District Governor's Message

Hello, Lions, Lionesses and Leos of District 20-W,

This has been a 20-year Lions journey for me to become District Governor. I am very excited and honored to be your DG. As a newly merged district we have gained many great Lions and clubs. The result of this redistricting has proven to be a successful partnership. Your leadership team will continue to work on a long-term strategic plan that will benefit all Lions in 20-W. My message for this year is "working on the future together." Using our global action team to help with service, shared leadership and membership, we will be preparing for tomorrow. This will be an interactive year. Our cabinet meetings and our fall convention will all have a hands-on element. My club visitations will include an open discussion time. I will provide each club with a list of suggested items for discussion. My focus will include motivating members for self-education. Lions Clubs International wants each individual and club to succeed. There is a large assortment of educational materials and training that is available. As a district we will be sending four to six Lions to some great leadership schools every year. I have benefitted greatly from these educational opportunities. Education and experience are key to being prepared for the future.

Thank you,
DG Ed Pike

Let All Our Lights Brighten the Darkness

Greetings, Lions!

It is my great pleasure to address the Lion community for the first time as your International President.

As we enter a new Lion year I have high hopes for us. My focus during my presidency is on fostering diversity in service. After all, there are more than 1.4 million Lions around the world, and each of us is unique. And every one matters. This means that we have to do more than just recognize what makes us different. We have to embrace it.

There is a path I walk in my hometown of Busan, South Korea. I wake up early, before sunrise, and walk. It clears my head, and it's good for my spirit. I particularly enjoy watching the change from darkness to light. When I begin the day I am in the dark. As I walk, my mind clears and the sky brightens. Over the course of that walk, how I see the world is, literally, transformed.

It's always interesting to see something from another vantage point, whether it's in a new light or from someone else's perspective. Often, you see things you couldn't see before. Let your fellow Lions and your community be the sun. Let them shine light on what you may not have seen. You may not agree with how they see things, but only by looking at things clearly in the light of day can we hope to find common ground.

And perhaps among all those points of view you'll be able to see solutions to issues your community faces that you hadn't been able to see before. I truly believe that by embracing diversity we will grow-as Lions and as people.

Here's to the beginning of a new year of serving through diversity.

Dr. Jung-Yul Choi
President, Lions Clubs International

20-W GLOBAL MEMBERSHIP TEAM

GMT Mission Statement

The GMT Coordinator's job is to provide guidance and support to the clubs while also acting as a resource for them. This also includes working with Lions Clubs International and the Multiple District GMT Coordinator to express the needs and problems that the clubs are having in acquiring new members and keeping existing members.

The above purpose is accomplished by a team effort among Club Membership Chairs, Zone and Region Chairs and the GMT Coordinator. The clubs' GST and GLT should also be an integral part of the Team. Leadership, Service and Membership are all parts of the same effort. We all should be trying to develop strong leadership, active community service and stable and increasing membership.

20-W and 20-Y2 PAST DISTRICT GOVERNORS

Historical Note: From 1921-22 to 1937-38, there was only one DG for the state of New York. In 1938-39, there were five DGs (N, Y, S, L, A). In 1949-50, there were eight DGs (N, E, W, Y, O, R, K, S). District Y2 was added in 1960-61, K2 in 1962-63 and E2 & R2 in 1973-74. In 2018-19, Y1 merged with Jefferson and Lewis counties from District W and was renamed District Y. The remainder of District W merged with District Y2 and was called District W.

If you can supply the home club for any of the Y-2 PDGs for whom it's missing, please send an email to directorychange@20wlions.org or call Lion Jerry Gordon at 518-235-8232.

NOTES

LIONS ETHICS

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's: to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

To hold friendship as an end and not a means. To hold that true fellowship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

To aid my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be careful with my criticism and liberal with my praise; to build up and not destroy.
