GARY F. BROWN

International Director 2018-2020

FIRST VICE PRESIDENT – As I am sure you are aware by now, our very own PID Doug Alexander was appointed by the International Board of Directors to fill the remainder of the late Judge Haynes Townsend's term as LCI First Vice President. What an honor for First Vice President Doug and all of us here in MD 20. We know he will do a fabulous job.

Every one of us needs to be aware, however, that he does not automatically become the Association's president in Singapore. He must stand for election to that next office. There may well be other candidates who seek to run against him. Our job now is to spread the word about First Vice President Doug with our Lions friends. They need to know what a terrific president he will make. If you can't come to Singapore, please spread the word any way you can. MD 20 is very fortunate. We currently have the Association's First Vice President, a Past International President and a sitting International Director. Let's do all we can to add another Association president to that list.

PROPOSED DUES INCREASE – The International Board in October, 2019 approved a proposed dues increase to be on the ballot in Singapore. The proposed increase is a flat \$3 to take effect in June, 2021 along with an annual automatic inflation rider thereafter of no less than 1.5% nor more than 3% based on U.S. inflation. This will be on the ballot in Singapore. However, there is substantial resistance to the open-ended inflation rider portion of the ballot item. The ballot item will be further discussed at the April Board meeting. It may or may not be amended but several Multiple Districts have voiced their concerns about the rider. I will keep you posted.

NAMI (NORTH AMERICAN MEMBERSHIP INITIATIVE) – This initiative has shown promise in the nine pilot Districts. At the DGE School next month in St. Charles it will be offered to any incoming District Governor who signs up. The rub is that: They must actively sign on to the program. It is not automatic. There are substantial benefits to those who choose to participate. Please encourage your incoming District Governor to get on board. There is nothing to lose and everything to gain for the District.

DISTRICT CONVENTION DATES – I again ask the First (and Second) Vice District Governors to share with me the exact dates of your District conventions as soon as you have them so I can get you an International guest. Speaker requests fill up fast, so the sooner the better.

A Simple Reflection: Haynes Townsend. Art Peck. Keith Countermine. Marlin Nohle. The list goes on. This is just a small sample of the Lion leaders we have recently lost. I am sure you and I both know of others. Unfortunately, too many to list here. My point is simple. For every leader we lose, we need to find a replacement. It's the sign of a healthy organization and one that pays homage to those who paved the way. These are challenging times for us. In times like this I always revert to Helen Keller's wisdom: "Alone we can do so little; together we can do so much."

Always know that Lion Barb and I appreciate the support.

NOTICE OF MD20 SPECIAL CONVENTION

Saturday, March 28, 2020

DoubleTree Hotel

225 Water Street

Binghamton, New York 13901

Certification and Voting 11:00 a.m. - 2:00 p.m.

January 18, 2020

Dear MD20 Lions:

The appointment of Past International Director Douglas X. Alexander as First Vice President of LCI to fill the vacancy created by the unfortunate and untimely passing of First Vice President Judge Haynes Townsend is a source of great pride for the Lions of MD20. According to the LCI Constitution & By-laws, FVP Doug will need to stand for election to the position of President at the International Convention in Singapore. That election will be open to any past or current international director who declares their candidacy in writing by April 28.

To demonstrate to the Lions of the world that he enjoys the full and unqualified support of the Lions of his home multiple, FVP Doug intends to secure the endorsement of his sub-district, 20-K1, as well as that of MD20, within the time frame ordinarily permitted for an international officer candidate. FVP Doug will satisfy this first goal at the District 20-K1 convention on February 15. The second goal, an MD20 endorsement, must be accomplished by way of a special convention for that purpose held on or before March 30. Such a special convention will **not** take the place of the annual MD20 convention scheduled for Buffalo, NY from May 1-3, which will move forward as planned.

Accordingly, pursuant to its authority under Article VII, Section 5 of the MD20 Constitution, **NOTICE IS HEREBY GIVEN** that the Council of Governors has approved the convening of a special convention of the Lions Clubs of New York and Bermuda for the purpose of an endorsement of International First Vice President Douglas X. Alexander to the office of President of Lions Clubs International, said special convention to be convened on Saturday, March 28, 2020 at the DoubleTree Hotel, 225 Water Street, Binghamton, NY with certification of delegates and voting to take place between 11:00 a.m. and 2:00 p.m.

Each Lions Club in good standing within MD20 is entitled to a prescribed number of delegates as determined by LCI after examining membership history on file with LCI as of February 1, 2020. That number will appear on delegate forms that will be circulated to clubs under separate cover. Only clubs that have satisfied all dues obligations to Lions Clubs International and MD20 by March 13, 2020 will be permitted to certify delegates to this special convention.

Yours in Lionism,
PDG Anthony W. Paradiso, Chair
MD20 Constitution & By-laws Committee

The Brandel - Murphy Lions Youth Foundation

Our Mission: "To provide assistance to children in need, throughout the state of New York and the country of Bermuda, through partnerships with Lions and other organizations, by supporting programs that will improve the lives of those served."

The Brandel-Murphy Lions Youth Foundation continues to achieve this mission and, in doing so, has helped **141,510 children in MD-20** to date. The Foundation would like to thank the dedicated Lions Clubs whose community service projects have qualified them to receive their **matching grants of up to \$2,000**. The Foundation would also like to thank all of the **Everyday Heroes** whose generous support of our Fundraisers have made these **Miracles Through Service** possible.

Through your efforts, nearly **\$184,984** has been distributed in every district throughout New York State and Bermuda. Included in that total are **\$169,984 in matching Humanitarian grants, \$12,500 in Emergency Grants** awarded to areas in MD-20 that have been affected by natural disasters, as well as **\$2,500 awarded to the MD-20 Lions See program**.

Of the **103 Humanitarian Grants** that have been awarded to date:

- 30% have been dedicated toward creating or improving community facilities that are used by children;
- 25% have been awarded toward direct financial or physical assistance of health related programs for our youth;
- 24% have been directed toward programs that have improved the health of local children;
- 21% of our grants have either established youth leadership camps or benefitted youth leadership programs.

The Foundation has made the grant process simple, as are the guidelines to qualify for a grant. You can find all of this information, including the actual grant application, on the Foundation website listed below. The main considerations of a successful grant award is that a Lions Club, District, or Zone must be able to provide matching funds designed to support a project that has a direct benefit to children in need within their communities.

The following are just a few of the recent grants awarded by the Foundation in 2019. Each of these projects were specifically designed to help children in need like the boy at left who is using his new Braille writer in 20-S:

- The Brewster Lions Club is supporting a "Safe Swim Initiative" Program to help 65 children in 20-R1.
- The Greater Johnstown Lions Club is helping to build a Youth Baseball field which will benefit 225 children in 20-W.
- The Pachogue Lioness-Lions Club used their grant to purchase a Vision Screener which will test 3,500 children in 20-S.
- The Cuba Lions Club will be supporting their Youth Backpack Program which provides healthy meals to children in 20-E1.
- The Town of Niagara Lions Club has provided a Youth Baseball Scoreboard to improve the lives of 2,000 children in 20-N.
- The Johnson City Lions Club will be reaching 4,000 children through their Youth Opiate Problem Awareness Training in 20-Y.

Is your club, zone, or district planning a project that will benefit children in need? If you need assistance with making these dreams a reality, just follow these simple steps: go to our website to see if your project qualifies for a grant, and then download your application and submit it to the Foundation for review. The Grant Committee meets and approves these grants quarterly throughout the year.

While visiting the Foundation website please take a moment to find out how you can help to support the Foundation's efforts through our fund raising programs including honoring someone with a prestigious "Everyday Hero" Fellowship, purchasing a beautiful Foundation shirt, and making a club or personal donation to the Foundation. As always, we thank you for your continued support of our efforts to help children in need.

TOWN OF NIAGARA WREATHS ACROSS AMERICA

On Saturday, December 11 the Town of Niagara Lions Club hosted the first of what is to become an annual Wreaths Across America Ceremony to remember all who served in the armed forces, to honor those veterans and their families for all they have sacrificed, and to teach our young about those who protect our freedom. The Ceremony was held at the Witmer Memorial Cemetery. Fourteen Veterans are interred in this cemetery representing service in the War of 1812, Civil War and Korean War. Prior to the event Lion John Teixeira was on Channel 2 News discussing Veteran George Martin and the disrepair of his gravestone. Within hours donations over \$2700 were made to repair the headstone and a pillar leading into the cemetery. Pictured placing a wreath at George Martins burial site is DG Regina Cecconi, Tom Tierney, a representative from the Underground Railroad Historical Society and Lion John Teixeira.

Brockport Lions Club: At our first September meeting Bob Reisch from the Kiwanis Club presented a check for our share of the profits from the food booth sales at the Brockport Arts Festival. The 3 Brockport service clubs split a record \$10,161 for the event.

We were joined by several of our KCS Leos and Lion family members as we prepared and served over 180 dinners. A successful Basket Raffle was held in conjunction with the event. A variety of theme baskets and gift certificates were won by community members. Proceeds from the event help fund our service projects, donations and activities.

The Churchville Lions Club hosted a Going Away Party on October 18th, 2019 for Lions Bernie and John Rabideau. Lions, friends and family all came to wish them a fond farewell.

Webster Lions Club: Annual Steak Roast on Saturday, October 19 was another great success. Proceeds will go to help Bella's Bumbas who make innovative chairs for children with Spina Bifida.

The Bolivar Lions have their cars loaded with fruit baskets to begin the annual Thanksgiving deliveries to many area residents. This year the Lions delivered about 60 baskets.

This service activity has been on going since shortly after the club was chartered and we estimate that well over 3,000 baskets have been delivered over the years.

Many Lions from Dansville with the help of Local Boy Scouts and Canaseraga Lions erected 50 trees in Dansville's Church Park for the annual Festival of Lights. This event is well received by the community each year.

Vision Screening Longridge Elementary School invited the Greece Ridge Lions to conduct vision screenings at its Community Partners Night on November 20th.

AL BRANDEL

As many of you may already know, Lions Clubs International lost a great leader in December, 1st Vice President Haynes Townsend from Georgia.

We were all looking forward to his year of leadership as our International President with his anticipated election at the upcoming LCI Convention in Singapore. Our thoughts and prayers go out to his wife, Lion Donna, and their family.

Due to the passing of 1st VP Haynes, the Board of Directors of LCI was charged with the responsibility of appointing a person to fill the unexpired term of the 1st Vice President.

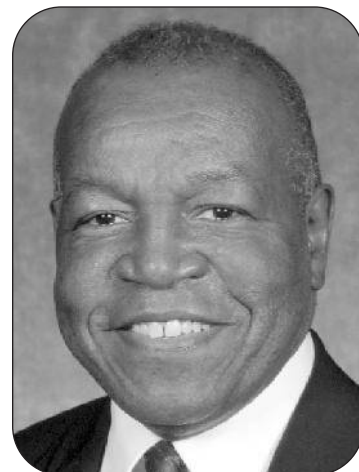

After considering all of the Past International Directors and current Board Members in the Lions organization who were eligible for appointment to fill the vacancy, the LCI Board of Directors has appointed our very own **PAST INTERNATIONAL DIRECTOR, DOUGLAS X. ALEXANDER.**

At this very moment, now 1st Vice President Doug is assuming his official duties at meeting in Oak Brook, Illinois. Congratulations Doug and thank you for accepting the responsibilities of the Office of 1st Vice President of LCI.

However, this is only the beginning of the process. Doug has been *appointed* 1st VP but now must *be elected* International President of LCI in Singapore at the upcoming convention. You will be learning more about this process in the near future, but Doug will need all of our support here in MD20 as well as in Singapore as he seeks to be elected as LCI's next International President.

We are so very proud of 1st VP Doug. Please join me in pledging our support and prayers for him as he begins this incredible journey on behalf of the Lions of the world.

~ Proudly, Al Brandel
