New York State & Bermuda MD20
District 20W
District Governor Michele Puleo O'Hare

Greetings Lions of District 20-W!

It is such a pleasure to be able to visit so many of you at your Club meetings around our District. I am greeted so warmly and have enjoyed every visit I have made so far. It is very exciting to hear the various projects and activities of the Clubs. Thank you for making my job so enjoyable and rewarding.

Please be sure that your President or Secretary are keeping MyLCI updated with your membership and service activities. Last year, on a worldwide basis, only 65% of Clubs were reporting their activities – let 20-W be the District that has the highest participation rate. Also, if your Club has a newsletter, please email or mail a copy to me. I enjoy reading them and learning about your Club and your service activities.

*The new
District W
website is up
and running!*

...continued on next page

This year our cabinet meetings will have less report reading and be more of an educational program. **Our first cabinet meeting will be in Tupper Lake on Saturday, September 29th.**

All Club Presidents and Secretaries are active members of the District Governor's Advisory Committee of the zone where your club is located. The Zone Advisory Committee meets quarterly. Please send your club's plans for membership, programs, service and fundraising projects to your Zone Chairs. Their contact information is listed in every newsletter. The Zone Chair reports are due to Cabinet Secretary Rita Ware by September 17th so that they can be distributed prior to the cabinet meeting.

The 2018-19 District Directory will be distributed at the cabinet meeting. After the business portion of our meeting we will focus on "How Can the GAT Team Help Your Club To Succeed" and PDG James Griffith will speak about Gen Z and how potential young new Lions and will affect our Clubs makeup, our meetings, etc. There will also be a presentation on 20-W's Hearing Conservation Society. We will end our meeting with an open discussion where Lions can share their best practices for recruiting new members and service projects.

We can learn so much from each other and this is a great time for fellowship and sharing the best of what we do – **We Serve. These meetings are open to all Lions and I encourage you to attend.**

I also would like to report that we had our first council meeting in August in Corning, New York. The Council meeting is an opportunity for all the District Governors in New York, acting as the Board of Directors for the Lions of NY State and Bermuda, to meet and discuss issues affecting all our members and share ideas. We realize many issues are not unique to just our own District. It is an opportunity to brainstorm ideas, work together collaboratively, and come up with solutions that strengthen our District and Multiple District 20.

On Saturday, November 3rd we'll host our Fall Convention at the Holiday Inn in Saratoga Springs. Past International Director Rod Wright and his Partner in Service PDG Paula Beach will be addressing the Convention. IPDG John McDonald is our Chairman for our event. We will be hosting educational sessions at the Convention centering Service and specifically on Diabetes Education and Awareness. More information regarding hotel reservations, etc. will be forthcoming.

As you know my theme this year is **"Move Forward, Treasure the Past and Welcome the Future"** as we reach **"Beyond the Horizon"**. As Lions Clubs International President (IP) Gudrun Yngvadottir has stated, "We need to channel the current, pursuing a new course is never easy. Achieving the service that lives beyond the horizon will require Lions to reach within their clubs, communities and selves. This means developing new resources, renewed motivation and a clearly defined strategy. Your Club President will be receiving a survey that I am asking you to complete as a Club by the end of October to develop a strategic plan for 20-W that will assist us to move **"Beyond the Horizon."**

My schedule for September includes the following visitations: September 4th the Norfolk Club and the Potsdam Club, September 6th the Northville Sacandaga Club and September 26th the Newcomb Club. I am excited to be attending the 2018 USA/Canada Lions Leadership Forum with several Lions from 20-W. We will be sharing what we learn with you in the near future.

As always, my team and I cannot do this alone and neither can any president in your clubs. We truly all make this great humanitarian service organization work together: serving people and serving each other. So, please know, my door is always open to everyone for suggestions and new ways to approach things. Because I want to know what's happening with each club, I plan to be communicating with club presidents and secretaries, region chairs, zone chairs, committee chairs and PDGs regularly via email. I encourage you also to **contact me at 518-694-6872 or by email by my new email address dgmicheleohare@gmail.com.**

Sincerely Yours in Lionism,
Lion Michele P. O'Hare. MJF

11:30 AM – 12:30 PM “Digital Native to Digital Influences”

PDG James Griffith, this post-millennial cohort, Gen Z is coming. Ranging in age 8 to 22, they are becoming the next generation to bring systematic change. Gen Z grew up during the evolution of Apple and Samsung products, known currently in the industry as digital natives because of integration with development of social media platforms and apps. They are now using their knowledge to become digital influencers to share their values with similar individuals through online platforms and applications. How will this affect your Clubs makeup? What will it mean for standard Club meetings? Why does influencing matter when it comes to service? **Regional
Food Bank**
OF NORTHEASTERN NEW YORK

Anthem.

Nearly one billion people go to bed hungry every night. That's why Lions and Leos are hard at work addressing this global need by providing help and hope to the children, families and neighbors who need it most. Lions and Leos distribute food to schoolchildren, stock food banks, create sustainable community gardens and lead community food drives to fight hunger where they live and work. We work to sustain life and dignity for the most vulnerable among us!

Lions District 20-W will once again support Lions Clubs International Lions-Anthem Volunteer Days events in our region with projects benefiting the Regional Food Bank of Northeastern New York. Each fall Anthem Volunteers, through a partnership with Lions Club International, have engaged Anthem volunteers alongside Lions to achieve over 12,000 hours of service in 75 projects across the country since 2015.

The Regional Food Bank is the only organization of its kind in northeastern New York. The Food Bank:

- Has been helping to feed the poor and hungry in our communities since 1982.
- Collects large donations of food from the food industry and distributes it to charitable agencies serving hungry and disadvantaged people in 23 counties.
- Provides over 35 million pounds of food a year to 1,000 agencies from Plattsburgh to Newburgh, in urban, rural, and suburban communities.
- In partnership with the Patroon Land Foundation, is developing a self-sustaining farm that grows large quantities of high quality vegetables every year. Currently, the Farm has grown over 1,000,000 pounds of diverse, fresh produce!

This year we have two projects scheduled that we would love our Lions members and friends to lend a helping hand at!

- **Patroon Land Farm; Saturday October 6, 2018; 9 AM – Noon - (Rain Date is 10/13/18)**
132 Ketcham Road, Voorheesville, NY 12186
We will work on harvesting produce at the Farm. Closed-toe sturdy boots or shoes are recommended. In the event of rain, indoor work may be available depending on the Farm's needs.
- **Regional Food Bank; Saturday November 10, 2018; 9 AM – Noon**
965 Albany-Shaker Road, Latham, NY 12110
We will work on the Warehouse Dock and Salvage Room.
