Welcome Lions Team

Hey it is June already, and near the beginning of DGE Priscilla's term. First, I would like to say THANK YOU to all of our Veterans who sacrificed their lives, to give us the freedom we all enjoy today.

This past weekend I hope we all stopped to thank and celebrate those brave men and women. We always vote in every election, because we would never disrespect those who died and fought to defend those rights. (think hard on this)

Lions remember, finish this year strong and start next year even stronger. We made some goals and did not do so well on others. I did not do well communicating with all of the cabinet, but this year we will work to correct as much as possible. A reminder that it is the Zone Chair's responsibility to communicate to the clubs, region and the DG. All the Committee Chairs are responsible

...continued on next page

also, for keeping the DG fully informed on all activities in the District 20 W. Remember, the District and new organizations are not dictatorships, we gather information from members or people involved (or not) to make informed decisions. We are always talking about involving members yet we still do stuff on our own??? I hope all organizations LISTENS to every member.

I hope to see Lions Clubs in District 20W start putting together their Lions Tri-folds about their club's activities for their local area. (PDG Ricky will be checking up on this) Use the activity/coloring booklets to also help to build your membership. Membership and training are important to all Lions to build future Leaders and Lions Leaders as well. We have shared valuable information your clubs, it is up to you to act on the information. Also remember LCIF is a charitable organization like many other charities, Please support them first and also take care of home!!!!

I want thank everyone for their valuable time when we visited.

Respectfully,

Your District Governor
Ricky H. Laurin

District 20W Colorbooks Are HERE!

District Governor Ricky is busy handing them out to clubs!

When Your Club gets your colorbooks:

1. Please add a label with your club information/QR code. Stamping will just rub off.

2. Keep track of your inventory - where you deliver them to. Check periodically to refill and see how many have been taken.

3. You could include a sign that says, "Please take one".

4. Most important, keep track of any new members who have inquired and joined your club because of the colorbook.

In a few months, we'll be combining MyLion, MyLCI and Insights, along with some additional tools and functionality, into a unified mobile-friendly experience called the **Lion Portal**.

Look for news and updates in emails, monthly digests, the Lion Portal webpage and more.

Get ready for the new Lion Portal

Here are a few things you need to do:

- ✓ **Check you Lion Account information.** Make sure your information is correct and up to date in MyLCI or your regional reporting system. This includes your name, contact information and communication preferences.
- ✓ **Confirm you have a unique email address.** A unique email address (not shared with anyone else) is required for the new Lion Portal.
- ✓ **Stay up-to-date.** Check for news and resources at lionsclubs.org/portal-updates or use the QR code.

Important year-end notice

**We're hard at work getting ready
to launch the new Lion Portal.**

For now, use existing tools to:

- Report all service activities in MyLion.
- Make sure all member rosters are up-to-date in MyLCI.
- Finalize all 2022-23 reporting by July 15, 2023.

**An exact date for the new Lion Portal
launch will be coming soon.**

WHO ARE WE?

For over 80 years, Glens Falls Lions have served the needs of our community as part of Lions Clubs International, the world's largest service club organization. WE SERVE!

WHAT WE DO.

LOCAL.

The Glens Falls Lions Clubs provides funding for glasses, eye exams, and hearing aids for qualified area residents, as well as pre-school vision screenings for children throughout the area.

REGIONAL.

Together with other area Lions Clubs we purchased a Dental Van for area school children, raised funds for needed eye surgical equipment at Glens Falls Hospital, and helped lay the groundwork for the establishment of the Lions Eye Institute in Albany, NY, where more than 30,000 adults and 5,000 children are treated there each year.

INTERNATIONAL.

Lions are there when disaster strikes, supporting both local and global needs. Earthquakes, Hurricanes, Flooding. The Glens Falls Lions have supported those in need because of natural disaster around the world.

For more information and to apply online visit: <http://www.lionscb.org/employmentvolunteer.html>

Dates:	Program	Description of each unique program:
July 2-7	Young Adult Badgers (recommended for ages 18-28)	This session for our youngest adults is full of action and includes activities such as music, swimming, fishing, boating, arts and crafts, athletics, nature, and evening programs.
July 9-14	Buddy Badgers 1:1 (all ages)	This program offers 1:1 staff support for campers who benefit from maximum physical or behavioral assistance. Often the pace is slower and the environment quieter, allowing campers who find larger groups challenging to succeed in this smaller, supported setting.
July 16-21	Senior Badgers I (recommended for ages 28+)	Our "middle" adults enjoy all of the traditional camp activities, plus more opportunities for individual choices in programming. Social events are a big part of our week!
July 23- 28	Senior Badgers II & Super Seniors (recommended for ages 28+)	Our oldest adults enjoy all of the traditional camp activities, plus more opportunities for individual choices in programming. Quite often, they enjoy assisting with community service projects and planning their own social activities. The pace of this group tends to be a bit slower as compared to the younger groups.
July 30- August 4	Junior Badgers (ages 6-17 only)	Our youngest campers will be placed in cabins by age, and the program is carefully structured to keep them busy and engaged. They will enjoy all things "camp", such as swimming, boating, cookouts, music, arts and crafts, social time, and athletics.
July 9-14 July 23-28	Vocational Food Service Program	Returning campers ages 18+ may join us to learn employment and food service skills. Campers must be able to function within a 4:1 camper to counselor setting. Campers will receive food service instruction and training during the day in addition to regular programming in the afternoons and evenings. Spots are limited.

Lion Bonnie Haase Memorial Volunteer Position

Lion Bonnie Haase was a tireless advocate and passionate volunteer for Lions Camp Badger since 1995. She spent the last several summers of her life living at camp and helping out wherever needed. Sadly, Bonnie felt ill during her last summer with us, and she was unable to complete the season. She passed away on August 16, 2022 at the age of 80.

Bonnie often wished that other Lions members could experience camp, and we believe that her impact on Lions Camp Badger is just beginning. Her legacy will live on through the Spirit of Volunteerism of our Lions members. It is in her honor that we are creating a new opportunity for the Lions to serve and support the important work of Lions Camp Badger.

The Lion Bonnie Haase Memorial Volunteer Opportunity will enable Lions members to serve by providing hands-on, direct assistance at Lions Camp Badger. Participants will go on to serve as camp ambassadors in their home communities, sharing their experiences and encouraging others to engage in our mission.

Please carefully consider how YOU can be part of this mission and email patgillule@gmail.com or text 607-768-2386 for more information. **Thank you for your willingness to continue what she started.**

Make a few dollars while you help the environment

Our club has signed up with CLYNK, a company that pays us for returnable cans and bottles and helps keep them out of the landfill. It's an easy way for us to increase our treasury and help the environment.

If your club would like to participate, go to clynk.com and sign up for a "CLYNK to Give" account.

If your club is not participating and you (and any friends or family members) would like to help our club, contact me at 518-235-8232 or jerrygordon@juno.com and I'll get you all the bags you want.

Here's how it works:

Bag it

Put your bottles (with caps) and cans in the green recyclable CLYNK bag. You can include any plastic or glass bottle or aluminum can that's redeemable in NYS. The bag already has our personalized white CLYNK bag tag on it.

Scan it

Bring your bag to any **Hannaford Supermarket's** bottle-return area, where you should find a hand-held scanner on the wall. Scan the white tag on the bag, which helps ensure all your bottles and cans can be properly tracked.

Drop it

There should be a chute or bin right near the scanner. Drop the bags off and go about your day!

Collect \$\$

Within a week, CLYNK will deposit our earnings right into our bank account.

As the Lions year quickly winds down, members continue to bring shelf-storable food staples to our semi-monthly meetings for delivery to our local Country Pantry. This month our membership contributed 20 pounds of food for clients of our local pantry. At our first meeting, in addition to our regular business, we honored our May & June Students of the Month – Andrew and Alaina Gelinis, twin seniors graduating from our local high school next month. Andrew and Alaina were our guests at the meeting along with their parents, Pete and Julie. Alaina will be continuing her education at SUNY Morrisville to pursue a degree in Agriculture and Andrew will be studying Business Administration at Utica University. Both will be holding down part-time jobs as they pursue their degrees.

Clinton Lions Les LaBrecque & President Bob Maxam present twin Clinton Central Seniors Alaina & Andrew Gelinis with May & June Student of the Month Recognitions. (05/11/23)

We were joined at our second meeting by Thomas Meyers, Chief of Emergency Medical Services (EMS) at Central Oneida County Volunteer Ambulance Corps (COCVAC) based in nearby Westmoreland, NY. COCVAC, a 501-C3 business, provides first response medical services, community medical education, event medical staffing and medical transportation to the residents in Central Oneida County. Tom described their operation, explaining their staff is comprised of both fulltime and volunteer employees staffing three ambulances – 24/7. Their motto is SERVE, SAVE, RESPECT. The club also presented COCVAC with a \$100 contribution in recognition

of EMS Week in Oneida County (May 21 – 27).

Mother's Day orders were accepted from residents visiting a local business (Clinton Tractor) 70th Anniversary Celebration on April 27th. These orders were fulfilled and additional walk-in orders accepted at the same location on May 13th. In total 42 plants were sold at a profit of \$490. This first-time fundraiser was well received by the community and we look forward to repeating it again next year.

Clinton Lion President Bob Maxam presents Tom Meyers, Chief of EMS at Central Oneida County Volunteer Ambulance Corps (COCVAC) with contribution in recognition of Emergency Medical Services (EMS) week in Oneida County, NY (May 25, 2023)

Six club members joined other community organizations on May 13th for our annual Community Collection Day. Held on the Village Green between 9 AM & noon, the event collects food and financial donations for the Country Pantry, accepts used electronics for recycling, old books for resale by our local library, used cans, bottles and plastics for recycling by the Community Pool and picking up "winter debris" and other trash from the village area. Our specific responsibilities included assisting in unloading recycled/donated materials from vehicles, soliciting financial donations for the Country Pantry, Traffic control and directing the various participating groups of the youth organizations picking up trash.

Country Pantry Distribution was held this month on May 22nd. Eight club members joined other community members loading food into the backs and trunks of clients as they drove through the parking lot of Annunciation Church in Clark Mills, NY. This month 2,250 individuals (470 vehicles) received bread, yogurt, eggs, frozen meats (pork, chicken and fish) frozen vegetables, canned goods, produce and personal hygiene products.

Clinton Lions & other volunteers enjoy beautiful Spring weather while assisting clients on May 22, 2023.

Our monthly collections of used eyeglasses were heavier than usual this month. We collected 498 from our usual local drop-off points and also from our participation in the Community

P-EBT CARD FOR CHILDREN "IN NEED"

By PDG Michele Puleo O'Hare

Any person whose child was in a NYS public school district "in need" (a district that provides free breakfast/lunch to all students) may have received a food benefits payout on their child's P-EBT card today. No cash, food benefits only. If they have not yet received it, I would suggest checking the balance on each child's card over the next few days as the benefits are disbursed.

Sauquoit Valley Lions Club

"SLEEP IN HEAVENLY PEACE WORKSHOP"

By Lion John Griffin

On May 5th several Sauquoit Valley members participated in a "Sleep in Heavenly Peace" workshop to produce beds for underprivileged children in the Greater Utica and Herkimer area. King Lion John Markley, Lion Jeanne Markley, Lion Sherry Kimball and Lion John Griffin joined 50-60 other volunteers over the course of three hours in the construction of bunk beds that will be provided to children that presently sleep on the floor or beds in need of repair. The Club in its entirety will be constructing in the future at a date to be determined.

Our Club has agreed to donate \$2,000 to the local "Sleep in Heavenly Peace" Chapter and has submitted an application for a matching Grant from the Brandel Murphy Youth Foundation. The motto of this national volunteer organization is "no child sleeps on the floor in our community".

King Lion John Markley and Lion Jeanne Markley perform carpentry work in building beds for children in need.

Our May meeting was held on May 11th at Orchard Hall in Sauquoit. Officers and Directors were chosen for the 2023-2024 Year. Lion President John Marley and Vice-President Sue Hughes will serve another term. We spent some time reviewing the structure of Lions. Lion Lou Dunlay was added to the Board of Directors as Director Emeritus. Lion Lou has been a Sauquoit Valley Lion for over 51 years.

A \$150 donation was made by the Club to support Lion Karen Bigos who will be participating in the Ride for Missing Children. The Club will once again hold our annual "Where's the Beef?" raffle over the summer. Tickets are \$10.00 and the winner has the choice of a \$1,000 in cash or a half of a beef cow.

Tickets will be available from any member. Only 300 tickets will be sold with the drawing held at our September meeting.

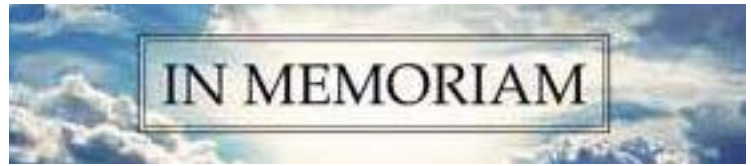

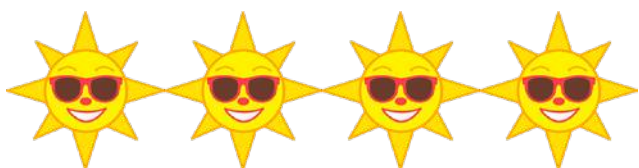

The Club participated in the annual Wicks Staley American Legion Post Memorial Day parade held in Clayville. Members rode atop a stake truck provided by Lion Ed Jones and Lincoln Davies as we honored those that gave the ultimate sacrifice for our country.

Broadalbin-Perth Lions Club

by Lion Ed Balaban

Broadalbin-Perth Lion Tom Kevlin stands behind the 108 birdhouses he made and is donating on behalf of his Club to Lions Camp Badger, a project of the New York State and Bermuda Lions. The camp became a statewide Lions project in 1980.

The camp's mission is to provide services that enhance the educational, vocational, personal growth and independence of differently-abled individuals.

The donated birdhouses will provide an opportunity for those attending the camp to further develop their creative and motor skills by decorating and painting the unfinished birdhouses.

Lion Tom, and his wife, Lion Valerie, represent the Northern New York Lions on Camp Badger's board of directors. They, along with members of the Town of Greenfield Lions Club, will spend the Memorial Day weekend at the camp preparing

the facility for the summer influx of campers.

Members of the Broadalbin-Perth Lions Club paid a visit to the Town of Greenfield Lions in a show of fellowship and to reclaim their club gavel, which was whisked away at a joint meeting of the two clubs in late March.

It is a long standing Lions tradition to try to obtain a souvenir or memento of the host club during joint club visits. Somehow, the Broadalbin-Perth gavel was spirited away with the Greenfield Lions, who were kind enough to reach out to BP Lions Club President Bob Townsend and invite him and his Lions to visit Greenfield and recover the lost gavel.

Town of Greenfield Lions Elizabeth Marzano, left, and King Lion Verna Plummer, right, flank Broadalbin-Perth Lions President Bob Townsend, center, as he is presented with his "lost" gavel at the Greenfield club's meeting on May 10.

The Broadalbin-Perth Lions broadcast live over the airwaves at WENT Radio during Saturday morning, May 13, as the feature of the station's Lions Information Day. The Lions discussed their local missions as well as what specifically drew each individual into becoming a Lion while interspersing the conversations with advertisements from local area businesses. WENT Radio personality Tim Murphy moderated the program which began at 6:30 AM and ran through noon.

The station's Lions Information Day broadcast afforded the Lions to reach out to a wider audience and explain what they do as well as promote the businesses in the area who support them.

While many Lions actively sought business involvement, the Lions who were on the air were club president Bob Townsend, Ed Balaban, Tom Kevlin and Don Savoie.

support of the Broadalbin Youth Commission when they set up their refreshment tent at this weekend's start of the spring soccer season at the Broadalbin Town Athletic Fields.

Wearing a mask with your hearing aids

Clever tips to protect your ears and hearing aids while wearing a mask

1.

If you have long hair, pull it back into a bun and loop the elastics around the bun.

2.

Create a "mask extender" out of fabric or ribbon about 4 inches long. Buttons sewn on either side allows for a place to put the elastic other than your ears.

3.

Sew 2 large buttons onto a soft headband, placing the buttons to line up with each ear. Looping the elastic around each button will take the strain off your ears.

4.

Use masks with string or ribbons that tie in the back. There are YouTube videos on creating masks that tie, which puts absolutely no pressure on the ears.

Communicating when wearing a mask

Speak slowly, clearly and at a normal volume.

Rephrase remarks when not understood.

Take turns when speaking.

Make sure hearing aid users have them on.

Keep background noise in the room to a minimum.

Face each other (at a safe distance).

When removing your mask...

Check to make sure hearing aids are still in place after removing a mask as they may come off with mask removal.
