**NEXT ROAR DEADLINE
JUNE 28, 2019**

**NEXT MD20 MAG. DEADLINE
JUNE, 2019**

Greetings Lions, Lionesses and Leos of District 20-W,

As we come to the end of the 2018 -2019 Lion Year, I want to thank you, the Lions of District 20-W, for giving me the opportunity to serve you. This has been the most fulfilling year of my 10 years as a Lion. I look forward to my new role as your Immediate Past District Governor and in continuing my service as a member of our district leadership team. I will continue to give my support and service to my Club, the District and Lions Clubs International. You are in good hands with District Governor Elect Ed Pike and Vice District Governors Rick Brisee and Ricky Laurin. Please give them the warm welcome and support you gave me so our district can grow and be able to meet the call when asked to serve.

I want to thank our dedicated and supportive Leadership Team (The Cabinet, the GAT Team, the Communications and Marketing

Team, our PDG Advisory Team, and our LCIF Coordinator.) These Lions communicated frequently and worked together as a team to make decisions during the redistricting based on the best outcomes for our District. I also want to thank Cabinet Secretary Lion Rita and Cabinet Treasurer Lion Kevin for their years of service. I will be eternally grateful to all of you for all your hard work, insights and the guidance you provided to me this year.

We also had a wonderful year as far as membership and service is concerned. At the State Convention, we received a MD-20 PDG Organization Membership Growth Award, the MD-20 Presidents Trophy which recognizes the District that has achieved the highest percentage of new member growth, and the Multiple District 20 Past Directors Award which recognizes the District that has achieved the highest percentage of membership retention. Thank you for the service that each of your Clubs provided to your communities. Congratulations to all of the Lions in District 20-W for a job well done.

I want to thank the 121 Lions who answered our District Strategic Plan Survey. Your Club will receive copy of the results and plan in June. Our focus will continue to be on providing service to the communities we serve, a commitment to growth, building future lions clubs, and providing leadership opportunities within the district and beyond.

At our testimonial luncheon in May we recognized many great Lions. You will see their names and photos in this newsletter. When you have the opportunity, please congratulate them for a job well done.

Our theme this year was “**Move Forward, Treasure the Past and Welcome the Future**” as we reach “**Beyond the Horizon.**” We made changes and came together for the future of Lionism and continue to serve our communities, our district, our state and our country. We embraced and learned from our past and developed a plan for our future. IP Gudrun Yngvadottir provided us a vision for the new century:

Moving membership forward by inviting new members and keeping current members engaged;

Increasing leadership development opportunities for all Lions and ensuring women have equal representation;

Promoting the fellowship of Lions to increase member retention, growth and overall satisfaction; and

Sharing our stories to show others in our communities and around the world the good Lions are providing.

Together we excelled in realizing this vision.

Thank you again and if I can ever do anything to assist you, please feel free to contact me. It has been an experience of a lifetime. THANK YOU ALL!

Sincerely Yours in Lionism,

Lion Michele Puleo O'Hare

Broadalbin-Perth Lions Club

STUDENT RECOGNITION

By Lion Val Kevlin

The Broadalbin-Perth Lions Club, a local club of LIONS International, held their Community Service Recognition meeting at The Bridge Walk, Perthshire. Each year the BP LIONS Club awards to a graduating Senior from Broadalbin-Perth and Mayfield Central Schools an award that recognizes these students for their service to their communities through the schools, churches and volunteer organizations. This year each Student received an award of \$1,500 for their distinguished service. The award recipients are Richard Kaufman from the Broadalbin-Perth Central School and Amy Laubenstein from the Mayfield Central School District. These two individuals were selected from several nominations submitted by each school. A LIONS Club nomination committee reviewed each submission anonymously and the winners were selected based on their overall commitment to the LIONS mission of "We Serve". Special recognition was given to Adirondack Wood Floor Co., NBT Bank, Hudson River Tractor Co., M&J Landscaping, Jankowski Insurance and Shults Insurance Co. for their financial support of this

Albany & Troy Lions Club

By Lion Jerry Gordon

General Meeting

In President Carol’s absence, secretary Jerry conducted the meeting. Greg Sheldon, our newly transferred Lion, was supposed to be our speaker, but he was called out of the country for a last minute emergency. Instead, his fiancée Jodi spoke about the work they do with small farmers in Ecuador who produce cacao beans. They are trained to turn the beans into excellent chocolate that she buys and brings back to this country to make into chocolate bars that are sold to raise funds for their Eden’s Rose Foundation, which is helping to provide healthy food, clean water and medical assistance to needy children.

Board Meetings

Treasurer’s report stated that \$500 was transferred to the charitable fund. Jerry presented the treasurer with \$61 received from recycling ink cartridges.

Membership: 4 potential members

Fund raising: We will again participate in Boscov’s friends helping friends and send each member a number of coupons to sell.

Eyeglass collections: 4000 pairs sent this month, bringing the total to 17,000 for year.

...continued on next page

Hearing Aids: 110 pair turned into Hearing Conservation Society, who will recycle them.

LCI and Anthem joined forces to volunteer at the food bank. Lions Jerry, Ruth and John represented our club. Another joint day will be held in the fall.

LCI is looking for a project for Sept/Oct that they will fund up to \$1500, working in conjunction with Anthem. Jerry asked for a committee to come up with a project idea. The RFP is due 6/14, so we'll have to move quickly. Paul, Chris, John, Greg, Michael and Ruth volunteered to serve.

Health Fair May 19th: The Gordons will work at it.

Bikes for the Blind: Shawn may have found bike storage and has 3 bikes promised to him. Saratoga club will let us borrow their Camp Abilities bikes and will deliver them and stay and be part of the project. A committee will be formed to work on this.

Ursula volunteered to try and find a place for our June installation banquet.

Ruth is trying to come up with a new eyeglass program. We voted to pick up a \$50 co-pay charge for a special diabetic eye exam.

The Sight Society requested a donation for their golfing outing. Tom made a motion to give \$225, which will get us a tee sign and a 1/4-page ad in their program book. Seconded by Paul and passed.

HOBY: \$200 was authorized if we get any requests this year.

Hearing loop will be paid for by the Colonie library.

Lion Ruth is working with Camp Abilities to determine an appropriate use for our \$1000 donation.

Clinton Lions Club

By Lion Jim Winkler

At our first meeting in May, in addition to discussing some of the remaining service projects and donations we have left to accomplish for the remainder of the year, we recognized Clinton High School Senior Jessica Ritz as our Student of the Month. Upon graduation, Jessica will be entering a five-year co-op program in bio-engineering with the intent of a career in medical research specializing in the area of prosthesis. In addition to excelling in the academic field, she participates in the High School Marching Band and holds a second-degree black belt in martial arts. She was accompanied by her parents, who mentioned how much they had learned from the topics we discussed. We wish her the best in her future endeavors!

Lion Les LaBrecque honors CCS senior Jessica Ritz with Student of the Month Certificate.

One of the topics discussed at our first meeting was the upcoming 38th annual Regional Lions Journey for Sight. Mother Nature hasn't been the nicest to us in the past few years, but on Saturday May 18 we couldn't have ordered a better day! Members from our club joined with members from five other Lions organizations to enjoy the weather, camaraderie, music, food and prizes while we raised money from corporate sponsors, advertising and pledges for our individual journeys around the quarter mile track at the Sauquoit Valley High School. Approximately 150 walkers participated and together the clubs raised over \$14,000. In keeping with International's new initiative regarding Diabetes Awareness & Education, all participants were invited to take a hardcopy quiz which allowed them to self-evaluate their propensity toward pre-diabetes. The document also contained steps for the prevention of diabetes and descriptions of the various categories of the disease. They were encouraged to take extra copies for relatives and friends and given options to follow if their individual scores showed them to be at risk for the condition.

In lieu of our second meeting of the month, we joined members from the Sauquoit Valley Lions for a very informative visit to Mercy Flight Central Critical Care in the Air. This non-profit

...continued on next page

organization was founded in 1992. It provides critical care air medical services to residents - 365 days a year, 24 hours a day. Central includes bases in Canandaigua, Marcellus and Rome/Oneida County, NY.

Clinton and Sauquoit Valley Lions met jointly with Mercy Flight Central Critical Care in the Air Med Evac Services personnel at Griffiss Business Park (formerly Griffiss AFB) in Rome, NY on May 23, 2019.

We visited the one located presently at the Griffiss Business Park (formerly Griffiss AFB in Rome, NY). During the visit we were divided into three small groups and spoke with the pilot, flight nurse and para-medical presently on duty. They described their duties and responsibilities as part of the team and answered any questions posed by the groups. In 2018 the organization responded to 250 on-scene requests, 85 inter-facility requests, 20 on-scene transports and 45 inter-facility transports. To assist in some small manner, we made our second \$250 donation of the year toward their efforts. Having listened to the personnel, training they go through and their dedication to their occupations, it's comforting to know Mercy Flight Central is available when needed!

Three members attended the annual Kiwanis Community Prayer Breakfast held at the Lutheran Care Homes. All organizations in the community are invited to attend. After breakfast each organization is invited to give a brief synopsis of their organization or any special projects that are upcoming. We again distributed the Diabetes self-evaluation "At Risk Quiz" document to all participants. The Keynote Speaker was the Mentor Coordinator of the Young Scholars Liberty Partnership Program located at Utica College in Utica, NY. The program, established in 1993, is designed by educational professionals to motivate diverse and talented students to remain in school, earn a NYS Regents Diploma and graduate college and career ready. Students appearing to possess academic potential, but who may not achieve their full potential due to social and economic factors are nominated for this program. They are mentored year-round in such areas as academic support, counseling, community service, enrichment activities, college and career exploration and parent education. The program seeks to enrich our local and world community by motivating students to achieve college and career readiness for life-long success.

We continue our monthly assistance at the Country Pantry on Distribution Day (this month 272 families were provided

supplemental food) and collecting used eyeglasses and hearing aids for recycling. This month we have earnestly begun collecting donated merchandise for our upcoming annual Garage Sale in August.

On Memorial Day we joined the rest of our local community by participating in the Town's annual parade. Once again, Mother Nature elected to favor us as we were blessed with a gorgeous morning. The parade was followed by a ceremony in our Village Green where flags and flowers are placed on monuments representing the deceased of the community who gave their lives in the various wars and conflicts in which our country has been involved. This year, our club's own Lion Les LaBrecque, a member of our local American Legion, planned the event. His son, Army Lt. Colonel Mike LaBrecque who has served five tours of duty in Afghanistan and Iraq, was the keynote speaker. Mike didn't disappoint his Dad or his community & delivered an inspiring message! Nice job Mike & Les... and Mike thanks for your service!

Hopefully we all took a moment to remember those who made the ultimate sacrifice that we may enjoy what we do today...

Malone Lions Club GREAT CLUB FUNDRAISER

By Lion Harry Gardner

For many years the Malone Lions has enjoyed the cooperation of the Franklin County Department of Motor Vehicles in making license plate fixtures available to their clients. We obtain a bolt and nut combination (LPB 3-X and #477 LP screws) from a cooperating auto parts dealer. We assemble the nuts and bolts and count them and the screws into bags of 100 each and deliver them to the Motor Vehicle Department as needed.

The DMV personnel distribute them on the service counter. We ask for a donation of 25 cents each / benefit of Malone Lions Club. We collect the accumulated funds upon the next requested delivery, hoping that "disappearance" is minimal. Also, profits go down as the cost of the hardware goes up.

Our scholarship program of \$100 each to 12-14 area high school seniors is largely supported by this project's income. As Lions would expect, these small awards are given in recognition of "service" to school and community.

If you would like more information regarding this project, please contact me at Lion Harry Gardner at PO Box 43, Constable, NY 12926.

Sauquoit Valley Lions Club

By Lion John Griffin

At our May 9th meeting Sauquoit Valley Central School District Superintendent Ron Wheelock presented information on the school budget for 2019-2020. He also addressed the group on progress of the recent Capital Project being undertaken at the school.

The Sauquoit Valley Lions joined other Lions and Lioness Clubs in the area for the 2019 Region L Lions Journey for Sight on 5/18/19. The event, which was held at the Sauquoit Valley Central School High School track, raised over \$14,000 in revenue for local Lions and Lioness Clubs. It was a beautiful day as representatives from the Clubs, the Utica Council for the Blind, the Central Association for the Blind and Visually Impaired (CABVI) and the Proctor ROTC participated. Local Lions Clubs taking part included Clinton,

Marcy Telephone, New Hartford/NY Mills/Whitestown, Sauquoit Valley, Utica and the New Hartford Lioness Club. Regional Chair Jim Winkler kicked off the event which included a 5k walk, food, drinks, music and prizes.

On May 23rd, sixteen Sauquoit Valley Lions joined the Clinton

Lions in a visit to the Mercy Flight Central helicopter facility at the Rome Air Base. Mercy Flight Central was founded as a non-profit in 1992 to provide air medical services to residents of New York State and beyond. Since inception, the organization has served more than 14,000 patients and grown to approximately 70 employees. The organization began operations as an advanced life support air ambulance service

and has since expanded to become New York's premier critical care air medical service with four helicopters and is staffed 24/7/365. The Lions in attendance met with Mercy Flight Central EMT's who explained the breadth of medical support they are able to provide those in need. Everyone enjoyed pizza and wings at the facility following the tour.

What is MyLion?

MyLion is Lions Clubs International's new digital service platform for all Lions and Leos. MyLion is available in two formats:

- The MyLion app is a mobile phone application that you can download on your smart phone. It was gradually released starting in 2017 and is available everywhere outside of the European Union.
- MyLion on the web is the next major MyLion application and is a website that you will be able to access on any device with a web browser. MyLion on the web will be gradually released over the next few quarters.

When will I have access to MyLion on the web?

Over the next few quarters, Lions Clubs International will work with our Global Action Team leaders to gradually release MyLion on the web to ensure there is adequate time for testing and training.

Why are we gradually releasing MyLion on the web?

By gradually releasing MyLion on the web we can:

- Focus on one region at a time and provide advanced notice and support to MyLion users.
- Collect and methodically apply feedback.
- Ensure that every member has adequate time to learn the MyLion system before transitioning service activity reporting from MyLCI to MyLion.

Where should I report my club's service activities right now?

You should continue to report your service activities on MyLCI or your local reporting system until your region received MyLion on the web. We will communicate well in advance when MyLion on the web is available for you to test in your region.

Where can I learn more about the MyLion app and eventually MyLion on the web?

Our website www.mylion.org has tools, training resources, blog posts, and more related to the MyLion app. We will update it with content related to MyLion on the web as we begin to release the platform. www.mylion.org is your main, easy to navigate resource for all things MyLion.

When will the MyLion mobile phone app be released in the European Union?

We are working diligently with our partners in the EU to meet the requirements of the General Data Protection Regulation (GDPR). We will release the MyLion mobile phone app to European Union countries when we feel confident that the MyLion mobile phone app meets these requirements.
