## District Governor's Message

Dear Lions,

Welcome to our "How Can We" year of your Lion's actions of service. Remember like many things in life, charity begins at home. Taking care of your family, Lions family, local community, Lions District 20-W, Lions MD-20 state community, and Lions International community is how we will all have the greatest impact in our world.

We are coming out of one of the most challenging times in many of our lifetimes. We should still be very cautious as we get back out to assisting those in need in our communities. In some of our communities there may be different types of services needed at this time. With all of this, Lions are stepping up to tackle the challenges that are affecting our areas. The one thing that will help us be effective in everything we do is planning. Review at the beginning what your Lions year will look like. Plan as many of your projects as your club can, both service and fundraisers. Picking the dates is probably a great starting point for your planning, along with naming chairpersons. Then have people chose the committee team they would like to be part of and let them run with it. Remember, though, there will always be an event (good or bad) that will surprise your club.

LCI is asking us to focus on Membership Growth, Orientation and Retention, also communication within the Clubs, Zone, District, Multiple District and Lions International. These things are important for us to grow our service impact in our part of the world. Many museums, clubs and organizations are having the same challenges finding people to volunteers or fill positions as well. Working with youth in your communities will show volunteering is important to build our future.

Remember your District 20-W team is here to support you and your Lions Club. To support your Club, you need to communicate with us so we can help with problems and other issues. The training online for Lions is some of the best online training out there - take advantage of it.

Our District 20-W team would like to thank you for everything you and your clubs do, locally and beyond. The things that Lions do is important and effective; to say thank you seems too little to say. I am grateful to all of you. Please contact me if I can help in any way by email at [rickylions18@outlook.com](mailto:rickyions18@outlook.com) or call 518-569-7253.

Yours in Lionism,  
DG Ricky

## **GMT Mission Statement**

The GMT Coordinator's job is to provide guidance and support to the clubs while also acting as a resource for them. This also includes working with Lions Clubs International and the Multiple District GMT Coordinator to express the needs and problems that the clubs are having in acquiring new members and keeping existing members.

The above purpose is accomplished by a team effort among Club Membership Chairs, Zone and Region Chairs and the GMT Coordinator. The clubs' GST and GLT should also be an integral part of the Team. Leadership, Service and Membership are all parts of the same effort. We all should be trying to develop strong leadership, active community service and stable and increasing membership.

### **GET Mission Statement**

GET is to serve the Lions of District 20W to directly impact the success of the Global Action Team's initiatives. The GET leads our district's efforts to charter new clubs. Collaborating with the GMT, GLT and GST district coordinators and the Global Action Team Chairperson (DG Ricky Laurin) the goal is built and lead a team of Lions who share your passion for extension and new Club growth.

Goals and Action Steps for 2022-23:

- Develop a committee to develop a plan for new club development for 20W.
- Develop and identify opportunities to charter new clubs in communities or within groups of a larger community that are not served or are underserved.
- Collaborate with district leadership to build a team capable of completing the tasks required in successful chartering of new clubs including membership recruitment, leadership development, and engagement in meaningful service projects.
- Develop a plan and timeline for each potential new club following proven processes for new club development including site selection, needs assessments, identification of sponsoring clubs and guiding lions, informational and organizational meetings, and charter member recruitment.
- Understand and communicate the process and policies of new club development to team members and ensure that accurate information is conveyed to prospective members.
- Enable the success of new clubs by helping sponsor clubs establish mentoring relationships with the new club officers and educating Guiding Lions on expectations of the new club.
- Train and involve Lions interested in new club chartering to expand the district's ability to charter new clubs.
- Ensure new club applications are complete, properly approved, and submitted efficiently.

**If you are passionate about starting new Clubs or Specialty Clubs and would like to serve on the GET Committee, please contact IPDG Michele O'Hare [mapohare@gmail.com](mailto:mapohare@gmail.com) or 518-410-5941.**

## **PROTOCOL FOR THE DISTRICT GOVERNOR'S OFFICIAL VISITATION**

For the District Governor to have a successful visit to your club, please adhere to the following recommendations:

1. Keep your Club's calendar open for the date agreed upon.
2. Please do not schedule any other guest speaker at that meeting.
3. Plan on conducting your regular meeting and agenda, unless the District Governor requests that he/she speak first. (In case of inclement weather or a long drive home for the DG.)
4. The District Governor will be honored to induct new members at the official visit. Please notify in advance.
5. It is customary that the meal of the DG be paid for by the club. It is optional that the meal of the Partner-in-Service be paid for.
6. Send a notice to all members of the Club that the DG will be making his/her official visit. Be sure to give them the date and request that as many as possible attend.

## **20-W and 20-Y2 PAST DISTRICT GOVERNORS**

Historical Note: From 1921-22 to 1937-38, there was only one DG for the state of New York. In 1938-39, there were five DGs (N, Y, S, L, A). In 1949-50, there were eight DGs (N, E, W, Y, O, R, K, S). District Y2 was added in 1960-61, K2 in 1962-63 and E2 & R2 in 1973-74. In 2018-19, Y1 merged with Jefferson and Lewis counties from District W and was renamed District Y. The remainder of District W merged with District Y2 and was called District W.

*If you can supply the home club for any of the Y-2 PDGs for whom it's missing, please send an email to [directorychange@20wlions.org](mailto:directorychange@20wlions.org) or call Lion Jerry Gordon at 518-235-8232.*

## NOTES

## LIONS ETHICS

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's: to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

To hold friendship as an end and not a means. To hold that true fellowship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

To aid my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be careful with my criticism and liberal with my praise; to build up and not destroy.
