Campaign 100 Model Clubs

A program for clubs to help reach LCIF's goal of raising US\$300 million by June 30, 2022.

To be recognized as a Model Club, a club has to commit to donate a minimum of \$500 per member average (PMA) during the 5 years from July 1, 2017 to June 30, 2022. This includes member donations, proceeds from fundraising events, gifts from the club treasury, Local Business Contributions, Non-Lion Individual Donations, etc.

Membership levels vary during the 5 years. For calculating the \$ commitment, the number of members on the date of commitment is used. For example, if a club has 40 members on the date of the pledge, that number is used. The minimum commitment is \$20,000 (40x500). It stays the same whether the membership count increases or decreases.

Family members who are affiliated with a club are not included in calculating the minimum goal to achieve Model Club status.

All fundraising that is directed towards LCIF from July 1, 2017 to June 30, 2022. Hence club's contributions since July 1, 2017 count towards this goal.

The minimum per-member average is the total average over the course of the campaign – not in a single year. There are no mandated milestones for donations, though it greatly helps in setting periodic goals. Obviously an ongoing plan greatly helps to reach the goal.

To quote LCI: *Please utilize the strategies that will be most effective in your club. We recognize each club is unique. Consider your club's special fundraising skills and resources to see how it will contribute to your Campaign 100 success!*

Model Club recognition occurs upon achieving each of the three milestones outlined below:

Milestone One: Upon SUBMISSION OF COMMITMENT FORM, Model Clubs listed in printed/digital media, displays at convention, etc.

Milestone Two: Upon ACHIEVEMENT OF DECLARED PMA GOAL, Model Clubs receive a banner patch and accompanying physical recognition items. PMA milestone can be achieved with cash donations and/or documented pledges submitted to LCIF.

Milestone Three: FULFILLMENT OF COMMITMENTS. Once all pledges are fulfilled and receipt of all contributions toward the minimum PMA are received by LCIF, Model Clubs receive physical and public recognition once again, which may include a special dinner for club leaders present at convention (Milan, Singapore, Montreal), a banner patch, and banner topper. Public recognition (scrolling screen at International Convention, etc.).

Bethlehem Lion's Club Report

On the third Thursday of the month of August it has been a tradition for us to host a picnic for the Senior's in the Town of Bethlehem. Once again this past August it was a huge success. We served approximately 90 folks. All had a fantastic time. We grilled hot dogs, hamburger's, and topped all off with a variety of salads and watermelon.

Also, many of our club member's cooked all summer long for the youngster's attending the summer events at the Elm Ave. Town Park. Led by Lion Dan Ryan many afternoons moved even smoother along when lunch time arrived. All the children made a large poster and presented it to our club. We are now getting ready for our Christmas tree and wreath sale. All are ordered and before long we will be hauling them off the deliver trucks around Thanksgiving time. Look for us on rt. 9W in Glenmont.

We continually collect stamps for veteran's and cereal box tops. That is a project headed up by Lion Rick Rudofsky.

PDGL Michelle O'Hare is busy setting up some wonderful speaker's for our second Mtg. of each month. ZCL Liza Tougher is busy with ZCL Florence Brisee putting together a Zone Meet n Greet Buffet style mtg./dinner at the Normanside Country Club in Delmar for Oct. 30th 2019. There will be a presentation given by 1stVDGL Rick Brisee. DGL Ed Pike will also give a few words and report on his journey's so far.

Our newest club member but one who has been previously in the Lion's Club in a different locale, Gerry McAvoy is busy with MS. Karen Mort of the Cornell Cooperative Ext. working on the subject of Diabetes.

We will be collecting non-perishable food items at every mtg. for the Town of Bethlehem food pantry. Again a continual project. We were invited to a ribbon cutting ceremony at the Eagle Elementary School in honor of our donation given to the school building project.
