Greetings Lions of District 20-W!

We are off to a great start in District 20-W with positive membership growth. Our District hosted the first cabinet meeting this year at the Adirondack Hotel in Long Lake on August 28th with a full house of 47 Lions in attendance. I want to thank KL Susan Kunzmann for the warm welcome and introduction to this vibrant community and historic location.

We started a new tradition in 20-W with a ceremony to officially induct the members of our Cabinet, our GAT Team, and our Committee Chairs. Thanks to IPDG Lion Rick Brisee, PDG Lion Frank Blair, PDG Lion Joe Jarvis, PDG Lion Joan Scott, and PDG Lion Jim Shaw for assisting me with the ceremony.

2

On behalf of our leadership team, we would like to thank Lions Billy Joe Duprey; James Griffith; Mark Whitney; Joe Wagner; and Preem Cabey for all their insights and preparation in delivering our interactive panel discussion focused on “Developing Your Club Your Way.”

This year, one of our District goals is to have as many interested Lions as possible involved in all of the various committees that the District offers. A wealth of information was presented by the committee chairs along with their goals and the plans they developed for implementation throughout 2021-22.

I ask all Club Presidents to please send me the names of your various local committee chairs so that we can coordinate and support your efforts.

Many thanks to all the Lions who attended and brought food donations for the Long Lake Food Pantry. This will be an ongoing service project at each of our cabinet meetings this year.

We have exciting and historic news! During the new business portion of our meeting, both PDG Lion John McDonald, from the Saratoga Springs Lions Club and PDG Lion Milledge Smith from the Gouverneur Lions Club announced that they will be running this year for the office of International Director. This is the first time in the history of MD20 New York State and Bermuda, that a single sub-district will have more than one leader stepping up as a candidate to serve LCI as an International Director.

We will be holding an official District Convention on Sunday, January 16th in Lake George to elect our endorsed candidate from 20-W.

During the November 6th Fall Conference in Lake George, there will be a special workshop presentation exactly explaining the process on how your club can register voting delegates to cast your ballots to select our officially endorsed International Director.

In other District news, our printed district directories are being distributed to the clubs that did not attend the District Cabinet Meeting. They will be delivered by the Zone and Region Chairpersons and/or mailed to your clubs - so please watch for them – there is a lot of information there.

Also, to all Club Secretaries, please do not forget to go online at least once a month to MyLCI or logon to MyLion to post your clubs membership, and report all your service projects, whether they be events, fundraisers, meetings, or special projects. If you need any assistance or want some additional training and help, please contact RC Lion Holly McConchie at hmcconchie@aol.com or 518-366-1010.

As of June 30, 2022, Past District Governors are no longer allowed to repeat in office as the DG. We are actively looking within our district for “A few good Lions” willing to continue in service and lead our district in a variety of roles. Most importantly, we are currently looking for a Second Vice District Governor candidate.

Have you ever considered becoming a District Governor and you are just not sure what it’s all about? Then, don’t hesitate to call me directly or speak with any PDG and we would be happy to answer your questions.

The prerequisite requirements for becoming a candidate for Second Vice District Governor is that you have previously served as a club president and also as zone chair or cabinet member. The fulfillment is great, and you will walk away with an experience like no other.

It is also such a pleasure to be able to visit so many of you at your Club meetings around our District. I am always greeted so warmly and have enjoyed every visit I have made so far. It is very exciting to hear about the various projects and activities of the Clubs. Thank you for making my job so enjoyable and rewarding.

Finally, please mark your calendars and plan to attend our Fall Conference in Lake George at the Courtyard Marriott on November 6th. ID Lion Ernesto "TJ" and Lion Juanita from San Antonio, Texas, will be our honored guests and will be addressing us at our fall conference.

This is shaping up to be a memorable event - educational and entertaining, and highlighted with the presentation of several awards to our fellow lions in recognition of their notable achievements. Look for more specific information regarding hotel reservations and meals in your email inbox from our Cabinet Secretary, Lion Barbara Bentley.

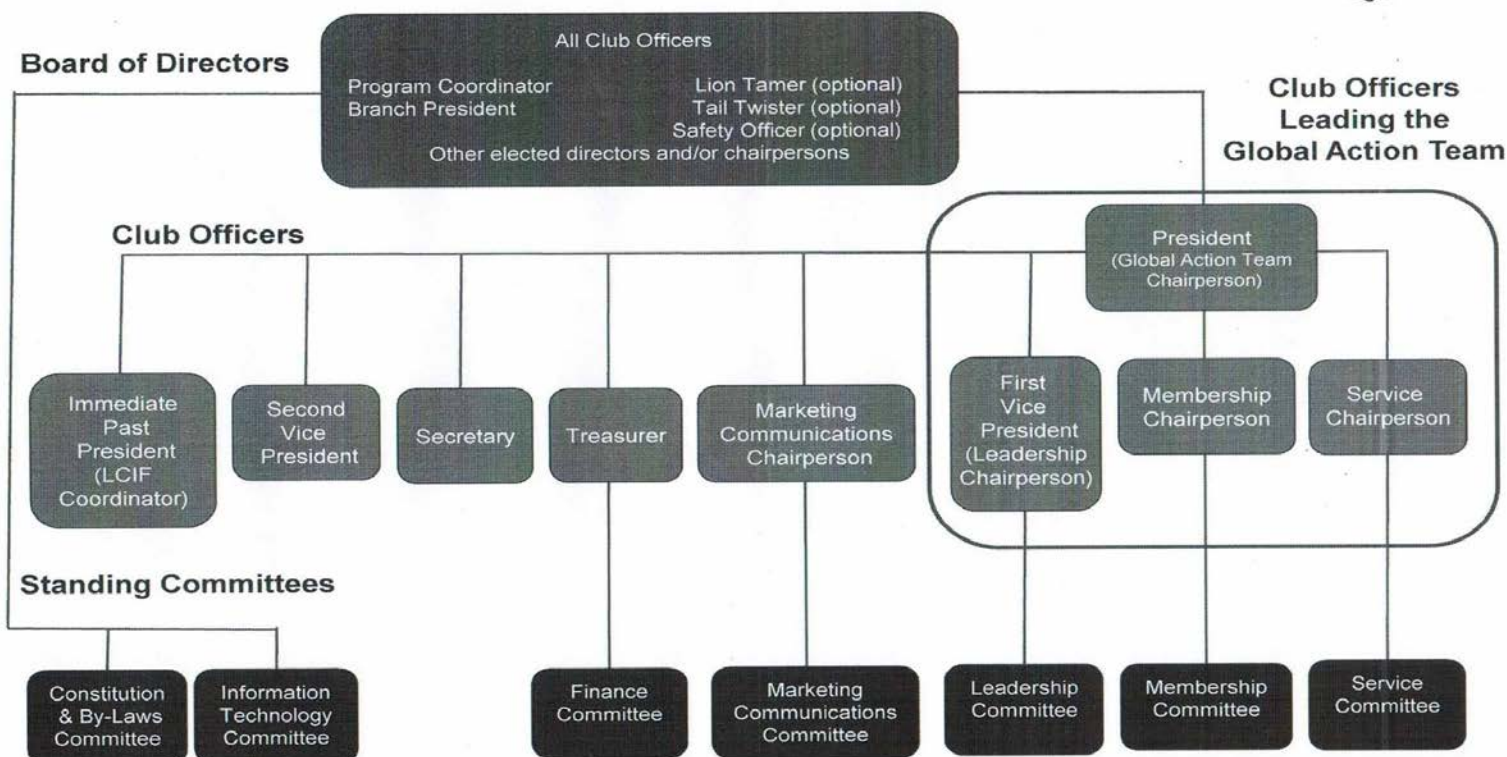

As always, our district team and I can only be judged as effective when we work to listen and support you, empowering your mission to successfully serve your communities.

Truly, we all make this great humanitarian service organization work together: serving people and serving each other.

So, please know, my door is always open to everyone for suggestions and new ways to approach things. Because I want to know what's happening with each club, I plan to be communicating with club presidents and secretaries, region chairs, zone chairs, committee chairs and PDGs regularly via email. I encourage you also to contact me at 518-694-6872 or by my email address dgmicheleohare@gmail.com.

Sincerely Yours in Lionism,
DG Michele

SIGHT AND HEARING **YOUTH** COMMUNITY

WHO ARE WE?

For 80 years, Glens Falls Lions have served the needs of our community as part of Lions Clubs International, the world's largest service club organization. WE SERVE!

WHAT WE DO.

LOCAL.

The Glens Falls Lions Clubs provides funding for glasses, eye exams, and hearing aids for qualified area residents, as well as pre-school vision screenings for children throughout the area.

REGIONAL.

Together with other area Lions Clubs we purchased a Dental Van for area school children, raised funds for needed eye surgical equipment at Glens Falls Hospital, and helped lay the groundwork for the establishment of the Lions Eye Institute in Albany, NY, where more than 30,000 adults and 5,000 children are treated there each year.

INTERNATIONAL.

Lions are there when disaster strikes, supporting both local and global needs. Earthquakes, Hurricanes, Flooding. The Glens Falls Lions have supported those in need because of natural disaster around the world.

Potential Service Project

Many of Lions Clubs in District 20 W provide backpack programs in their community. Some communities have other organizations that fulfill that need. Please remember that your Club or you can contact these programs and provide much needed supplies for the youth or your communities.

Your club could assist by providing, donating and or the collection of new backpacks or donate funds for us to purchase them. Below are a list of some suggested items that programs never seem to get enough of:

- Large backpacks for middle schoolers
- Glue Sticks
- Pencils Cases/Boxes
- Child size scissors

Thank you for all you do for your communities in 20W.

Raise the Roof for NABA!

NABA students and their families, pictured above, had a blast biking the South River Run at Revolution Rail Co. in North Creek on June 27, Helen Keller's birthday!

Unfortunately, just as we're beginning to return to a 'new normal,' NABA's 50-year-old roof, which has leaked for quite some time, has failed. We need a new roof and we need to schedule the work immediately so we can continue to provide services without interruption.

Glens Falls Lions Club HONORING A CLUB VETERAN

By Lion Karen Rager

Lion Dick Cipperly informed us that Glens Falls Lion Harold McAfee would be the “We Salute You” featured on WNYT, Channel 13, on Saturday, September 4. The feature was on all of the newscasts that day. Thank you for your service Lion Harold.

HAROLD MCAFEE

Harold joined the original 10th Mountain Division in World War II in 1943; he trained at Camp Hale in the Colorado mountains and was eventually sent to Italy to push back German resistance.

As a combat infantry squad leader, he fought his way north, through places such as Belvidere and Riva Ridge. He received the Bronze star and 2 oak leaf clusters for bravery.

Discharged in 1946, Harold returned to ice hockey as a favorite pastime. He started playing hockey in high school in Brooklyn over 65 years ago.

Harold played on the Adirondack Silverblades in the Senior Olympics and coached youth hockey in Glens Falls for over 10 years. At 97, Harold still skis each winter.

Childhood Cancer Awareness "BRAVE THE SHAVE" AND "ROCK THE BALD"

By Lion Diane Lange

September is the month to shine the light on the realities of childhood cancer. We need to emphasize the importance of life-saving research and join together as Lions 20W to make a difference for children and their families diagnosed with cancer.

In planning for your 2021-2022 Lion's year please include Childhood Cancer which has been part of our Global Service for the past four years.

Our goals for this year should include having each club raise awareness in in their own communities based on what effects the children with cancer in your area.

My goal as Childhood Cancer Chairperson is to develop a resource guide for the November meeting in Lake George. This guide will include hospitals, non for profit foundations and possible speakers for your lions group. I do need your input as to areas outside the Capital District. Please e-mail me so I can add to my list of resources. (skipper2dfl@yahoo.com)

A second goal is to have each club's co-chair stay in contact with me. They will be asked to arrange for KidSight eye screening to detect early eye cancers in at least one of your nursery or daycare facilities.

The co-chair will also be asked to collect gift cards from time to time. Gas cards for families and gift cards for cancer kids ages 13-20.

Lastly, the co-chair will be asked to provide one speaker on Childhood Cancer for their Lions Club.

My third goal is to include our Leo's Clubs. They will be asked to send cards or write to children in the hospital. At the Melodies Center, they have Anna's Snack Cart. Leos could collect individually packed snacks for this cart and also for the Family Room at the Melodies Center.

We are also in need of masks for the children ages 4-20 to choose when they come into the hospital.

During this Covid Crisis everything has changed. Most fundraisers and volunteering have been put on hold. We need to keep a final goal in mind....."Fight Today For Their Tomorrow"!

Clinton Lions Club

By Lion Jim Winkler

This past month seemed more like those we enjoyed in the years before the pandemic.

over four hundred vehicles (representing 750 individuals) were loaded with 3 – 5 days of nutritious food in drive through fashion in the parking lot of Annunciation Church in Clark Mills, NY. Included in the contents loaded into the vehicles this month were fresh produce, frozen meat, yogurt, eggs, personal items and back packs filled with return-to-school supplies for families with school-age children. The operation of this pantry remains a tribute to the community residents who support it, volunteers and the Executive Director, Lion Mary Zimbler. As members of the community, we're more than happy to volunteer on a monthly basis.

Our collection and initial sorting of used glasses continued as we picked up 181 pair of used glasses from previously established sites in and around the community. They will be combined with others collected in the past and delivered to the Sheltered Work Shop in Albany for further processing.

The second Tuesday of the month we returned to sponsoring our annual picnic for our local senior community at the village's volunteer fire department pavilion. Due to the pandemic, this annual event had to be canceled last year. Eleven members joined in serving the seniors freshly cooked hot dogs with side dishes of macaroni salad, potato salad and baked beans. They had their choice of drinking freshly made lemonade, ice tea, coffee or water. Dessert consisted of watermelon and cupcakes. Although the attendance was down compared to pre-pandemic years, those in attendance enjoyed their meals and many requested seconds.

WISHING EVERY CLUB SUCCESS IN THEIR UPCOMING LION YEAR!

New Voices Campaign

By Lion Rita Ware

A program launched in 2018-2019 to celebrate women's contributions and promote gender parity within Lions Clubs International. In 2019-2020 the program was expanded under International President Dr. Jung-Yui Choi to include young adults, including Leo Lions, and other underrepresented populations as diverse and sought-after New Voices in the association. This initiative is about hearing the story of the unheard and is a forum for sharing new ideas and learning from one another for the betterment of Lions Clubs International.

As the new voices Coordinator I would like to have each club pick one of the ladies or young member in your club to answer a few questions and send that information to me by the 20th of each month. Suggested questions are;

How long have you been a member?

Have you held any position in your club or if you have not yet are you planning on holding a position in the future?

What is/was your favorite service project?

What would you like to see your club do that it presently does not?

Anything you would like to share about your club?

Any other information that you would like to share?

The responses will be included in a report at the next district meeting as well as in the Roar. Send the information to rware@nycap.rr.com or to hmcconchie@aol.com

LET YOUR CLUB BE HEARD

ALL RESPONSES ARE BE GREATLY APPRECIATED

Raquette River Lions Club RADIO WEEKS FUNDRAISER

By Lion Michelle Roach

Raquette River Lions Club worked with our local radio stations B99.3FM and Star 100.1 FM to broadcast courtesy advertising for local businesses who donate to the **Lions Radio Weeks Community Fundraiser**. This was held the 2nd and 3rd weeks of August 2021 This would be about the 19th year the Potsdam Lions - and now the Raquette River Lions - have conducted this fundraiser. We could not conduct this fundraiser in 2020. Some of our usual business donors have been affected by the pandemic- a few businesses have permanently or temporarily closed, or will be closing this fall, and some have had a downturn in business - set backs that have caused them to be cautious with their business output of a financial donation.

We are appreciative to John Winter, General Manager of these valued radio stations, for gladly working with us in the 18th year of this Radio Weeks Fundraiser, to help our community. Their talented on-air staff, will produce courtesy radio broadcast advertising for all our business donors.

A letter was sent to local business owners explaining the Lions Radio Weeks fundraiser and the local cause their donation will supporting. This year it was local youth programs. Their donation helped support programs such as: Youth Vision Assistance, Youth Recreation Sponsorship, Youth Hunger Prevention, Youth Pediatric Cancer Support, and Youth 4-H Camp Overlook Sponsorship.

It's a good fundraiser, and one that promotes partnership between the Lions Members and the business community, and helps to positively uplift everyone- especially for youth programs support to continue in many ways for youth in need!

Each year, a different local cause may be focused on, but helping the local community is a joint and caring effort! We hope other Lions Clubs can use this fundraiser to make connections with the community, and contribute together to the support of others.

MORE BLUEBERRIES

By Lion Jerry Gordon

BLUEBERRIES

As you may remember, we applied to United Way for a \$50,000 grant that would

have allowed us to finish the blueberry orchard. They did give us \$10,000, which we gratefully appreciate. We decided to direct those funds to infrastructure, and so there were no funds for the Summer Youth Employment Program that had been a major part of our original proposal. But Greg and Jodi have successfully moved forward by committing some personal resources, those of Eden's

Rose Foundation, and some additional grant money to the furtherance of this project. They have also developed partnerships with other organizations to help get this across the finish line.

One partnership of note is Maximus. They came and played a

role much like Anthem did at our original planting two years ago. They have not donated any funds but they sent 10

volunteers to plant 150 new blueberry bushes on Wednesday, August 18th. Even Potter, the latest addition to the Sheldon household, helped with the digging.

GENERAL MEETING

Our first general meeting of LY 21-22 will be on Wed, Sept 1, at 6:00 PM. We were hoping we could resume live meetings in September, but with the resurgence of COVID and its variants, the wisest thing to do for the health and safety of all of us is to go back to Zoom. Please let Jerry know if you plan to attend (jerrygordon@juno.com or 518-235-8232). Our speakers will be our own Greg & Jodi, who will bring us up to date on the status of the blueberry orchard—where it's at and where it's going.

DAILY DRAWING FUNDRAISER

We're trying a new fundraiser that the Chazy Lions have been using successfully for a few years. For a \$10 donation, you get 31 chances to win either \$100 or \$250. If we sell all 1000 tickets, we'll net over \$5800.

The drawing runs during January 2022, so we've got 4 months to sell them. It doesn't look like we'll be meeting in person anytime soon, so here's how to order by mail: Send me \$10 for every ticket you want (checks payable to A & T Lions Club), along with the contact info for the stub(s). I'll fill in the stub and send you a copy of it along with the top portion, so if you order more than one ticket, you'll know what name goes with what number. If you want a specific 3-digit ticket number, you can have it if it's still available.

These make great stocking stuffers, grab-bag gifts and tips for your snow-shoveler, lawn mower, hair dresser or whomever. So buy a few extra tickets in your name now, while they're available. Then, whenever you want to give one away, just let me know the ticket number and what contact info you want me to change it to. If this is going to work for us, we've each got to sell as many tickets as possible. They're available now, so let's get started!

BOSCOV'S FUNDRAISER

One of our annual fundraisers for the past few years has been Boscov's "Friends Helping Friends" program. Boscov's

provides us with discount cards. Each one is good for a 25% discount on almost anything you buy at any Boscov's plus a chance to win a \$100 Boscov's gift card, but only on Wednesday, October 20.

The cards sell for \$5 each, all of which goes right into our treasury. Normally, we would distribute these cards to you at a meeting, but that's tough to do on Zoom. So check your mail box (the one from the post office). We've sent you each 5 cards to sell. Let Jerry know if you need more.

The Des Moines Times

The latest news and information for the Des Moines 2021 USA/Canada Lions Leadership Forum.

A Message from Our General Chair

With the USA/Canada Lions Leadership Forum a couple short weeks away, we wanted to make sure you had the latest COVID-related information, address a question that has come up frequently about why the Forum will not be having a virtual component, and share the best alternative we have this year.

A lesson that I've learned many times over this year, is that when you're in a position of leadership, you can't please everyone all the time. And trust me, that's a tough lesson for a serial people-pleaser! But I can say that our team of volunteer Lions continues to do the best we can with the information we have at the time it's needed to make decisions, and we haven't taken any of these considerations lightly.

We look forward to seeing many of you in Des Moines for #LionsForum2021. However, we hope that if you aren't able, or don't feel comfortable/safe in gathering this year, that you'll mark your calendars for Sept. 15-17, 2022 to join us for an amazing Forum in Calgary, Alberta, Canada!

In Leadership, Friendship, and Service,

Wendy Cain

Virtual/Hybrid Evaluation

While it is essential that each individual considers their own circumstances and personal situation/ comfort level when deciding whether or not to attend the Forum, the Forum also has an obligation to be fiscally responsible. The Forum is an independent Lion-led organization that doesn't receive any portion of your Lions dues.

Earlier in the year, we evaluated the potential of providing a virtual component of the USA/Canada Lions Leadership Forum. However, two factors led us away from this option.

We had a deadline in March to finalize the Forum format in order to adequately consider all the logistical intricacies of incorporating virtual features with an in-person event. At that time (prior to the emergence of the Delta variant), the COVID data was going in the right direction and all indications were trending toward continued improvement.

To ensure a high-quality experience for both in-person and virtual participants, we would have needed much more extensive audio/visual as well as high capacity livestreaming capabilities for 10 seminar rooms simultaneously and our large banquet hall. This would have made registration for a virtual option cost prohibitive.

Lions have been enjoying high quality FREE or low cost virtual training since the Spring 2020 (if not before). The Forum can't compete with free and provide the infrastructure necessary for quality hybrid events; there would have been little demand for what we would have needed to charge.

We will always support and encourage Lions to take advantage of virtual and on-demand learning opportunities such as (but not limited to):

- Lions University - Provided by the Forum since 2014; you can take all the courses you want for free; however graduation requirements do include attendance at events.
- Lions Learning Center - LCI's online learning portal.
- Lions Virtual - Ongoing Zoom educational and social activities, and a mobile app that incorporates social sharing and other resources.
- Global Lions Forum - Facebook Group with great discussions on topics of interests to Lions.

Seminar Recordings to be Available

Although we will not be able to have remote participation in the Forum, we have arranged a way to bring at least part of the Forum experience into your homes.

Our A/V vendor will have equipment to record audios of the educational seminars, and many of the seminar facilitators have graciously agreed to provide their presentation materials.

These are intended to be available for purchase after the Forum as a single package. However, since this is the first time the Forum has attempted this, we are not taking pre-orders. We want to ensure the

clarity and quality of the recordings before offering for sale.

There is a significant expense to offer even this limited capability, and your response will help inform the Forum as to projected interest and demand for future remote learning options.

COVID-19 Current Protocols and PCR Testing

The Forum will follow applicable public safety guidelines for the Iowa Events Center. These have not changed since our last newsletter, but we monitor closely as they may be subject to change prior to the Forum. Currently:

- *Per the CDC and Polk County (Iowa), face coverings should be worn indoors regardless of vaccination status to help prevent the spread of the virus and protect others. The Forum strongly encourages all attendees to wear face coverings and practice social distancing where practical during Forum events. We also wish to embrace “kindness matters” and respect fellow Lions’ personal comfort and precautions of wearing face coverings and social distancing.*

A COVID test is not required to attend the Forum or enter the facility.

To facilitate COVID testing that may be required for participants leaving Des Moines, the Forum has contracted with Exemplar Care to provide onsite COVID tests (with results guaranteed within 24 hours) onsite at the Iowa Events Center (Room 333) on Friday, Sept. 10 from 12:30 p.m. to 5:30 p.m. Scheduling and payment for the test are the responsibility of attendees.

Wearing a mask with your hearing aids

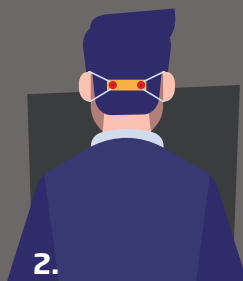

Clever tips to protect your ears and hearing aids while wearing a mask

1.

If you have long hair, pull it back into a bun and loop the elastics around the bun.

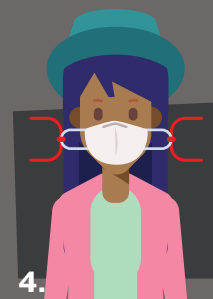

2.

Create a "mask extender" out of fabric or ribbon about 4 inches long. Buttons sewn on either side allows for a place to put the elastic other than your ears.

3.

Sew 2 large buttons onto a soft headband, placing the buttons to line up with each ear. Looping the elastic around each button will take the strain off your ears.

4.

Use masks with string or ribbons that tie in the back. There are YouTube videos on creating masks that tie, which puts absolutely no pressure on the ears.

Communicating when wearing a mask

Speak slowly, clearly and at a normal volume.

Rephrase remarks when not understood.

Take turns when speaking.

Make sure hearing aid users have them on.

Keep background noise in the room to a minimum.

Face each other (at a safe distance).

When removing your mask...

Check to make sure hearing aids are still in place after removing a mask as they may come off with mask removal.
