District Governor's Message

To My Fellow Lions in 20-W:

Here we are starting a new Lion's year, time appears to have moved so quickly but we all have the same amount of time. The important thing is to use our time wisely.

I wish to thank each of you for your service – 20 W is better because of your actions and dedication. I also wish to thank each of you for giving me the opportunity to guide our district this year. As we work together, we should pick projects that will help each community we live in. Your hard work through Lions will make an impact on your community. We all know Lions is the greatest service organization in the world.

“The more you lose yourself in something bigger than yourself, the more energy you will have.” -- Norman Vincent Peale

As we continue to tackle challenges that face our district, we need to find solutions to better the district. Let's work together to achieve this goal. Together we need to work on increasing membership – I challenge each of you to bring in a new member during this Lions year. Remember all you have to do is ASK someone – 80% will say no but 20% will say yes. Please go out and find the 20%. Increasing membership will help each club increase service hours.

This year's District team is here to share, educate and help lead us into another successful year. Lions provide opportunities to grow individually and as a Lion. Take advantage of the online learning, district cabinet meetings and seminars that Lions provide. We are a WONDERFUL district and if we continue to work together, we will continue to build our success in 20 W. Please feel free to call upon the team or myself with any issues. We are here to serve.

Do not forget to support LCIF as they support our clubs and district through grants.

“To do more for the world than the world does for you – that is success.” -- Henry Ford

Yours in Lionism,

DG Priscilla Laurin

20-W GLOBAL LEADERSHIP TEAM

GLT Mission Statement

To Serve the Lions of District 20-W: Acting in a consultative and mentoring role as a guiding Lion. Providing a clear communication channel between the clubs, Zone Chairs, and the district GAT. Promoting online learning and delivering in-person educational opportunities, personal guidance, and leadership development opportunities.

The District Global Leadership Team collaborates with the GMT and GST coordinators in developing, communicating, and executing the overall District 20-W multi-year strategic plan developed with input from the district 20-W survey of the Lions members and their club committee leaders under the overall administration and of the GAT chairperson (DG Priscilla Laurin).

The primary activity is enhancing communications with all the Lions Clubs through regular contact between the Zone Chairs and the local Lions Club Vice Presidents, assisting them in leadership development and mentoring them in their role as the Lions Club GLT Coordinator.

The main GLT goal of the strategic plan is to promote growth and service orientation with "Lions Lifetime Learning and Leadership Development" programs individually focused on each member's desired curriculum, improving their membership satisfaction, and expanding their humanitarian service experience.

The District 20-W GLT committee members include the District Governor and 20-W GAT Coordinators; the Zone Chairs; and all Club 1st Vice Presidents (as Club GLT Coordinators).

20-W GLOBAL MEMBERSHIP TEAM

GMT Mission Statement

The GMT Coordinator's job is to provide guidance and support to the clubs while also acting as a resource for them. This also includes working with Lions Clubs International and the Multiple District GMT Coordinator to express the needs and problems that the clubs are having in acquiring new members and keeping existing members.

The above purpose is accomplished by a team effort among Club Membership Chairs, Zone and Region Chairs and the GMT Coordinator. The clubs' GST and GLT should also be an integral part of the Team. Leadership, Service and Membership are all parts of the same effort. We all should be trying to develop strong leadership, active community service and stable and increasing membership.

20-W GLOBAL EXTENSION TEAM

GET Mission Statement

GET is to serve the Lions of District 20W to directly impact the success of the Global Action Team's initiatives. The GET leads our district's efforts to charter new clubs. Collaborating with the GMT, GLT and GST district coordinators and the Global Action Team Chairperson (DG Priscilla Laurin) the goal is built and lead a team of Lions who share your passion for extension and new Club growth.

Goals and Action Steps for 2022-23:

- Develop a committee to develop a plan for new club development for 20W.
- Develop and identify opportunities to charter new clubs in communities or within groups of a larger community that are not served or are underserved.
- Collaborate with district leadership to build a team capable of completing the tasks required in successful chartering of new clubs including membership recruitment, leadership development, and engagement in meaningful service projects.
- Develop a plan and timeline for each potential new club following proven processes for new club development including site selection, needs assessments, identification of sponsoring clubs and guiding lions, informational and organizational meetings, and charter member recruitment.
- Understand and communicate the process and policies of new club development to team members and ensure that accurate information is conveyed to prospective members.
- Enable the success of new clubs by helping sponsor clubs establish mentoring relationships with the new club officers and educating Guiding Lions on expectations of the new club.
- Train and involve Lions interested in new club chartering to expand the district's ability to charter new clubs.
- Ensure new club applications are complete, properly approved, and submitted efficiently.

If you are passionate about starting new Clubs or Specialty Clubs and would like to serve on the GET Committee, please contact PDG Michele O'Hare mapohare@gmail.com or 518-410-5941.

PROTOCOL FOR THE DISTRICT GOVERNOR'S OFFICIAL VISITATION

For the District Governor to have a successful visit to your club, please adhere to the following recommendations:

1. Keep your Club's calendar open for the date agreed upon.
2. Please do not schedule any other guest speaker at that meeting.
3. Plan on conducting your regular meeting and agenda, unless the District Governor requests that he/she speak first. (In case of inclement weather or a long drive home for the DG.)
4. The District Governor will be honored to induct new members at the official visit. Please notify in advance.
5. It is customary that the meal of the DG be paid for by the club. It is optional that the meal of the Partner-in-Service be paid for.
6. Send a notice to all members of the Club that the DG will be making his/her official visit. Be sure to give them the date and request that as many as possible attend.
7. Be proud of your Club and tell the DG of your activities.

20-W and 20-Y2 PAST DISTRICT GOVERNORS

Historical Note: From 1921-22 to 1937-38, there was only one DG for the state of New York. In 1938-39, there were five DGs (N, Y, S, L, A). In 1949-50, there were eight DGs (N, E, W, Y, O, R, K, S). District Y2 was added in 1960-61, K2 in 1962-63 and E2 & R2 in 1973-74. In 2018-19, Y1 merged with Jefferson and Lewis counties from District W and was renamed District Y. The remainder of District W merged with District Y2 and was called District W.

If you can supply the home club for any of the Y-2 PDGs for whom it's missing, please send an email to directorychange@20wlions.org or call Lion Jerry Gordon at 518-235-8232.

LIONS ETHICS

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's: to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

To hold friendship as an end and not a means. To hold that true fellowship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

To aid my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be careful with my criticism and liberal with my praise; to build up and not destroy.
