$4300 for the puppy and its training, supplies, etc., and this is what they're looking for help with from the community. The PTA has committed to covering the subsequent annual food and health-care costs. The slate of candidates for 2018-19 as listed in the April Rare Meat was unanimously approved.

BOARD MEETINGS (club & charitable foundation)

Lion Ruth has posted the Rare Meat to Facebook.

Fund raising: no report.

Programs: Our May speaker will be Lion John Griffin, the district Lions Quest chair.

We voted to hold the installation dinner at VanSchaick CC; Lions Maryanne & Jerry will make the arrangements.

Used glasses & hearing aids: Lions Ruth & Tom reported several location changes for our collection boxes.

Enough Lions agreed to buy all or portions of three NYS&BLF raffle tickets so that we can present an Uplinger award this year.

Lion Paul made a motion to use the tail-twisters fund to supplement the tip we leave for our waitress. It passed unanimously.

Lion Maryanne has given eyeglass vouchers to 6 adults and 3 kids since Jan 1. She's been handling this program for about 15 years and she's ready for a rest, so Lion Ruth has agreed to take over this program. Lion Ruth is investigating alternatives to the canceled voucher program.

Lion Maryanne reported about a mother who had requested help getting glasses for her 13-month-old son. Because the child is so young, they weren't available from LensCrafters and she'd have to buy them elsewhere. Maryanne had told her we'd pay \$50 towards them (what it would have cost us from LensCrafters). She has now received the mother's receipt for the \$150 she spent. After some discussion, the board approved reimbursing her \$75.

We voted to donate \$500 to help EGCSO get a therapy dog, pending formal approval by the school board.

Lion Ruth reported that we have received a \$1500 grant from Stewart's. It's supposed to be used primarily to help children.

We discussed the fact that our decisions about whom and how much we contribute to are very spur-of-the-moment, and that perhaps we ought to have more clearly defined guidelines for whom we will help, as well as criteria for how much we will spend. It was decided that we should consider forming a committee to make a recommendation to the board.

NEW PADDLEBOAT AND LIFE JACKETS

We have a new paddleboat thanks to the Walworth Lions Club and 37 New Life jackets thanks to an anonymous donor.

GRANTS AND UPDATES

Received a Mildred Faulkner Truman Grant for \$5,724.00 for tick, poison ivy and mosquito control. Ivy Oaks Analytics (ivyoaksanalytics.com) will treat twice prior to camp and once or twice between camp sessions. Pre- and post- analysis will be conducted for effectiveness.

NEW PHONE SYSTEM

The new phone system is getting installed this month thanks to a grant from the Community Foundation of South Central NY. We also have a donation of an outdoor speaker horn thanks to the Melville Lions Club and another from an anonymous donor.

FACILITY UPDATES

We have a new Facility Manager this spring. T.J. Swartout joined our team on Monday, April 16th. TJ has been a contractor for over 20 years. He has also been a town code enforcement officer for two towns. He is excited to come on board and whip the camp into shape, although because of the cold temperatures and late spring, we are a couple of weeks behind on getting the camp opened up!

On the first beautiful weekend in April we had a visit from the Big Flats Lions and some student volunteers from Alfred State College. They got a lot accomplished in a short amount of time and we are grateful! Big Flats Lions replaced some rotting floorboard in the Lodge kitchen, installed some door closers on the restroom doors and removed a failing entryway roof. Alfred State students installed a new fence along the ravine behind Cabins #10 and #11, as well as the main project of installing french drains behind the Helen Keller and Melvin Jones cabins to divert water around the buildings.

AFGHANISTAN VET/SCHOOL SUPER ADDRESS LIONS

By Lion John Griffin

At our meeting on April 12th the Lions Club received a special visit from SPC Troy Mackey, who recently returned to the states from a nine month deployment in Afghanistan as a member of the US Army 82nd Airborne Division. SPC Troy is the son of

Sauquoit Valley Lion Christine Goossens. SPC Troy shared his experiences of the past nine months with the Club which gave us a better understanding of what our brave men in uniform are facing in their call to duty. SPC Troy discussed that he and his fellow soldiers are having a most positive impact on the civilian population there. He also expressed his appreciation for the donations that the SV Lions made to the Blue Star Mother's initiative to provide food and amenities to his unit.

They were especially grateful to receive a shipment of "Utica Coffee" which was a real treat for him and his unit. SPC Troy and his unit were also grateful for cards received from Lisa Griffin's 3rd grade class from Jefferson

Elementary School over the Holidays. Jefferson School is in the Utica District and Lisa Griffin is daughter of SV Lion's Connie and John Griffin.

The Club also heard a presentation from Sauquoit Valley CSD Superintendent Ron Wheelock that same evening. Superintendent Wheelock discussed: the recently adopted school budget, security measures being enacted at the school and progress on renovations that are ongoing at the school. The Club members present had many questions for the Superintendent around these topics which he graciously addressed. The Club presented the Superintendent with a \$200 donation for the "After Prom Party" taking place at the school in May.

Several Club members attended a planning meeting for the upcoming Journey for Sight (JFS) taking place on May 12, 2018 at the Sauquoit Valley CSD track. It was reported that over \$700 has been raised for the Club through the sale of ads in the JFS Ad Book.

MURDER MYSTERY DINNER SUCCESS

By Lion Karen Rager

The Glens Falls Lions held their first Murder Mystery Dinner Theater (open to the public) Wednesday, April 25th and Thursday April 26th, at Sweet Basil Restaurant

The cast of Agatha Christie's "The Mousetrap". Back row, left to right: Jan Kelly (Mrs. Boyle), Alexandria Cartier (Miss Casewell), Steve Maggio (Mr. Paravicini), Devin Funnye (Major Metcalf). Front row left to right: Glens Falls Lion Jonathan Granger (Giles Ralston), Lauren Cognato (Mollie Ralston, Sandi Rhodes (Christopher Wren), Kayla Toney (Director and founding member of PTL Productions, Sean Owens (Detective Sgt. Trotter).

in Queensbury. The production of Agatha Christie's "The Mousetrap", put on by Pushing the Limit Productions, (of which our very own Lion Jonathan Granger is a founding member), proved to be very suspenseful to the very end in this famous "who done it".

A huge thank you to the committee and volunteers who helped us make this a success! We look forward to another future event.

Now that this fundraiser is over, we will continue working our 15th Annual Golf Tourney for Sight and Sound, which will be Saturday, June 9th at Airway Meadows. This year in

celebration of our milestone, we will be having a Hawaiian Luau them complete with a pig roast, and hula demonstration! We are bringing back our famous "Golf Club Toss", and will be having a "Putting Contest", along with our usual prizes and raffles.

We are offering the opportunity for those non golfers to attend the Luau only, however we need a head count so reservations MUST be in by Sunday, June 3rd. Should be a fun time! See our flyer and registration form on pages 12 and 13 of this flyer.

At our April 24th dinner meeting we were treated to a presentation about the Empire Servicedog Program, Inc. Lauren and Bob Bachner brought ten year old "Access", who demonstrated what he can do as a service dog for clients.

Nine Lions helped do our bi annual road cleanup this past Saturday.

Lauren prepares to give Access a command.

Clinton Lions Club

By Lion Jim Winkler

In early April we made a presentation to our local Chamber of Commerce about our club's 60 years of service in our community, the size of Lions Clubs International worldwide and our concluding celebration of 100 years of life-changing humanitarian service – emphasizing “Where There's A Need, There's a Lion!”.

Hoping to educate the Chamber members about Lions, increase our community visibility and recruit additional members, Lion President Bill O'Mara explained our major recurring projects and fundraisers, especially the upcoming annual Regional Journey for Sight in May. He stressed our efforts last July when we distributed grocery vouchers to victims of the flooding in our town and surrounding area with funds acquired from a LCIF Emergency Disaster Grant. Judging from questions asked by the 20 – 25 chamber members present during and after the presentation, our informational session about the Clinton Lions and Lions Clubs International was very successful... we may even have attracted a potential future member.

A week before Earth Day, on April 14, we joined with other members of our community in what has now become an annual event - “Clean-up Clinton Day”. Eleven members of our club assisted with various tasks in and around our Village Green. We directed traffic and unloaded vehicles full

of documents to be shredded, returnable bottles and cans, used electronic devices and food staples for our local Food Pantry. This year for the first time our club sponsored an industrial mobile shredding unit for area

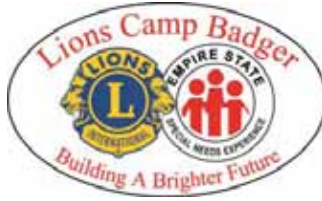

residents to shred their sensitive personal documents. One of our members directed groups of high school and Hamilton College students in cleaning “winter debris” from various areas in the village. Mother Nature cooperated and although it was chilly, most of the snow had melted. As a result of our efforts, our village looks a great deal better, approximately 1,000 pounds of paper was shredded, over 1,800 food items and almost \$1,000 donated to our Country Pantry... a huge success by any standards!

At our first meeting of the month, we purchased a brick for the Clinton Central School District Foundation Brick Garden at our local High School. The brick not only will advertise our club and the charter year (1958), but it will contain our International Motto “We Serve”. Funds from the purchase of these bricks are used by the Foundation's Board of Directors to purchase unbudgeted classroom equipment and supplies for the school district. We also made a contribution to the local Dollars for Scholars fund by purchasing five raffle tickets as well as three raffle tickets for the Lions Camp Badger raffle and New York State & Bermuda Lions Foundation. We continue collecting used eyeglasses from previously established businesses throughout our community and assisting on distribution day at our local food pantry by greeting consumers as they arrive, packing food orders and transporting bags to their vehicles. This month approximately 350 individuals received supplemental nutritious food for the next month.

Our annual Regional Journey for Sight will be held on May 12 in Sauquoit, NY. This is the 37th consecutive year we have held this fundraiser. Five other regional Lions Clubs will also join us. The Clinton Club has already solicited over \$2,000 in advertisements from local businesses for publication in the annual Program/Ad Book for the Journey. We have but one thing left to do before our “journey” begins - all club members must work to obtain as many pledges for their participation as possible. These pledges will be deposited and tallied when they register at our table the day of the event. Join us in praying for good weather the day of the event so we have a good turnout!

Come to think of it, feel free to join us! We can guarantee a great time with plenty of Lions camaraderie, food, refreshments, door prizes, music and awards. Or, if you feel like sponsoring one of your fellow Lions in the western part of the “Old District 20-Y2”, contact a member of one of our club or one of the participating regional clubs. (See the advertisement in located elsewhere in this publication).
