The Brandel - Murphy Lions Youth Foundation

"To provide assistance to children in need, throughout the state of New York and the country of Bermuda, through partnerships with Lions and other organizations, by supporting programs that will improve the lives of those served."

Since our mission began in 2011, **The Brandel - Murphy Youth Foundation has awarded 199 Humanitarian and Emergency grants that have totaled over \$363,000 and have helped almost 258,000 children in need** throughout New York State and Bermuda.

In other words, by assisting local Lions Clubs, our Foundation has now helped over a quarter of a million kids enjoy a happier and healthier life!

Over the Past Year BMYF Grants are helping Lions Clubs to:

- Fight Food Insecurity for over 400 children in need through supporting:
 - Local after school "Backpack Programs" for students to bring home healthy meals during school closures.
 - Fresh Food Voucher distributions.
 - "Dinner4Kids"
- Purchase, maintain and use Vision Screeners, such as the one shown at right, to protect the eyesight of over 7,000 children.
- Ease the lives of 65 children with cancer with an iPad program.
- Provide beds, books, coats, and sneakers to hundreds of children.
- Improve the athletic opportunities for 500 children in need, including a new scoreboard, the "Step Up Athletic Program", and our second Major Grant of \$15,000 matching funds for the Challenger Sports Complex in 20-N.
- And so much more!

The BMYF Legacy Society

The Brandel - Murphy Youth Foundation is able to provide these matching grants because of the generosity of our many donors.

To compliment our ongoing current fundraising and grant activities, we have also created the **Brandel - Murphy Youth Foundation Legacy Society** with its mission "Today's Heroes, Tomorrow's Miracles".

With this program, our supporters are invited to pledge estate gifts toward the Foundation. Anyone can leave a legacy gift. No gift is too small or too large as every contribution is vital toward the ongoing mission of the Foundation, today and for years to come.

Join us today in shaping a brighter future for our community. In appreciation for joining the **Legacy Society**, members are awarded a unique lapel pin and are invited to an exclusive **Legacy Society** event at the MD20 Convention.

For more information on the BMYF Legacy Society, our Grant Programs, and other ways in which you can support our mission, visit our website below.

Message from ... **MICHELE O'HARE**

A heartfelt thank you to every Lion for your unwavering dedication and tireless service. As we close out this year and prepare for the next, let's remain focused on our core priorities—intentional recruitment, meaningful retention, impactful service, and strong teamwork.

Our current membership across MD20 stands at 12,955. While we saw promising growth in some districts (notably District O with +75 and District R2 with +44), our net growth was -55. We welcomed 1,101 new members but lost 1,411—highlighting the critical need to strengthen retention, deepen engagement, and clarify expectations from day one.

We've identified challenges including leadership gaps, unclear roles, and a need for more consistent collaboration across clubs. But we've also seen what works—dynamic leadership, high-visibility service, personal outreach, and flexible, district-specific training. These examples show us the path forward.

EXCITING TRAINING OPPORTUNITIES AHEAD:

We're gearing up for powerful learning opportunities at the upcoming Summit and again on August 16th, when all District Governors and GAT teams will gather for a focused training supported by LCI experts. These sessions will cover:

- Club officer roles and leadership expectations
- Membership strategies and mentorship
- Effective marketing and impactful service
- Navigating the Lions Portal
- Wellness, generational engagement, and more

These trainings, available both in-person and virtually, will align our shared goals and equip all of us to thrive in the year ahead.

Let's not forget—it's simple: just ask. If every Lion asked just *one person* to join, and we retained and nurtured that new member, we could transform our growth trajectory overnight. Imagine the strength, energy, and joy that would bring.

Together, we *can* and *will* achieve a strong, positive year in membership. Let's lead with purpose, serve with pride, and grow with heart.

Next GMT Meeting:
MONDAY, AUGUST 18th AT 8:00 PM

Let's move forward, energized and united.

LM Lions and Sedona Taphouse *Support* The STEM Alliance's Co-Op Summer Enrichment Program

Sedona's Bill Jablonski, STEM's Meg Kaufer and LM Lion Diane Oldham

The LM Lions teamed up with Mamaroneck's Sedona Taphouse for their Dine Out for Charity program in support of The STEM Alliance's Co-Op Summer Enrichment program. Sedona dedicates a full month of Mondays throughout the year in support of local charities and service groups. For the month of May, Sedona raised \$688. Combined with the Lions support, nearly \$1,200 was raised for Co-Op Summer Enrichment.

Bill Jablonski and Sedona Taphouse in Mamaroneck have been strong supporters of the community. Under Bill's direction, Sedona has donated over \$150,000 in support of local community organizations. This does not include the often matching donations that his "Dine Out" attracts.

Co-Op Summer Enrichment, a Mamaroneck School District program led by The STEM Alliance, is an essential summer program that provides five weeks of both academic and recreational experiences for 300+ students from all Mamaroneck District Schools, including employing local teens and college students. The program

predominantly serves families with financial need, offering them access to quality learning opportunities and summer activities. This is particularly crucial in combating the phenomenon known as "Summer Slide," wherein children experience a decline in academic skills and knowledge during the summer break.

The Larchmont Mamaroneck Lions mission is to support - with funding, volunteers & advocacy, local service groups by bringing community leaders together to determine needs, resources & achieve solutions. The LM Lions are part of Lions Clubs International, the world's largest service organization of over 1.4 million members. The Lions signature cause is Vision/Blindness, along with Hunger, the Environment, Diabetes, Childhood Cancer and the future of our Youth. They are signatories of the United Nations resolutions on women's and refugee rights, and are currently active in Afghanistan & Ukrainian refugee resettlement. In addition, affordable housing is a local Lions priority. For more information: <http://www.lmlionsclub.org/>

Jericho-Brookville Lions Club delivered 170 pounds of used crayons to Staples

The Club collects them from schools, libraries, community centers and parents. Staples will send the crayons to the "Crayon Initiative, Inc." to be remanufactured into larger 3 sided crayons to be sent to children's hospitals.

The larger crayons are easy to hold and the three sides prevents rolling from hospital trays.

This year the Jericho-Brookville Lions Club has kept a total of 818 pounds of used crayons out of landfills and these crayons have provided 4, 090 packages of new larger crayons for hospitalized children.

HAPPENING AROUND DISTRICT 20-S

The Brandel - Murphy Youth Foundation presents

“Jack Weber, Here!”

A Memoir, A Master Class in Lions Leadership

At the age of 101, Past International Director Jack Weber continues to be a valuable leader in our Multiple District. For over 70 years he has always dedicated his life to our Lions motto - “We Serve.”

PID Jack’s leadership credentials are impressive. He has served in every club officer position, as the District Governor of 20-K2 and the President of the MD20 PDG Association. In 1984, PID Jack was elected as an International Director from MD20 and twice again he has served as an LCI Board Appointee. Yet through it all, PID Jack has always been proud to be a “grass roots” Lion.

During the Covid-19 lock down, PID Jack decided to use his time productively. Collecting all the thoughts and memories about his life, the result of that effort is “**Jack Weber, Here!**” - a 500 page, hard cover memoir, including over 200 pictures of his life and Lions Journey.

Jack Weber, Here!

A MEMOIR

PID Jack did not spend over two years writing this book for his own profit. He has instead pledged to dedicate all of the net proceeds from his book sales to benefit the Brandel - Murphy Youth Foundation.

He also did not write this memoir to merely share the very interesting story of his life. “Jack Weber, Here!” was also written so that any aspiring leader could achieve and enjoy the same success in their Lionism that he continues to experience today at 101 years young.

You can purchase your own copy or perhaps one for your club at the price of \$40 by clicking on the QR code at left or by going to Amazon.com and searching the book title. Shipping is free when using your Amazon Prime account.
