**Meet 2024 - 2025 Lions

MAKE YOUR MARK

**"PROMOTE – DEVELOP
– GROW"**

**A message from
District Governor
Holly McConchie**

Fellow Lions,

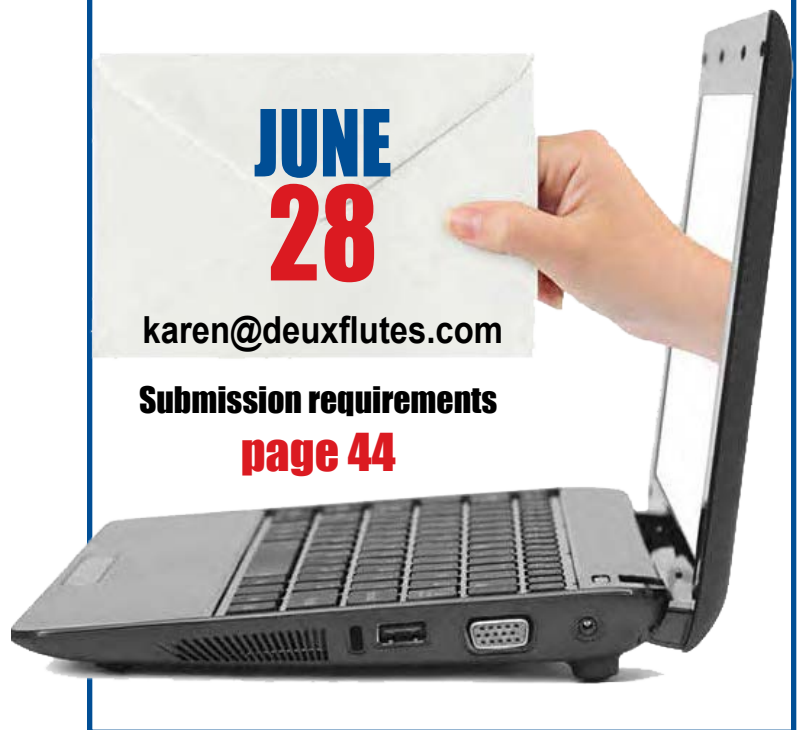

It's June, and the 2024-2025 Lions year is almost officially over, but not quite. Over the course of this year, I have visited and delivered my messages to almost all of our 48 Lions Clubs. I have enjoyed each and every one of these visits, each club visit was different but each was important to me to hear and see how they care for their respective communities. No two clubs were the same in how they achieved their goals, but all of their communities benefited greatly from having our Lions Clubs in their area. Let's do what we can this month to get a few more members into our clubs and retain the ones we have to assist our communities even better in 2025-2026.

I want to again thank all of those District 20W Lions who helped celebrate our year this past Friday at my Testimonial Dinner. The Turf Tavern food was scrumptious, the Lions comradery fantastic, the emcee performance by Lion Jim Cypher (Glens Falls Lions) was spectacular – many times he had us rolling in the aisles. A special thanks to him for all his hard investigative work beforehand. Our official/unofficial photographer, 1st Vice District Governor Elect, Lion Ed Balaban (Broadalbin-Perth Lions) took some fabulous pictures. They are being posted on Northern NY Lions, District 20W Facebook page if you want to see what you missed. I would also like to give a special thanks to Lion Jessie Ware (Galway Lions) for her help. Her mom, the late Rita Ware, was going to be on this journey with me, and Rita would be so proud to have her daughter represent her. I know she was with us Friday night in spirit, but Lion Jessie assisted tremendously with setup and clean up afterwards. I also recognized many individuals and

clubs for all their hard work this year:

- 20W Outstanding Growth Clubs – Albany & Troy +6, Tupper Lake +6, Town of Schroon +5, and Long Lake +5. I inducted many new Lions this year at my visitations and I thank all of those clubs for their membership growth.
- Certificates of Appreciation were presented to the Galway Lions Club for being there all year long for myself and my service partner, Lion Margo, as we fulfilled our duties this year; to the Speculator Lions Club for adding new members, trying new, and reviving old, fundraiser ideas, and for getting back into their community big time; to the Glens Falls Lions Club for bringing sight to those in need in the community by establishing a new eye care program; and to PDG Priscilla Laurin for answering all those “silly” questions I had all year long and for visiting clubs on my behalf when I couldn’t.
- We also presented International President’s Certificates of Appreciation (4th highest Lions award), a Brandel Murphy Miracles Through Service Award, the Vision of Hope, the Knight of the Blind, Progressive Robert J Uplinger Awards, a Melvin Jones Fellowship, and Leadership Medals.

NEXT ROAR DEADLINE

Membership is still an important topic we need to continue investing in. All District 20W clubs should elect a membership chair. A new idea,

Stop the Drop!

has many good action items clubs can take to retain their members.

Here is the flyer that lists some ideas for your clubs.

Stop The Drop!

Keep Our Lions Strong – Keep Our Members Engaged –Why It Matters:

Every Lion counts. When members leave, we lose passion, hands, and heart for our service.

Let’s act now to STOP the DROP!

• 6 Simple Actions Every Club Can Take:

1. Connect Personally

Reach out to absent members with a call, text, or visit.- Show you care beyond the meetings.

2. Ask & Listen

Survey your members: What do they love? What needs improving?- Listen and act on their feedback.

3. Make Meetings Meaningful

Keep meetings fun, inspiring, and efficient.- Celebrate service, not just business.

4. Engage Everyone

Assign small roles or tasks so every Lion feels needed.

Involve members in planning projects they care about.

5. Recognize and Appreciate

Celebrate milestones (years of service, birthdays, achievements).

Say “Thank You” often and sincerely.

6. Have More Fun!

Plan social nights, service celebrations, and lighthearted competitions.

Laugh, bond, and make memories together — it’s why Lions stay!

• **Remember: Retention isn't just about staying—it's about belonging.**

Strong Clubs = Strong Service! Together, We Can Stop the Drop! #WeServe | #StopTheDrop

Service IS OUR CALLING CARD

When people see Lions in action — delivering aid, restoring sight, planting trees — they see real, boots-on-the-ground compassion.

As we know service attracts new members who want to be part of something meaningful.

Footnote there are a total of 2 Lions clubs and one Leo Club did not report their activities this year.

...continued on next page

WHAT MAKES A SERVICE PROJECTS INSPIRING: Four AREAS come to mind:

(1)TANGIBLE IMPACT: People must be able to see the effect of their time such as packing back packs, doing visions screening, food distributions etc.

(2)COMMUNITY RELEVANCE: What do people in your community actually need right now. Build relationships within your community then build your service events

(3)Ease to join in: make it easy for people to engage in the event, don't waste their time, connect with people (talk with everyone not to them)

(4)PERSONAL INTERACTION: Talk to people get to know them, know their passions. WE ARE NOT JUST CREATING A SERVICE IN OUR COMMUNITY WE ARE CREATING A SHARED PURPOSE. Remember socializing is important for success.

Perhaps there is a fifth area **MARKETING**: Support your club marketing chairperson and help build a marketing culture. Proudly wear your Lion gear when you serve, and remember that you are a brand ambassador for your club and Lions everywhere.

Thank you for ensuring that the Governor's goals were achieved and surpassed, without you so many humanitarian needs would not have been met, it is all of the Lions of our district working together that make our district the most Wonderful in the multiple.

Thank you all for your support this year it has been my privilege to serve as the District GST. Please give your full support to our new GST PDG John McDonald.

Global Membership Team

GMT Coordinator
PDG ED STANO

Hello Lions and Leos,

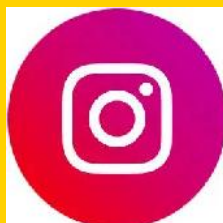

As of Nov. 30th we have added 35 new members and lost 55 members for a net of -20. We had a successful 2023-2024 year, but we still have a lot of work to do. Many of our clubs are less than 20 members, with some that are less than 10. It's the job of all of us to be constantly aware of promoting our organization to maintain our clubs. Remember, ask anyone you think will help your club or for that matter help any club. **JUST ASK!**

Everyone should be aware of Mission 1.5. This is the mission of LCI to attain 1.5 million members by the year 2025. In order to become familiar with the mission, I have noted how you can become more familiar with the mission: Go to the international website lionsclubs.org Click Member Resource Center Scroll down to Quick Links Click Mission 1.5 Click Membership Scroll down to Resources Lastly, remember that your district leadership is always here to help you in any way that we can. Please do not hesitate to reach out to any of us. Start out with your Zone Chair. I am here to help you and your club.

Make a few dollars while you help the environment

Our club has signed up with CLYNK, a company that pays us for returnable cans and bottles and helps keep them out of the landfill. It's an easy way for us to increase our treasury and help the environment.

If your club would like to participate, go to clynk.com and sign up for a "CLYNK to Give" account.

If your club is not participating and you (and any friends or family members) would like to help our club, contact me at 518-235-8232 or jerrygordon@juno.com and I'll get you all the bags you want.

Here's how it works:

Bag it

Put your bottles (with caps) and cans in the green recyclable CLYNK bag. You can include any plastic or glass bottle or aluminum can that's redeemable in NYS. The bag already has our personalized white CLYNK bag tag on it.

Scan it

Bring your bag to any Hannaford Supermarket's bottle-return area, where you should find a hand-held scanner on the wall. Scan the white tag on the bag, which helps ensure all your bottles and cans can be properly tracked.

Drop it

There should be a chute or bin right near the scanner. Drop the bags off and go about your day!

Collect \$\$

Within a week, CLYNK will deposit our earnings right into our bank account.

Vision of Hope Presented to Lion Tom Kevlin

By Lion Ed Balaban

Broadalbin-Perth Lion Tom Kevlin was cited by Lions District Governor Holly McConchie with the Vision of Hope award, in recognition of his dedicated service to Lions Camp Badger, the preservation of sight, and his personal efforts in providing hands-on projects to sight disabled persons.

The Vision of Hope is designated as the ultimate recognition to be presented in honor of a person, organization or “in memory” of those who have a special place in the hearts of the Lions Eye Bank of the Northeast.

This award has been established to help Lions Eye Bank of the Northeast continue their mission to “give the Gift of Sight” along with providing cutting edge technology regarding corneal transplants in a state of the art processing facility.

A not for profit organization, the Lions Eye Bank of the Northeast was founded in 1952. Since 1952 the eye bank has restored sight to thousands of people suffering with corneal blindness. The Lions Eye Bank of the Northeast is a vital link in the chain that connects both donors and recipients of much needed eye tissue. Serving 50 counties in New York State, Great Barrington, Massachusetts along with hospitals in Western Vermont.

Lions Eye Bank of the Northeast serves as a resource center for visual advocacy, and works closely with the Lions of New York State.

The Broadalbin-Perth Lions were live over the airwaves at WENT Radio during Saturday morning, May 10, as the feature of the station's Lions Information Day. The Lions discussed their local missions as well as what specifically drew each individual into becoming a Lion while interspersing the conversations with advertisements from local area businesses. WENT Radio personality Sarah Apple moderated the program which began at 7:00 AM and ran through noon on 1340 AM and 105.1 FM.

While many Lions actively sought business involvement, the Lions who were on the air were Ed Balaban, Tom Kevlin, Tim Munn, and Linda Swietlic.

Local students, educators, businesses, and community leaders were recognized by the Broadalbin-Perth Lions Club at their annual community service awards event held at the historic Broadalbin Hotel.

Each year, the Broadalbin-Perth Lions Club presents awards to graduating seniors from Broadalbin-Perth and Mayfield Central Schools, acknowledging these students' community service as demonstrated by their involvement and activities in school, church and local organizations.

Broadalbin-Perth Lions Club President Bob Townsend said “we come together to celebrate some very exceptional young adults as well as show our appreciation to all of you who are partners in our mission of ‘We Serve’”.

This year's recipients are Hannah Nolett of Broadalbin-Perth and Kaylee Klymkow of Mayfield. Each student received \$2000 towards their future endeavors. Applicants for the award were submitted by each school district to the Broadalbin-Perth Lions Club. A committee reviewed the

applications and those selected were done so based on their overall commitment to the Lions' mission of "We Serve."

Nolett has served as a member of the National Honor Society, Varsity Alpine Ski Team, Varsity Track Team, and Varsity Soccer Team. Her academic accomplishments include the Clarkson University Achievement Scholarship, National Social Studies Honor Society, and has placed on her school's Principal's List every academic quarter in grades 9 through 12. She has also been cited with the New York State Ski Racing Association's

Salley Davis Award, as a Section 2 Second Team All Star on the Times Union Alpine Ski Team, as well as numerous awards for leadership and character. Nolett has also served as a member of the Broadalbin-Perth Varsity Club, as an assistant coach for a Broadalbin Youth Commission soccer team, a teacher assistant in a Spanish class, and assisted in teaching a Confirmation class at her church.

Nolett will be attending Clarkson University in the fall and will major in chemical engineering.

Mayfield Central School senior Kaylee Klymkow, left, receives a \$2000 check and certificate recognizing her community service from B-P Lions President Bob Townsend, right. Klymkow will be attending SUNY Cortland in the fall and has not yet declared a major.

Klymkow is Mayfield Central School's Valedictorian and has captained the Varsity Soccer, Basketball and Softball teams. She is also Vice President of National Honor Society, Class President, and has been cited as a scholar athlete by the New York State Public High School Athletic Association. Her athletic prowess has earned her numerous Coaches and Most

Valuable Player Awards as well as first and second team all star status throughout the scholastic-athletic calendar. She has been involved with Mayfield's Backpack program, Red Cross blood drives and Rise Against Hunger. Her sense of

community service includes volunteering at Mayfield's Servicemen's Club and Broadalbin's American Legion Post 337.

Klymkow will be attending SUNY Cortland in the fall and has not yet declared a major.

Lions Clubs International has several Global Causes, said Townsend, but there is none more important than engaging with our youth through programs focused on service and leadership development.

Master of Ceremonies Broadalbin-Perth Lions Club President Bob Townsend lauded the students recognized "not only for their academic successes, but also for their service to their schools and communities as they are making a difference in the lives of others".

In addition to students, local community members were

also lauded. The B-P Lions Club applauded the efforts of one of their own, Lion Tim Ott, with the Robert J. Uplinger Distinguished Service Award. Established in 1993, the award honors outstanding Lions and non-Lions or organizations who perform exemplary service to a Club, District, or Community. These honorees possess the highest examples of

Market 32 and Price Chopper were recognized for their recent donation of \$500 in gift cards designated for the Mayfield and Broadalbin Backpack Programs. Each program will be granted a \$250 gift card to address food

insecurity for students and their families.

to “celebrate our Partners in Service”. He brought attention to the printed program which cited 57 organizations and businesses in the greater Broadalbin-Perth-Mayfield community which supported the Broadalbin-Perth Lions during the year. We greatly value your support, said Townsend, and want to formally say, ‘thank you!’”

Townsend recognized the following organizations in addition to Market 32 and Price Chopper, who have partnered with the Broadalbin-Perth Lions: Adirondack Wood Floor Company, Bob’s Trees, Boy Scout Troop 51, Broadalbin Backpack Program, Broadalbin-Perth High School Key Club and National Honor Society, Broadalbin Youth Commission, Carondelet Community Fund, Mayfield Backpack Program, Mayfield Central School National Honor Society and Key Club, Perth Youth Commission, and WENT AM/FM. Townsend emphasized that “every dime we generate goes back to the community, and we look forward to continuing our service through partnerships.”

Former Broadalbin-Perth Schools Superintendent Dr. Harry Brooks was guest speaker and delivered his comments prior to the dinner and formal presentations. A long-time and dedicated educator who knows first-hand about the merits of student engagement and volunteerism, Brooks explained how the student award recipients’ academic and extracurricular experiences has molded their respective characters for future success. He expressed his gratitude to all those present “for all you do for your community.”

Broadalbin-Perth Lion Tom Kevlin fabricated 75 bird feeders and 75 tool boxes for donation on behalf of his

Club to Lions Camp Badger, a project of the New York State and Bermuda Lions. The camp became a statewide Lions project in 1980.

The camp’s mission is to provide services that enhance the

educational, vocational, personal growth and independence of differently-abled individuals.

The donated bird feeders and tool boxes, shown loaded in a trailer for transport to Camp Badger in Spencer, will provide an opportunity for those attending the camp to further develop their creative and motor skills by decorating and painting the unfinished items.

Lion Tom, and his wife, Lion Valerie, represent the

Northern New York Lions on Camp Badger’s board of directors. They will spend the Memorial Day weekend at the camp preparing the facility for the summer influx of campers.

Donations of food to the Country Pantry

By Lion Jim Winkler

At our first meeting of the month, members brought 45 pounds of **food staples, canned vegetables & fruits, and cereals** to be contributed to the Country Pantry for their next distribution scheduled on May 12th.

Also, our **April Student of the Month, Elizabeth**

Bashant and her parents were our guests for dinner.

Elizabeth is a senior who will be graduating in June from Clinton Central Senior High School. She will be continuing her education at Rochester Institute of Technology in the

fall where she plans to pursue a double major – American Sign Language and dance. Elizabeth has been very busy in her days at Clinton. In addition to being in the National Honor Society, she has participated in the annual school musicals, pursued dance at a local dance studio, taught Faith Formation Classes at her local parish and served as an altar server as well. We all wish her the best and if her past is any indication, her future

should be equally as successful.

On Saturday, May 3rd, twelve (12) club members joined with approximately forty (40) other community organization members around the Village Green for our annual **Community Collection Day**. Although the weather was much less than ideal, holding down the number of community residents who visited us, we collected food and financial contributions for our Country Pantry, directed the clean up some of the “winter-mess” in the heart of the village and collected recyclable articles for disposal from residents. Our tasks specifically focused on traffic control, soliciting financial contributions for the pantry, unloading articles to be recycled and food contributions for the pantry. In addition, one of our members directed youth groups who cleaned up debris around the village green. One club member and his partner in service attended the **35th Anniversary Luncheon of the Lions Eye Institute (LEI)** at the Albany Country Club on May 10th. The presentation given by the Special Guest & Featured Speaker, Dr. Robert Schultze was most informative and the northeast is very fortunate to have a person with his skill and dedication practicing in our area. His talents and willingness to mentor and pass those skills onto tomorrow’s eye surgeons is most impressive. He is to be congratulated along with the LEI for 35 years of service to those with vision impairments.

Our final total is in for the **sale of chocolate bunnies**. Our treasury realized \$1,100 in sales of the bunnies. We also donated numerous bunnies to a couple non-profit organizations in our area. This sale was again a financial success and continues to increase our visibility in the community.

At each Distribution at the Country Pantry located in the Church of the Annunciation in Clark Mills, NY, each vehicle passes by Intake Coordinator Judy LaGasse prior to receiving food. This verifies individual’s residency within our coverage area. Note the abundant sunshine – something we haven’t experienced on recent Distribution Days throughout the winter months (May 12, 2025).

On May 12th four (4) club members joined other community volunteers at the Monthly Distribution of food at our local Country Pantry. We distributed food from both sides of a large tent in the parking lot of the Annunciation Church in Clark Mills, NY. This month clients received frozen hot dogs, assorted frozen vegetables, cereals, fruit juices, eggs, yogurt, milk and assorted personal hygiene products. All items were either purchased from the Central New

York FoodBank in Syracuse, NY with grant/donated community money or donated by community residents. This month approximately 1,350 individuals were served. Clients continue to be most grateful for the supplemental food assistance.

Donations this month included a half page advertisement in the Central New York

Clinton Lions Bob Maxam and Bill O’Mara direct resident proper location to drop off their recycling materials while Lion Les LaBrecque and Garry Colarusso wait next vehicle on Community Collection Day in the Village of Clinton (May 3, 2025).

Firefighters Program Book (\$60), a contribution of \$200 to a fellow Lion in one of our regional clubs for assistance with medical & final expenses incurred with the recent passing of her husband (also a Lion), donations to a local Lions Club in memory of a recently deceased member (\$50) and we have begun awarding our annual graduation awards to graduating seniors in local high schools in our area.
