A message from...

District Governor John McDonald

Fellow Lions, Leos and Lioness's,

As we move forward into our next century of service, I'm excited to see that our incoming International President Gudrun Yngvadottir has identified Diabetes as our primary focus. As the number one cause of blindness in the world, along with many other health issues and concerns, Diabetes is truly an epidemic that needs our attention! As Lions, we have an opportunity to work with local professionals to help raise awareness and highlight educational fitness and health opportunities. As next year's Global Service Team leader for our District, I look forward to working with all of our clubs on this and other service initiatives for our respective communities!

As I entered my year as District Governor a year ago I was told by those that had gone through the position before me that it would be an incredibly busy, incredibly fast and incredibly gratifying year! It has certainly been all of that on every front! I've truly enjoyed visiting with all of our clubs, some on more than one occasion, and I'm impressed with our collective level of commitment and pride that we have as Lions. We are indeed part of the fabric of the communities that we serve and our efforts truly make a positive difference in countless lives. Thank you for all that you do!

I'm sincerely thankful to all of the members of our District Cabinet team! Everyone has done a great job this year. It's been a very busy year, with a number of initiatives, and we've tackled them all. Kudos to everyone on a job well done!

I especially want to recognize my home club, the Saratoga Springs Lions, for their tremendous support this year. I'm proud to be a member of such a great club!

We recognized some great Lions at the Testimonial luncheon on May 19th, and you'll see their names and photos in the newsletter. Please take a moment to congratulate them when you get the opportunity!

I'm hopeful that we'll see many of you on Saturday June 9th for the Saratoga Springs Flag Day Parade. All of the details are included on the flyer in this newsletter. It's a great time and a perfect opportunity to spend time with Lions from other clubs!

Alone we can do so little, together we can do so much!

Yours in Lionism,
District Governor Lion John McDonald

ATTENTION LIONS!

**Important club accounting information this
and the following page!**

Dear Lions,

I would like to share this special fee waiver announcement with you as a district and international leader. I will also be sending the following message to your club leaders and then to members. Please join me in encouraging our clubs to take advantage of this unique opportunity so we can make June our best membership month of all time. We're so close to our historic goal of 1.5 million members, so let's keep pushing to the end of the Lion year.

ENTRANCE FEES WAIVED JUNE 7-30!

To close out our incredible Centennial Celebration in style, we're waiving entrance fees for new members who join between June 7 and June 30! For more than 100 years, we've delivered hope and change to the world. Now, as we prepare for an innovative second century of service, there has never been a more exciting time become a Lion, and we want to make it as easy as possible for new members to join us.

So how does it work?

Invite family and friends to join your club between June 7 and June 30.

Report your new member to Lions International by 11:59 p.m. CDT on Saturday, June 30.

Save money when your club billing automatically reflects this special promotion

Earn a Centennial Sponsor Pin for inviting a new member, and wear it with pride.

This is a limited offer that does not apply to new members added prior to June 7 or after June 30, 2018. No exceptions will be approved. Charter and transfer charter fees do not qualify for this special waiver. If you have any questions, please contact membershipdev@lionsclubs.org.

Invite your family and friends to join the greatest service organization in the world as we write the history of our second century together.

Sincerely,

Dr. Naresh Aggarwal
Your International President

Lions Clubs International

Dear Club Officer,

Starting on June 30, 2018, dues credits for membership drops will not be issued after the release of the semi-annual billings on July 1 and January 1.

In the past, Lions Clubs International has given clubs a grace period in January and July to adjust their club rosters and receive a credit for unreported membership drops. This practice has been a courtesy extended to clubs by Lions International despite rules governing the practice in Board Policy. The board of directors recently decided that enforcement of existing policy is necessary in order to be in compliance with Board Policy.

Semi-annual dues are billed based on our records on January 1 and July 1 of each year. This means that clubs must update their membership rosters by June 30 and December 31 respectively to ensure they receive an accurate billing statement that reflects their club's membership. Members dropped after the release of the semi-annual dues billing will no longer be credited.

Here are a few best practices that can help you prepare for your July billing:

Update your club roster online using MyLCI or your regional reporting system.

Submit your updated membership roster to MyLCI or your local reporting system by June 30, 2018 CDT.

Inform current and incoming club leaders that membership dues credits will no longer be issued.

Please contact Accounts Receivable and Club Account Services at membershipbilling@lionsclubs.org if you have any questions. And thank you for all of the kindness and tremendous service that you bring to your community.

Sincerely,

Tony Benbow

Vision Center on Blindness (VCB)

By Lion Michael O'Brien

This is my corrected report about happenings at Visions Center on Blindness to The Lions District 20-Y2 Cabinet, as of May 15th, 2018. Due to a number of VCB staff changes, it was difficult until recently, to get a current update about the center, as people in their new positions were learning their new roles, and accommodating to changes taking place.

Nancy Miller remains the director of Visions Services for the Blind, the organization operating VCB, and other service programs for persons with vision impairments. Khaled Musa, who was Lions Club Coordinator, is now Director of Technology for Visions. Krystal Findlay Jones is now Director of VCB, and is its new Lions Club Coordinator. Anisio Correia is Senior Director for both VCB, and the new Visions Rehabilitation Center, VRC., which opened in August, 2017.

At the invitation of Anisio and Krystal, I was invited to speak to the 2nd class of students in the VRC, May 3rd. These students are completing a vocational readiness program, during which they're learning job finding and college readiness skills, and obtaining various vocational certificates, such as teacher's assistant, through local community college programs.

I and Lion Larry Krug, who drove me to VCB, were warmly received. Six of the seven students were present during my presentation, all recent high school graduates. None were from our district, which isn't unusual, since statistically, most of New York State's vision-impaired population is from the New York City area. We discussed my working experiences as a person who is blind, and things to be aware of when looking for and keeping a job.

The VRC currently has a potential capacity for 32 students. The program is being increased, over time.

A frozen pipe in the VRC kitchen broke in January, causing flooding damage in that area. This is currently being repaired.

VCB served 616 consumers during 2016-2017, none of whom were in our district. Donations from our district in 2016-2017 totaled \$500.00. To date, donations from our district I'm aware of, during 2017-2018, are \$50.00.

So far, Special highlights of the 2017-2018 VCB recreation program were: An apple picking weekend, family siesta weekend, and a Thanksgiving weekend. Also, there was a pre-

vocational program for high school students, and a walkathon fundraiser. There will be a training session, this weekend, on accessible fitness technology.

The Lions Spring Work Day is scheduled for June 2nd, during the June 1st through 3rd recreation weekend. The regular summer recreation program begins July 23rd, and the annual Family Day will be held, Sunday, August 12th.

Clinton Lions Club

By Lion Jim Winkler

May always seems to be a busy month – and this year is no different! The first Wednesday of the month two of our members once again represented the club in attendance at the monthly breakfast gathering of our local Chamber of Commerce. Our hosts were Nelson Associates Architectural Engineering located in our village. By attending these monthly meetings and explaining our ongoing service activities we increase our visibility in the community and hope to eventually attract potential new members.

The second Saturday of the month we joined six other regional Lions Clubs at our 37th annual Journey for Sight. The Utica District Proctor High School NJROTC Color Guard under the direction of Lieutenant DeeDee Moo presented our nations

colors at our Opening Ceremonies and the National Anthem was sung by Marcy Telephone Lion Gail Hardy. The

Color Guard then led the participants around the track for the first lap of our journey. Although the weather was less than cooperative

– raw & rainy, it's a good thing we had rented a large tent with drop-down sides – approximately 125 people participated and the six clubs raised almost \$17,000. This total included pledges received that day and revenues realized through procurement of corporate sponsors and from advertising sales in our annual Program/Ad Book. This year our club was the beneficiary of pledge revenues collected by "Team Meyer" – a team comprised of family and friends of recently departed club member, Lion Nate Meyer. Comprised of over twenty-five members, they created their own team t-shirts and contributed over \$2,000 to our club in memory of Lion Nate. Because of their effort, we will designate two of our Senior Awards this

J4S Proctor NJROTC Led the way (above), and Team Nate (below).

year in Lion Nate's name.

One member of our club attended the MD-20 Convention in Rochester the first week end in May and represented our club at District Governor John McDonald's Testimonial the third Saturday of May in Saratoga Springs.

We once again sponsored a Little League team this year by donating \$350 for purchase of uniforms and other operational supplies, donated a senior award for \$300 to a graduate at one of our neighboring school districts (Westmoreland Central School). With our annual Garage Sale fast approaching the first week end of August, we began actively soliciting merchandise and collecting and storing it in multiple area locations. To accomplish this, three members distribute flyers to local area residences conducting their own Garage Sales. These flyers contain contact information should they desire to donate any unsold merchandise at the conclusion of their own sales. So far, we have been very busy! It appears not only do we have more merchandise than at this time last year, but the merchandise appears to be of better quality... and we're quickly running out of storage space until we can move it to the sale location (the Clinton Arena)!

We continue collecting used eyeglasses from previously established businesses throughout our community and assisting on distribution day at our local food pantry by greeting consumers as they arrive, packing food orders and transporting bags to their vehicles. This month approximately 375 individuals received supplemental nutritious food for the next month.

DG John visited us at our last meeting of the month. He presented our President – Lion Bill O'Mara - with the District Lion of the Year Award for his many years of service to Lions, leadership at the club and zone levels and for his assistance in responding to the victims of last July's flooding in our area. Normally this award would have been presented at DG John's Testimonial, but Lion Bill was unable to attend due to a personal commitment.

DG John (r) presents Lion Bill O'Mara with District Lion of the Year.

In addition to presenting the District Lion of the Year Award, DG John also inducted two new Lions into our club. Lion Garry Colarusso and Lion Colleen Furmanski are now the newest members of our club. DG John also addressed our club about the newest LCI initiative, Diabetes Awareness

& Education. He informed us of the three-year financial commitment LCI will announce toward this cause at the International Convention in Las Vegas and offered some practical ways our club could begin to educate our community regarding this rapidly spreading disease.

New Members - Lion Garry Colarusso & Colleen Furmanski.

Finally, DG John witnessed the presentation of our Lions Student of the Month in the Clinton Central Senior High

School to our initial recipient, Meghan Doris. Lion Les LaBrecque initiated the presentation of this award on a monthly basis to a student in our senior high school. He saw a similar award procedure outlined in his hometown newspaper from

Lion O'Mara presents Meghan Doris with Lion Student of the Month

Maine and presented it to the guidance office in our high school. The Guidance Office will make the selection based upon some basic guidelines, the student's picture and a brief biography will be published monthly in the Waterville Times and a certificate will be awarded at one of our monthly meetings. DG John agreed Meghan was a most worthwhile initial recipient. He inquired about her future plans and she very articulately replied that she will be attending Adelphi University in September and plans on a career as a pediatric oncologist nurse. He, as all in the room, were most impressed! Congratulation Meghan!

May ended as six members of our club participated in our village's annual Memorial Day Parade as we honored those community members who have served our country.

Hearing Aid Advocacy Day

by Lion Barbara Bentley

On May 30th, thanks to the hard work and dedication of Lion Debbie Meyfohr and the support of Assemblywoman Solages, the Lions District 20K2 Lend An Ear Foundation was joined by members of District 20S and District 20Y2, including District Governor John McDonald, along with PCC Gary Brown and District W 2nd VDG Elect Lion Rick Brisee, President of The Lions Hearing Conservation Society of NYS, in traveling to the Capitol in Albany, NY to speak with lawmakers and legislators regarding

Hearing Aid Awareness. This was all part of a legislative lobbying initiative that is being undertaken in our mission to expand hearing aid-related healthcare coverage across New York State and participants had the opportunity to meet legislators and build awareness regarding this mission.

Currently in the United States only 20 states mandate insurance companies to provide hearing aid coverage to children, adults and seniors and New York State is not one of them.

Lions Clubs International Foundation

by Chancellor Bob Corlew

Lions, you may already know this, but you are leaders. You are leaders in service, you are leaders in kindness, and you are leaders in your community. Where there is a need, there is a Lion willing to step up and take on the job. Your community members look to you for strength when times are tough.

I, myself, have seen the courageous leadership of Lions time and time again during my travels, maybe most notably in the face of disaster. In Texas, USA, Lions showed up with force, making sure their neighbors had food and water after Hurricane Harvey took everything they owned. In Japan, I saw Lions begin to rebuild after flooding washed away their homes. In Ecuador, after an earthquake destroyed many, many homes, Lions stepped up to help provide housing for families, many given to families with single mothers or families who have children with disabilities. Lions restore hope and Lions Clubs International Foundation (LCIF) is there to empower their service.

LCIF has been there to help Lions boost their service and impact more lives, now for almost 50 years. Whether Lions see children who need help in school, families who do not have enough to eat, or neighbors who are losing their vision to avoidable diseases, Lions lead the way to providing care and LCIF helps them do that.

To help your fellow Lions impact more lives, consider making a donation to LCIF.

Lions Club International Centennial Challenge

BOILERMAKER 2018

By IPDG James Griffith

For nearly 100 years, Lion Clubs International have served their communities with dedication and contributed to the development and well-being of millions of people around the world. To celebrate our 100th anniversary, Lions Clubs International is asking to help reach their Centennial Service Challenge goal of serving more than 100 million people by June 2018.

Food Bank of Central New York provides food, nutrition education, and technical assistance to 364 programs including 262 emergency food programs in eleven counties.

I ran my first Boilermaker in 2004 and this year will make my 14th race. I am very pleased be running this year's Boilermaker for the Food Bank to help aid and assist in Lions Clubs International Centennial Service Challenge part to relieve hunger by improving access to healthy food for vulnerable populations in our communities.

Where there's a need, there's a LION!

The Food Bank's charity bib team is comprised of five volunteer individuals who have each pledged to raise at least \$500 for Food Bank of Central New York in return for a guaranteed spot in the Boilermaker.

Funds raised through charity bibs will support the Food Bank's Diabetes & You program and our Pantry Annex Cold Trailer (PACT) program. Diabetes & You is a collaborative effort aiming to improve the overall knowledge of food pantry guests living with diabetes or pre-diabetes by informing individuals about the disease, how to improve self-management, ways to reduce risk, and what foods encourage a healthy lifestyle. The PACT program, in partnership with the New York State Department of Environmental Conservation, will simultaneously address hunger and the environmental issue of food waste by increasing storage capacity for perishables at our partner agencies.

For more information on how to donate, the link below will take you to IPDG's donation page.

Albany & Troy Lions Club

By Lion Jerry Gordon

The general meeting was called to order at 6:00 PM by King Lion Carol. Our speaker was Lion John Griffin, the district Lions Quest chair. Lion John explained that Lions Quest is a social and emotional learning program with separate components for elementary, middle and high school. It is in use in over 90 countries. It provides the foundation for dealing with anger and frustration, preventing negative behaviors, and developing positive school behaviors that increase academic performance. Major areas addressed include drug, alcohol and tobacco awareness and anti-bullying.

Lion Jerry presented a Gold Centennial Award pin to King

...continued on next page

Lion Carol for increasing our membership during the past year.

Lion Jerry attended the Hearing Conservation Society meeting on April 30 and reported on the new Affordable Hearing Aid Program (AHAP) that the HCS is now offering. Also, their name has been changed from Lions Hearing Conservation Society of District 20-Y2 to Lions Hearing Conservation Society of NYS.

Board Meetings: Lion Ruth has posted the Rare Meat to Facebook.

Our installation dinner will be held at Van Schaick on June 6.

Maryanne & Jerry Gordon worked the first shift, and Paul & Laura Vergoni the second shift at the Health & Services Fair on April 29 at the Albany JCC. Much of the interest was in where to donate used glasses, but it was good to keep our name out in the community. As in previous years, we had literature from NABA and HCS as well as Lions.

Client "ML" had applied to us for hearing aids back in January. It got held up first in our discussion about what percent of poverty level we should accept for aid, and then LCIF pulled their program. Now that we have a new program, we will contact him and reactivate his application, if he still needs hearing aids.

We had concluded that income up to 200% of the federal poverty level was a reasonable cut-off. This turns out to be exactly what the HCS recommends for their new program.

Lion Ruth has processed one request for eyeglasses.

We received two separate requests to help send children to Barton and Joslin diabetes camps. We had previously helped one in 2016 and the other in 2017. We voted to donate \$200 to each.

We voted to donate \$225 to SSNENY for a tee flag at their golf tournament, \$500 to CampAbilities Saratoga, and \$100 to Lions Foundation at Albany.

In an email vote on May 10, we voted to contribute \$200 to sponsor a student at HOBY.

In an email vote on May 18, we accepted the membership application of Stefan Fosco, Au D.

Our next blood drive will be Monday, June 4, from 1-6 PM at the HolidayInn Express in Latham. We need volunteers:

→ To work at the registration desk and the canteen at the

drive,
→ And to donate blood.

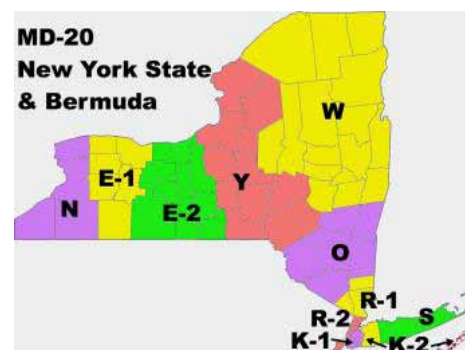

If you can do either or both of these, please sign up with Lion Carol at cquantoc@nycap.rr.com or 518-664-3901. Shifts will be from 1:00-3:30 and 3:30-6:00 pm.

Last year, six of us, along with Lions from ten other clubs, responded to the Saratoga Springs Lions' invitation to join them in their annual Flag Day Parade. It made for a strong Lions showing. Let's see if we can get more A&T Lions this year. See page 4 and please let Lion Jerry know whether you're able to join us.

There's a big change coming on July 1. For as long as all of us have been Lions, we've been in District 20-Y2

In order to meet LCI's requirements for the minimum number of clubs and minimum number of Lions in a district, the boundaries have been redrawn. Now we'll be part of District 20-W.
