- **GRANTS:**

It was reviewed that in November the cabinet approved the NYS&BLF grant from Ogdensburg to be presented at the Foundation's January board meeting and the grant from Long Lake that was approved to be submitted at the Foundation's April meeting. Cambridge also had a grant they wished to submit once they were able. It was discussed that if both the Ogdensburg grant and Long Lake grant were closed before the NYS&BLF board meeting in August, both the Cambridge Grant and the Gouverneur club grants could be submitted (30 days before that meeting is held).

- The cabinet approved the submission of the Cambridge Lions club grant request to the NYS&BLF that was previously presented to the cabinet at the November cabinet meeting.

PDG Milledge Smith reviewed the NYS&BLF grant request from Gouverneur. The request is to fund two IV pumps for the Gouverneur Rescue Squad. The pumps cost \$1,050 each and \$200 to calibrate.

- The cabinet approved the submission of the Gouverneur grant request to the NYS&BLF board.

- **GMT Report:**

(See Attached)

PDG Ed Stano reported that to date we have gained 87 members and lost 88 members.

He encouraged all clubs to add plus one to their membership.

Lion Dave Parmon suggested asking those that give money to support the Lions to join our clubs.

- **DGE Report:**

DGE Ricky Laurin discussed how kindness is synonymous with happiness.

He also reported that he has been attending visitations with DG Michele to get to know the clubs.

- **GLT Report:**

(See Attached)

PCC Mark Whitney encouraged frequent, local orientations to progressively develop leadership skills and continued online learning.

He reported that we have 13 Certified Lions from 10 different clubs in 20W, but none have yet to be assigned to a club.

All club officers are encouraged to attend online learning courses that are free and will go on your Lions learning record.

He also encouraged all to attend the training on April 30th and May 1st.

It was reported that Lion Priscilla Laurin will be attending the Advanced Lions Leadership Institute.

- **GST Report:**

PDG John McDonald spoke of service being the foundation of our association and what drives our membership and from our membership is where we identify future leaders.

He stressed the importance of attending and sharing ideas about service at our cabinet meetings. Partnerships are a big thing we can use.

He reported that over 80% of our clubs are reporting service regularly.

PDG John and PCC Frank Blair have continued working on a new club in Burnt Hills/Charlton.

Bad weather caused a couple cancellations, but there are several people interested and they are being patient and optimistic that they will have a new club.

Committee Reports:

- **New Voices:**

Lion Rita Ware reported that she is not having any luck with people responding. She asked that

everyone try to choose a person in their club, young adult or woman, to submit their answers to the questions.

- **LEOS:**

Lion Joe Wagner reported that the Greenfield Lions are in the process of rebuilding their Leo Club.

There is a student at Siena College that is working on getting a club (OMEGA) at the college and currently has about 20 interested members.

PRESENTATION:

Presentation was given by Nichole Borchard about Double Up Food Bucks, currently working with the Albay-Troy Lions Club. (PowerPoint attached)

Committee Reports Continued:

- **Childhood Cancer:**

Lion Diane Lange has been in contact with the Ronald McDonald House and Melodies Center and reported that we can continue to help families with gas cards.

Leos clubs can be encouraged to make out generic cards for the children at the Ronald McDonald House of Melody Center.

Looking forward to working with the Patroons on assisting with a Childhood Cancer night.

- **Hunger:**

Lion Bob Maxum reported that a couple of clubs asked members to bring a non-perishable food item with them to the meeting for their local pantry.

The Clinton Lions are raising money for the local pantry from shredding paperwork at the clean up day in Clinton.

LEOS are also doing work with the food pantries.

- **Environment:**

Lion Greg Sheldon is reaching out to clubs to start a conversation on environment.

He is looking at things we can do in the district.

DG Michele noted that she would be sending an email to the clubs regarding St. Catherine's Center for Children looking for help with raised gardens to grow vegetables.

- **Hearing:**

Lion Dave Parmon spoke about the Hearing Conservation Society.

Four years ago, LCI cut off the affordable hearing aid program and in response to that change, district 20W made some changes and streamlined the application process.

He reported that the funding stream from recycling hearing aids has gone away. He is researching other companies that may recycle hearing aids to bring back that revenue stream.

He suggested that all clubs have a hearing chair. Once an application is received, the chair should meet with the applicant to vet them financially. If needed, the Hearing Society would get the forms from the club to chair to assist.

DG Michele noted that the Hearing Society has given a lot of money to our clubs and we should be supporting them. It was recommended that the club hearing chair attend one meeting a year of the Hearing Society.

PRESENTATION:

Presentation was given by Dr. Kathleen Braico with the Glens Fall group, The Adirondack Welcome Circle, that is sponsoring an Afghan family.

Alert Building:

PDG Rick Brisee spoke about the Alert Building that came about after Hurricane Sandy to respond to natural disasters or weather emergencies. It was intended for New York State, but has capabilities to respond to other parts of the country, as with Kentucky where \$15k in supplies were sent.

They are now working on replacing what went to Kentucky and have replaced about half already.

If help is needed, it must be requested by the club, not the community.

The "alert building" members will stick the trailer with what is needed that can be picked up. If the club can't pick it up, they will get the trailer to the area.

All clubs in the state have access to the Alert building.

There Alert Building is in Spenser/Ithica and they have a satellite on Long Island now. They are looking to a possibly have another satellite in the Saranac Lake area.

They are in the process of putting the items in the alert building on the state website and hopes to have that done by the state convention. Until then, if there is an emergency, contact the District Governor.

New Business:

DG Michele shared that there will be a special meeting of the Cabinet on April 20th to put Lion Priscilla Laurin in as 2nd Vice District Governor.

Lion Priscilla Laurin read the resolution from the Chazy Lions as nomination for Ricky Laurin as District Governor for 2022-2023. (See attached)

Lion Ricky Laurin read the resolution from the Chazy Lions as nomination for Priscilla Laurin as 2nd Vice District Governor for 2021-2022 (will be voted on 4/20/22) (See attached)

GMT Report

March 12, 2022

Hello Members of District 20W,

It looks as though things regarding the COVID virus are getting better. I think we still need to be careful, but we should be able to move forward and start meeting on a regular basis. Hopefully, we can get back to our service projects and fund raising. We also can get back to regular membership efforts. This includes new members and **retaining** our existing members. Presently we have added 85 new members, but have lost 88 members for a net gain of -3. The fact that we have added 85 new members indicates that we are gaining members. We need to pay more attention to our existing members. Twenty one of our clubs have a net minus in membership. If every club sets their sights on ending the year with a net plus 1, we will be on our way to building stronger clubs and a stronger district.

Please just remember that your Governor and her leadership team are here to help you in any way that we can to build your club. We truly believe that it's your club your way. We don't look to change your club, we want to help you continue service to your community. Remember, your zone and region chairs are your local leadership whose job is to stay in contact with your clubs to offer their help and communicate to the Governor what your needs are. If any club would like me to come to your club, don't hesitate to contact me directly.

YIL,

PDG Ed Stano

SARATOGA SPRINGS LIONS CLUB

The following is a summary of activities in which the Saratoga Springs Lions Club has participated or has been engaged in planning since the last District Cabinet Meeting held in early November:

- * November 14 - District Diabetes Chair Lion Barbara Bentley organized an event, "Education and Awareness re: Diabetes and Prediabetes," held at Bob's Trees in Galway. The informational event, which included a Diabetes Walk and raffle, was held in conjunction with Diabetes Awareness Day. Lions from throughout Zone A as well as diabetes professionals were in attendance.
- * November 25 - The 20th Annual Christopher Daley 5K Turkey Trot was run on Thanksgiving Day with Saratoga Springs Lions once again volunteering to assist in traffic control and other capacities.
- * December 4 & February 12th - Camp Abilities Saratoga Virtual Mini-Camps were conducted via Zoom whereby camp specialists delivered stimulating adaptive sports sessions and thematic activities to campers who participated from the comfort of their home.
- * December 17 - The annual Saratoga Springs Lions vs. Rotary Holiday Kettle Ring-off took place along Broadway in downtown Saratoga Springs. Within a three hour time frame, bell ringers greeted passersby who generously donated \$2,662 to the red kettles, all of which directly benefited The Salvation Army, Saratoga Springs Corps.
- * December 21 - The Childhood Cancer Committee purchased thirty \$20 Stewarts gas cards which were distributed to families who are traveling regularly to and from Albany to visit a child family member at either the Ronald McDonald House or the Melodies Center for Childhood Cancer & Blood Disorders.
- * January - The postponement of our club's annual Food Pantry Drive (previously scheduled for January 15th) did not deter Saratoga Springs Lions from delivering food and monetary donations directly to local food pantries. As in the past, our Lions continue to provide relief to members of our community who experience food insecurity issues.
- * January 16 - A number of Saratoga Springs Lions attended the District 20-W Convention, either in person at the Courtyard by Marriott in Lake George or via Zoom. Designated delegates cast their electronic votes that morning in the District primary election for International Director. PDG Lion John McDonald prevailed and is now the District 20-W endorsed candidate who will go on to seek the endorsement of MD-20 in a statewide election scheduled to take place May 22nd in Niagara Falls, NY.
- * March 1 - The Saratoga Springs Lions Scholarship Committee made their applications available online and began accepting applications from upcoming June 2022 graduates currently enrolled

in a Saratoga Springs high school. Over \$20,000 will be awarded to deserving scholarship recipients who will continue to pursue their educational studies in either an academic or vocational program.

* March 1 - Camp Abilities Saratoga began accepting applications from campers interested in attending the 2022 in-person camp that will be held July 31st through August 6th on the campus of Skidmore College. It should also be noted that CAS board members have been busy delivering presentations (both in person and via Zoom) in an effort to generate interest and financial support from other Lions Clubs throughout District 20W.

* March - Due to the winter COVID surge and time constraints in organizing the Trivia Night (previously scheduled to be held Friday, March 11th, at the Canfield Casino, Congress Park, Saratoga Springs, NY) it was decided to postpone the event until early October 2022.

Upcoming Events:

* Camp Abilities Saratoga - Yet another Virtual Mini-Camp will be conducted via Zoom on April 2nd.

* Chocolate Bunnies - The Saratoga Springs Lions Club will once again engage in its annual Spring sale of chocolate bunnies (both dark and milk chocolate) at various public venues.

* Brewseum - The previously postponed and rescheduled 9th Annual Night at the Brewseum remains on the calendar, scheduled for Friday, April 22nd, from 6:00 PM to 9:30 PM (VIP Hour 5PM-6PM.) As in the past, this craft beer, wine and food-tasting event will take place at the Canfield Casino in Congress Park, Saratoga Springs. (The event is for those 21 years of age and older, with ID required.)

* Zone A Social - Saratoga Springs Lions look forward to attending a Zone Social to be held Tuesday, April 26th at the C&R Restaurant in the Town of Galway (Route 29.)

* MD-20 Convention - A number of Saratoga Springs Lions are looking forward to attending the 98th Annual MD-20 Convention of New York State and Bermuda which is scheduled to take place Friday, May 20th through Sunday, May 22nd in Niagara Falls, NY. The statewide election for International Director will be held during the convention on May 22nd. A Hospitality Room hosted by PDG Lion John McDonald will be set up at the convention site to promote PDG Lion John's candidacy for International Director.

* Memorial Duathlon & 5K - The Duathlon Committee continues to prepare for its featured event, The 2022 Memorial Duathlon & 5K, scheduled for Sunday, May 29th, at the Saratoga Casino Hotel.

* The 2022 Dave Carr, Sr. Memorial Golf Tournament is on the calendar as a Spring event, set for June 22nd with a rain date of June 29th. The tournament will be played at Brookhaven Golf Course in Porter Corners.

Other News:

* Therapeutic Horses of Saratoga, Inc. provides services to Saratoga County through various means including rescuing, retraining and utilizing retired racehorses in their Equine Assisted Learning therapeutic mental health program. This organization also generously provides stable facilities for horses of the Saratoga Springs Police Department's mounted patrol. THS, Inc. is currently in need of increased paddock facilities to better meet their needs. The cost of installation of the expanded paddock would be greatly reduced with the input of Lions volunteer manpower. Saratoga Springs Lions are looking forward to working side by side with other Lions from throughout the Zone who have also embraced this meaningful community project.

* The Saratoga Springs Lions Club continues to support organizations and individuals within as well as beyond our community whose needs are consistent with the Lions' dedicated service activities. Some of the local organizations that have recently received financial donations include: Toys For Tots, The Salvation Army (Saratoga Springs Corps), Lifeworks Community Action (Adopt-A-Family Thanksgiving Baskets), Kentucky Lions Club (disaster relief fund through LCIF), NABA, Wreaths Across America, Beyond My Battle, The Eye Institute at Albany, Saratoga Children's Theatre, Saratoga Springs Athletic Community Hall of Fame, Saratoga Bridges, Saratoga Springs Little League, and The Children's Museum at Saratoga. Also, the Hearing and Sight Committees continue to provide hearing aids and eyeglasses to individuals who qualify for assistance.

Our monthly meetings have been sporadic based on the fluctuating COVID numbers in the county.

In February, we held a smaller, officer's meeting to discuss future plans and goals. We are definitely planning on a full meeting next Tuesday March 8th. District Governor Michele O'Hare will be joining us at that meeting. We have been able to proceed with a couple of projects in the past months. We collected, sorted, counted and boxed 532 pairs of used eyeglasses and delivered them to CABVI. We collected nine used hearing aids and sent them to the Hearing Conservation Society. Two members of our club attended the District 20W Convention on January 16th, via Zoom. Our Election Delegate, Bob Porter, electronically cast his ballot for the International Director candidate. We sent a donation to Freedom Guide Dogs. A project that we hope to launch now that COVID numbers seem to be improving is a drive through spaghetti dinner.

6. The grant will be used to purchase six IV pumps for the Gouverneur Rescue Squad. This grant will support the people of St. Lawrence County and Lewis County via Gouverneur Rescue Squad. The Gouverneur Rescue Squad currently does not have any IV pumps. They borrow IV pumps from the 5 hospitals closest to their Rescue Squad. They currently monitor IV drugs visually by drop numbers per minute. Having their own automatic IV pumps will secure patient safety. Since August 2021, the IV pumps are used on a weekly basis. The IV pumps are used for cardiac patients, sedation, high or low blood pressure and pain control. The Gouverneur Rescue Squad would like to purchase 6 refurbished IV pumps. Each pump is about \$1050.00 each and then a \$200.00 extra cost to program a drug library for each.

12. Having an IV pump on board a Rescue Squad vehicle will save lives. The possibility exists that patients may not receive accurate dosage of life saving medicine while being transport to one of the five local hospitals for treatment. The Gouverneur Rescue Squad currently borrows from area hospitals which lowers the number of IV pumps available at these hospitals. Sometimes transports can be hundreds of miles away going to Burlington, Vermont, Syracuse, Rochester, and Buffalo. This takes available manpower away from the area to address emergencies while they are in route to other hospital facilities.

14. This Lions supported program will help improve the health and well-being of our community members. The Gouverneur Rescue Squad is a vital service that outreaches to 5 different hospitals and impacts the lives of many in our community often on an emergent basis. The organization has 5 ambulances which have 21 EMTs and 16 paramedics. There are 8 volunteers within the squad. Local media will be present when the check is handed to the Gouverneur Rescue Squad. The Rescue Squad will put up a sign in recognition of Lions Club support.

GAZEBO RESTORATION PROJECT BY CAMBRIDGE LIONS CLUB

5. Other Club Officers/District Officers:

See attached Club Officer List and Village of Cambridge list.

6. What Project will the Grant be used for:

The Gazebo that is in Memorial Park in Cambridge has fallen into disrepair and is in desperate need of new flooring and supports, along with historically accurate lattice work, railings and roofing. Estimates to repair range near \$20k in repairs.

12. Impact on Community if Project is not Implemented:

Without the necessary repairs the structure risks further dilapidation. Located in Memorial Park, adjacent to the Cambridge Public Library, the gazebo acts as a bandstand for the Lions Summer Concert Series, a centerpiece to Christmas in Cambridge celebration and the Cambridge Lions Remembrance Trees, and as an outdoor learning room for our summer student programs with the Cambridge Public Library.

14. Describe How the Project will be identified as a Lions Supported Program:

The gazebo has been a prominent part of the Cambridge community since its inception at the Great Cambridge Fair from 1890- 1943. The Great Cambridge Fair was the precursor to the Washington County Fair and widely attended for many years. In 1974 as part of Cambridge's bicentennial celebration, the gazebo was moved from the old fairgrounds to "Lions Park" adjacent to Cambridge Central School. In 1984 "Lions Park" was updated with picnic tables and benches to allow more people to enjoy the nightly concerts at the gazebo. In 2012 the gazebo was moved to its current location in Memorial Park, since then it annually played host to the Cambridge Lions Summer Concert Series and the Holidays Eternal Illumination. A plaque will be permanently displayed memorializing the restoration and importance of the Gazebo in the Cambridge Community.

GAZEBO RESTORATION PROJECT

by Cambridge Lions Club

The gazebo was a prominent part of the Great Cambridge Fair from 1890-1943. The Great Cambridge Fair was the precursor to the Washington County Fair and widely attended for many years.

In 1974 as part of Cambridge's bicentennial celebration, the gazebo was moved from the old Fairgrounds to Lions Park adjacent to Cambridge Central School. The Daughters of the American Revolution (DAR) started the project and were soon joined by the Masons and the Order of the Eastern Star.

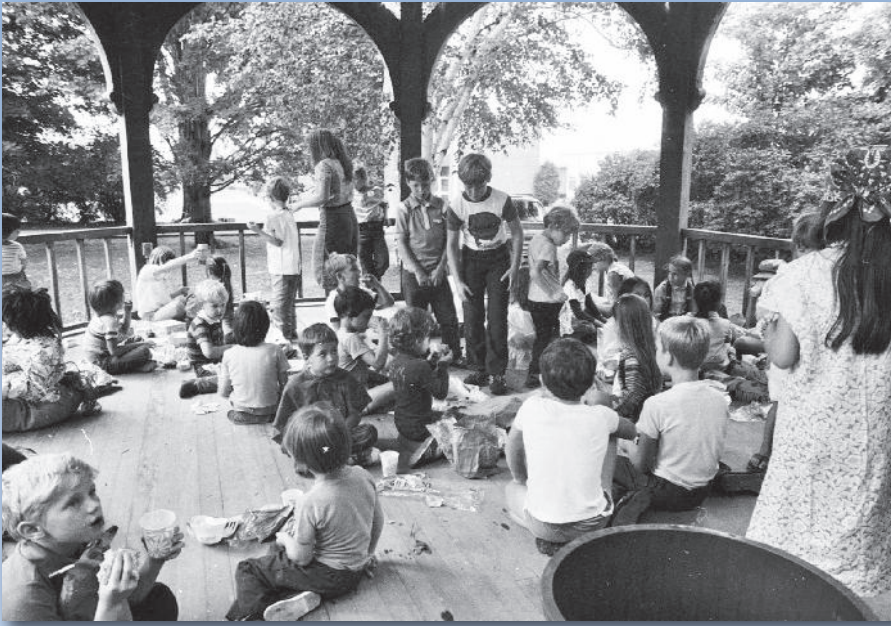

Thanks to community fundraising all arches and the posts supporting

them were saved, as was the cupola.

Over the years, the gazebo has been maintained by contributions from the Lions Club, the American Legion, the Boy Scouts and others. In 1984 Lions Park was updated with picnic tables and benches to allow more people to enjoy the nightly concerts at the gazebo. The Cambridge Community Band, oldest in America, has performed at the gazebo since 1890.

In 2012 the gazebo was moved to Memorial Park to make room for the CCS expansion project.

Located in Memorial Park, adjacent to the Cambridge Public Library, the gazebo acts as a bandstand, a centerpiece to Christmas in Cambridge celebration, and as a comfortable place to sit in the shade and enjoy the park.

The gazebo is woven into our community, whether it's serving as a cornerstone of our Memorial Day ceremonies, as a learning room for our students or as a backdrop for the Lions Club annual Trees of Remembrance.

Unfortunately it has fallen into disrepair and is in desperate need of new flooring and supports, along with historically accurate lattice work, railings and roofing.
