**Lions Clubs

2025-2026
International
President**

A.P. Singh of Kolkata, India

**“Lead to Serve,
Serve to Lead”**

A message from
**District Governor
Barbara Bentley**

“Lead to Serve, Serve to Lead”

That is the 2025-2026 theme of our International President, A.P. Singh, who was sworn into office in Orlando at the International Convention. With being so close to Disney World, he shared how Walt Disney believed in his dreams and chased his vision! And we are all familiar with the results. We need to chase excellence in all we do and success will follow. We can find innovative solutions among the challenges we face in our clubs and let those challenges inspire us. Bottom line.... Never give up!!

So, let's continue to have that conversation during this Lion's year. What are our challenges? What are some of the innovative solutions we can work on to overcome those challenges? Those are the questions I am asking everyone give some thought. These are the things that I'd like to talk about during my visitations this year. But not just talk about them, work together to overcome them. We are a TEAM after all!

I continue to encourage all clubs to share their stories, their service projects, fundraisers and fun they are having, on their social media pages or in the local media! Marketing what we do is not bragging.... It is inviting. Inviting others to see what we do in our communities to inspire them to join with

us. The more members we have, the more service we can perform! And don't forget our District challenge for this year... for each club to bring in at least two new members. I really want to recognize all of our clubs at the end of the year!! Let's work together to achieve this and celebrate all that we do in our communities!!

Finally, I want to encourage EVERYONE who can to attend our first Cabinet Meeting on Saturday, September 6th at the Holiday Inn & Suites in Latham. We will be having a presentation from Guiding Eyes for the Blind, a guest speaker from NABA (Northeastern Association for the Blind at Albany), information about Lions SEE grant opportunities, and an open discussion about our District goals and idea sharing! Plus, PCC Mark Whitney will be doing portal training and club officer/zone chair education in the afternoon. I'm looking forward to a fun and energizing day to start off our Lions year!! I ask that you please give some serious thought to being in attendance!

As I have said before, I am excited for this year!! We have work to do and we have a great team to help get it done! Remember, we are all a T.E.A.M., because Together Everyone Achieves More!

Yours in Lionism,

Lion Barbara Bentley

Global Leadership Team Coordinator

Save the Date: Saturday, September 6th

Hello! ALL INTERESTED LIONS and LEOs, Club Officers, Zone Chairs, Global Action Team Coordinators, PDG Ambassadors, and anyone who wishes to become familiar with the Lions Portal and Lions AI Tools and Resources:

Training on the Lion Portal and AI Tools will be held on September 6th and 7th at the Latham, NY Holiday Inn Express. The training will include in-person demonstrations, Q&A, and group orientation to enhance Lions and LEOs skills and knowledge.

In addition several other training resources are currently available to you now:

1. ****Training Videos****: Access a diverse range of training videos, including guidance on submitting dues and reporting service. These videos can be viewed on the "Lion Portal Training YouTube channel" (<https://www.youtube.com/@lionportaltraining>).
2. ****Quick Guides****: Numerous Quick Start Guides are available, covering specific Lion Portal topics. These guides can assist you in effectively managing club officers and members.
3. ****Club Officer Training Modules****: These modules provide an overview of club officer roles and responsibilities. You can find these resources on the [Club Officers Training page](<https://www.lionsclubs.org/en/resources-for-members/resource-center/club-officers-training>).

In conjunction with the in-person portion of the Zone Chair Training curriculum, we will review Club Officers' roles and inclusion on the DGs Advisory Committee Orientation.

My intention is to introduce and deliver in-person GAT Club Officer, Club Membership Chair, and Club Marketing Chairs with specific hands-on role-related exercises for members and their team's orientation. This will be achieved through a hands-on "Tour" of the portal and examples of Lions oriented AI applications.

This approach aims to bring together and reinforce everyone's prior online learning, including the training videos, Quick Guides, and ZC and Club Officer Training Modules.

Together with our Zone Chairs, we will explore these resources to enhance the skills and knowledge of all club officers and leaders.

This in-person orientation and training will be held before and after the Saturday morning District Cabinet Meeting:

Initially, one-on-one demonstrations and Q&A will begin Friday evening, September 7th between 7 pm - 9 pm and then again following the 9 am-2 pm Cabinet Meeting on Saturday the 8th.

Group orientation and classroom demonstrations will continue after the cabinet meeting from 3 pm-6 pm on Saturday the

6th, and additional one-on-one demonstrations will also be available on Sunday morning from 9 am-11 am.

The cabinet meeting and training will be held at the Latham, NY Holiday Inn Express - Albany Airport Area.

This will provide several opportunities for individual attendance and tutoring. All online and in-person learning will be reported and recorded for each participant through the Lion 'LEARN' portal application to both recognize members' individual achievements and our district's progress towards the GAT GLT Goals for 2025-2026.

Upon completion, each Lion will have a working familiarity in using the portal and AI resources for managing Lions club activities.

Make a few dollars while you help the environment

Our club has signed up with CLYNK, a company that pays us for returnable cans and bottles and helps keep them out of the landfill. It's an easy way for us to increase our treasury and help the environment.

If your club would like to participate, go to clynk.com and sign up for a "CLYNK to Give" account.

If your club is not participating and you (and any friends or family members) would like to help our club, contact me at 518-235-8232 or jerrygordon@juno.com and I'll get you all the bags you want.

Here's how it works:

Bag it

Put your bottles (with caps) and cans in the green recyclable CLYNK bag. You can include any plastic or glass bottle or aluminum can that's redeemable in NYS. The bag already has our personalized white CLYNK bag tag on it.

Scan it

Bring your bag to any Hannaford Supermarket's bottle-return area, where you should find a hand-held scanner on the wall. Scan the white tag on the bag, which helps ensure all your bottles and cans can be properly tracked.

Drop it

There should be a chute or bin right near the scanner. Drop the bags off and go about your day!

Collect \$\$

Within a week, CLYNK will deposit our earnings right into our bank account.

CENTRAL ASSOCIATION FOR THE BLIND AND VISUALLY IMPAIRED (CABVI)

August Highlights Children's Eye Health and Safety

By Miranda Watson

As part of Children's Eye Health and Safety Month this August, the Central Association for the Blind and Visually Impaired (CABVI) is encouraging families to prioritize their children's ocular health and take precautions to prevent common eye injuries.

Vision problems can significantly affect a child's ability to learn, grow, and thrive. According to the National Society to Prevent Blindness, one in four school-aged children has a vision condition that can impact academic performance. Without early detection and treatment, conditions such as amblyopia (lazy eye), strabismus (crossed eyes), and myopia (nearsightedness) can lead to long-term complications, including developmental delays and behavioral challenges.

In addition to vision conditions, eye injuries are a leading cause of vision loss in children. Each year, thousands of children suffer eye injuries from sports, toys, and household accidents, many of which could be prevented with proper supervision and protective eyewear. The American Academy of Ophthalmology reports that 90% of all eye injuries are preventable.

It is important for families to schedule eye exams before the school year begins and to stay informed about the importance of eye health and injury prevention.

"Make an annual eye exam part of your children's back to school routine to make sure that they're visually performing their best in the upcoming school year!" said Dr. Kimberly Wadas, a low vision specialist at CABVI.

For more information about CABVI's programs and services, visit CABVI.org.

CLINTON LIONS CLUB

Busy in the Community

By Lion Jim Winkler

Although we had no club meetings this month due to our summer hiatus, we have been busy in our community.

The third Tuesday of the month we hosted our annual picnic lunch for the members of the Town of Kirkland Senior Citizens. This event has been a staple of our club for over forty (40) years. It was chaired once again by Lion Mary Zimmler and it was held at the Clinton Fireman's Pavilion and attended by fifty-five (55) seniors. Eleven (11) club members cooked hot dogs, serving them family style to the seniors along with potato and macaroni salads, chips and assorted drinks. Topping it off, our guests had their choice of assorted store-bought cookies and additional drinks. No

one went home hungry and everyone, including our club member seemed to enjoy themselves. Lion Mary once again did an outstanding job with this event!

While they had been providing supplies of water for distribution in the area since the storm hit, volunteers from this unit were on hand to provide hot lunches for each family during distribution. Pantry clients also enjoyed frozen cups of ice cream obtained at a much-reduced rate from a local ice cream facility. Each

July day with temperatures in the lower nineties.

This month, in addition to the hot lunches and ice cream, volunteers loaded eggs, milk, fresh vegetables, both fresh and frozen fruits, yogurt, frozen meats and assorted personal hygiene items into the back seats or trunks of 405 vehicles (representing approximately 1,285 individuals) as they drove by both sides of a tent erected in the parking lot of the Church of the Annunciation in Clark Mills, NY. Frozen products were delivered earlier that morning from the Regional Food Bank in Syracuse, NY. Other items were sourced from contributions received from generous community members or purchased from the Regional Food Bank.

Next month we will attempt to resurrect a “version” of our former Garage Sale by renting booths to local residents and crafters where they can display merchandise for sale to the public. This will be held in our local ice hockey arena for protection from the weather.

A week later, we will hold our annual Shredding Event for the community. For three (3) hours a commercial shredder will be available in the village. Area residents and businesses can bring their confidential documents for on-site shredding. We will be asking for a free-will donation. WISHING NEWLY ELECTED DG BARB EVERY SUCCESS THIS YEAR ...
