New York State & Bermuda MD20
District 20W
District Governor Michele Puleo O'Hare

Greetings Lions of District 20-W!

Lions, let me start by saying how proud I am to be serving as your District Governor for the 2018-2019 Lions year. For over 100 years Lions have served their communities and impacted the lives of millions. My theme this year is "Move Forward, Treasure the Past and Welcome the Future" as we reach "Beyond the Horizon." We must make changes and come together for the future of Lionism and continue to serve our communities, our district, our state and our country. We need to embrace and learn from our past and develop a plan for our future. As Lions Clubs International President (IP) Gudrun Yngvadottir has stated, "We get creative and reach within our communities, clubs and selves to discover a new level of service."

IP Gudrun Yngvadottir has given us a plan to assist us in in developing our future this year:

What's going on with Club Reporting?

See page 20 for information on My LCI/My Lion.

...continued on next page

- Moving membership forward by inviting new members and keeping current members engaged;
- Increasing leadership development opportunities for all Lions and ensuring women have equal representation;
- Promoting the fellowship of Lions to increase member retention, growth and overall satisfaction; and
- Sharing our stories to show others in our communities and around the world the good Lions are providing.

I believe that key to this is the development of a strong orientation and leadership program for new and current members and is vital in keeping lions involved and motivated. We are fortunate to have a dedicated District Leadership Team and GAT Team that are here to assist you. Teamwork is a very important part in supporting your club. It is a “whole club” approach that can energize your club and move it forward. We are here to help your club succeed and grow. This year, our Cabinet meetings are open to all and will include educational programs that can assist Clubs to succeed. I will be sending each Club President our Districts Goals and Action Plans for the 18-19 Lion year that will help your Club in meeting IP Yngvadottir’s plan to reach Beyond the Horizon. These plans also include goals and action steps for developing new leaders at all levels in our District as well as promoting our youth through our Leos Clubs as we move forward and grow.

Once your membership is motivated and growing, we need to develop plans to ensure Community Satisfaction. We need to periodically re-evaluate and perform a community needs assessment to ensure that we are meeting the current needs of our community. IP Yngvadottir challenges us to add one new project per year within each club. This would mean that 47 thousand new horizons will be discovered and 11 million more people will be served. While we continue moving forward with our service projects in the areas of the Environment, Hunger Relief, and Vision, consider a new project in the areas of Diabetes or Pediatric Cancer. “Where there is a need, there is a Lion.” We serve!

By meeting the needs of our community, people will gain awareness of our clubs and will ultimately promote Membership. We need to share our stories and fundraising projects through local media, our newsletter, Facebook, etc. Throughout the year, I urge you to share your stories. This year, our communication team will be here to assist you in developing a marketing and communication plan. There will also be time at each Cabinet meeting that Clubs can share their best practices with each other. Clubs may be doing something other clubs have not considered.

I am excited to visit and to work with all the clubs in our wonderful district this year and to hear about your clubs, members, projects, questions and concerns. Invite someone to become a Lion. Tell our story and spread the word. Please remember our Lions legacy will grow as we “Move Forward, Treasure the Past and Welcome the Future” and reach “Beyond the Horizon.”

Sincerely Yours in Lionism,

Lion Michele P. O’Hare. MJF

MEMBERS CORNER

Hello Lions, Lioness and Leos,

I am PDG Lion Ed Stano. I am the Global Membership Team Coordinator for District W. We, Global Membership, Leadership and Service Coordinators, will be providing quarterly updates on an alternating monthly basis of our efforts throughout the District.

Please take note of the T in each of the Coordinators' title. It stands for Team. We as a group are not here to dictate to your clubs. Each club should now be set up with LCI's model club structure. This has a corresponding title, GAT, GMT, GLT & GST, in each club. These members make up our respective teams, along with anyone else that has a specific interest and wants to be involved.

Once I have information to contact all the club membership chairs, who are now designated as GMTs, I will contact them personally. I do have compiled information from LCI that I plan to provide to club GMTs. This is to give many options as to how you can approach new members as well as to keep your existing members. Each club has different challenges to gain members depending on geography, population, local needs, etc. I want to work with each club to try and maximize membership your way (LCI's your club, your way program). But I need your help to make this happen. We are now a new district. We are larger than either of our former identities. The District Governor and we, her staff, are committed to make District W a strong and vibrant example of lionism to everyone.

If anyone wants to contact me for any membership issues, this is my contact information:

LCICon LAS VEGAS, NEVADA

By Lion Barbara Bentley

Each year, more than 15,000 Lions from around the world gather together to celebrate at our international convention. The convention offers an ideal setting to reunite acquaintances and make new friends, learn about other club and district projects and make personal connections with international leaders and representatives. This year the 101st Lions international Convention was held in Las Vegas, from June 29th thru July 3rd. Here are some of the highlights.

Central Association for the Blind and Visually Impaired (CABVI)

LUCA AWARD RECIPIENT

By Michael Marrone

The Central Association for the Blind and Visually Impaired (CABVI) awarded Brian Daniels, Associate Commissioner of the New York State Office of Children and Family Services Commission for the Blind, the Luca Award at their annual meeting last month.

The Luca Award is awarded to an individual or organization that has made a significant impact on employment and upward mobility opportunities for people who are blind and visually impaired.

The award honors former CABVI Vice President of Manufacturing, Luca Esposito. Luca played an integral part in developing product lines that employ most of CABVI's blind and visually impaired workers. Employment growth under Luca's leadership went from a small sewing group of several people in the basement workshop at Court Street to well over 100 at the Kent Street manufacturing facility.

"Receiving this award in Luca's name, and having the impact to influence me from the first time I visited CABVI, means so much to me," said Brian Daniels. "He taught me that whenever you speak of jobs and blindness, you speak of them together."

Brian has been instrumental in providing employment opportunities throughout the state to individuals who are blind and visually impaired. He oversees all aspects of operations of the New York State Commission for the Blind, and supervises 140 employees in multiple locations throughout the state of New York. Brian is also Ex-Officio Director of the Empire State Employment Resources for the Blind and a member of the National Council of State Agencies for the Blind.

The Luca Award was presented by Ed Welsh, CABVI Board Chair, and Rudy D'Amico, CABVI President and CEO.

If you've got a good memory, or a collection of old district directories, I need your help.

I'm trying to identify the home club (the club they belonged to when they became DG) of all the PDGs in 20Y from 1938-39 to 1959-60, and in 20Y2 since 1960-61. You can find a list of them on page 15 of the current 20Y2 directory, which is available on line at 20y2lions.org/directory/directory.pdf

I have this info for all the living PDGs and some of the more recent deceased ones. I need it for 1989-90 and earlier. Even if you only know one or two, please email whatever you've got to jerrygordon@juno.com or call me at **518-235-8232**.

Thanks for your help.

Clinton Lions Club

By Lion Jim Winkler

It's hard to believe this is the final month of the Lion year. We've been busy finishing up our 2017 – 2018 activities while beginning with preparations for July's activities.

Early in June we presented financial awards to five graduating seniors in two area school districts - our own Clinton Central School District and neighboring Waterville Central School District. At Clinton, we honored two graduating seniors with \$500 Lion Nate Meyer Service Awards and two graduating seniors with Alpha Leo Officer Awards. The Lion Nate Meyer Service Award was named in memory of one of our members who passed away earlier this year and the Leo Officer Awards went to two seniors who served in leadership positions in our Middle School Alpha Leo Club in our district.

On the first Wednesday of the month two of our members represented the club by attending the monthly networking breakfast of our local Chamber of Commerce. This month the meeting was held at the Clinton United Methodist Church

...continued on next page

(CUMC) and the major topic discussed was the Rise Against Hunger Campaign focused to eliminate world hunger by 2030. This year 40,000 meals will be packaged by volunteers from our area on September 29. We plan to participate and contribute financially to procure the necessary ingredients. These meal bags will be prepared in an assembly line procedure and prepared for shipping all in one day.

Six members have begun picking up donated items for our upcoming annual Garage Sale the first week end in August. The items are being stored in seven locations throughout the Town of Kirkland until we can transport them to the Clinton Arena sometime shortly after July 4th. To date it appears we not only have more merchandise than last year, but the merchandise is of a higher quality and in better shape. One of our challenges this year will be to clean up as quickly as possible after our sale since the NHL will be coming to the arena on August 7 to replace the sideboards in preparation for a pre-season game between the Buffalo Sabres and the Columbus Blue Jackets in September as a result of our village winning the Kraft Hockeyville nationwide contest earlier this year.

The Central Association for the Blind and Visually Impaired (CABVI) in Utica obtained a \$100,000 Matching Funds Grant from LCIF to finance state-of-the-art low vision equipment for their multi-million-dollar facility expansion. To assist in meeting the matching funds portion of the grant we presented CABVI with a contribution of \$1,250 the end of June. In addition, other contributions were made to the American Cancer Society (\$100), the Lions Eye Bank at Albany for a quarter page advertisement in their upcoming Golf Tournament Program Book, Freedom Guide Dogs (\$350), Clinton Fire Department (\$200), Clark Mills Fire Department (\$200), District Hearing Conservation Society (\$125), PDG James Griffin toward sponsorship of his Charity Bib in the upcoming boilermaker 15KM Race in July (\$100) and our local Food pantry (\$500).

We continue collecting used eyeglasses from previously established businesses throughout our community and assisting on distribution day at our local food pantry by greeting consumers as they arrive, packing food orders and transporting bags to their vehicles. This month approximately 400 individuals (188 families) received supplemental nutritious food for the next month.

Our last meeting of the year was held at our local Fire Department Picnic Pavilion. At the meeting we presented Perfect Attendance Awards to seven members, Service Excellence Awards to ten members and inducted a new member, Dorothy Gokey into our club. In addition, Lions Les LaBrecque and Lion Gordon Reitema were named Co-Lions of the Year for 2017 – 2018 for their overall service to the

club, primarily as it relates to our annual Garage Sale. Finally, two Robert J. Uplinger Distinguished Service Awards were awarded - one to Clinton Tractor & Implement Company/the Calidonna Family for their many contributions and support of the Utica community and the second to eleventh grade student Blake Hook. Blake has assisted our club for many years in parades, fundraising activities, distribution day at our local food pantry and most recently as a cook at our club's annual picnic and our club-sponsored Senior Citizens Picnic each July. Blake is the grandson of Lion Jim Winkler.

As summer commences and most clubs take a bit of a respite, we hope everyone enjoys the warmer weather and longer days. Stay safe and should your clubs conduct service activities in your communities during the upcoming months, we wish you every success!

In your travels, if should you find yourselves in the Central New York area August 2nd, 3rd, or 4th stop by our Garage Sale at the Clinton Arena in the Village of Clinton... we've got something you can't do without!

Installation dinner

On June 6, we held our annual installation dinner at Max410 restaurant at Van Schaick Island Country Club. Our thanks to Lion Maryanne for resurrecting her infamous bag-game ice-breaker, which, as always, is a big hit. She closed the evening by getting us all to participate in a pun-ishing collection of punnery. (Sample: No matter how hard you push the envelope, it's still stationery.)

Lion Chris gets an RJU.

In between, Lion Bill Suchy, board chair of the Lions Eye Institute and Lions Foundation at Albany, inducted new member Dr Stefan Fosco, presented a Knight of the Blind to Lion Paul Vergoni and installed our new officers. Lion Jerry presented appreciation awards to Lions John Bianco and Elena Watson and a Robert J

District & Club Resources

What is MyLion?

MyLion is Lions Clubs International's new digital service platform for all Lions and Leos. MyLion is available in two formats:

- **The MyLion app is a mobile phone application** that you can download on your smart phone. It was gradually released starting in 2017 and is available everywhere outside of the European Union.
- **MyLion on the web is the next major MyLion application and is a website** that you will be able to access on any device with a web browser. MyLion on the web will be gradually released over the next few quarters.

When will I have access to MyLion on the web?

Over the next few quarters, Lions Clubs International will work with our Global Action Team leaders to gradually release MyLion on the web to ensure there is adequate time for testing and training.

Why are we gradually releasing MyLion on the web?

By gradually releasing MyLion on the web we can:

- Focus on one region at a time and provide advanced notice and support to MyLion users.
- Collect and methodically apply feedback.
- Ensure that every member has adequate time to learn the MyLion system before transitioning service activity reporting from MyLCI to MyLion.

Where should I report my club's service activities right now?

You should continue to report your service activities on MyLCI or your local reporting system until your region received MyLion on the web. We will communicate well in advance when MyLion on the web is available for you to test in your region.

Where can I learn more about the MyLion app and eventually MyLion on the web?

Our website www.mylion.org has tools, training resources, blog posts, and more related to the MyLion app. We will update it with content related to MyLion on the web as we begin to release the platform. www.mylion.org is your main, easy to navigate resource for all things MyLion.

When will the MyLion mobile phone app be released in the European Union?

We are working diligently with our partners in the EU to meet the requirements of the General Data Protection Regulation (GDPR). We will release the MyLion mobile phone app to European Union countries when we feel confident that the MyLion mobile phone app meets these requirements.
