REGION O LIONS REPORT 4/28/23

ALBANY TROY CLUB: .

Greg introduced two potential Lions, Tyhisha “Queen” Ghaffar-Adjei and Mike Messina. In 2007, Queen founded Guardians of Al-Fitrah in New York City, which serves “the poor, hungry, hurt, broken and forgotten.” She moved to the Capital Region a few years ago. Having received her completed membership application and check, they voted to accept her as a Lion. KL Eva suggested cleaning Brotherhood Park in Watervliet as an Earth -Day project. (This is where we installed a playset in 2017.) Other suggestions included helping America Council of the Blind with their lobbying efforts (from Mike O’Brien) and working on the blueberry orchard. Eva will be holding a meeting soon to establish projects.

They discussed next year’s officers. All of the current board agreed to keep their positions next year except for Jordan. He has recently started a new career in real estate and didn’t think he would have the time to devote to PR.

Enough people came forward for us to buy three raffle tickets from the New York State & Bermuda Lions Fund. This will allow us to present an Uplinger Award in the future. We still have more tickets, if anyone else is interested. They’re \$100 each, two people can share one, first prize is \$10,000 and the deadline is April 21.

DG Ricky inducted Lion Queen Ghaffar-Adjei. Lion Greg then told us about all the activities planned for Earth Day (4/22) at and around the blueberry orchard. We’re working together with Wheels Up, Grateful Villages, Eden’s Rose and other area orgs. There will be mural painting, a drum circle, pruning and garden cleanup, free bikes and more. The importance of publicizing this event re-emphasized our need for a PR person. Our visitor, Lion Erena Doan from Barbados Central LC, will be staying with her daughter in Albany until June. The importance of publicizing this event re-emphasized our need for a PR person. She is her club’s PR chair and she volunteered to perform that function for us for the next few months while we train someone permanent. Lion Jerry reminded folks about our Clynk program for recyclable bottles and cans and gave out a few more bags.

They voted on their officers and board for next year. Lion Marilyn signed up to be 3rd VP, and Lion Davia volunteered for the new role of Club Administrator, which is essentially someone to help Lion Jerry with the various secretarial duties. However, we still have a crucial need for a Marketing Communications Chair. Since the meeting, John Bianco has announced that he and Michele will be moving to Phoenix to be near their son and imminent first grandchild, thus leaving an opening for a new Lion Tamer. Their next meeting will be on Wednesday, May 3, at the Red Front at 6 PM.

BETHLEHEM:

Bethlehem had their pancake breakfast on April 22, from 7:30 to 10:30 at Swifty's Restaurant in Delmar. Tickets were \$10 each. They also had basket raffles and door prizes.

This was a great success.

Meetings are regularly being held.

GREATER RAVENA:

In April they resume their regular 2 meetings per month on the 2nd and 4th Wednesday of the month.

They are going to be deciding what their next raffle will be in the coming months.

TOWN OF WRIGHT/SCHOHARIE:

The Wright/Schoharie Valley Lions continues to maintain the recycling program for returnable bottles. The collection spot is open every weekend and the money returned continues to aid the Club to maintain our program helping needy school children as well as adults receive eyeglasses. In addition, the return helps the Club continue to donate to numerous local needy programs. Our annual fundraiser of fresh pecans was a sell-out this year! The profit helped to provide hearing aids for a local individual. The thank-you letter from him made it a very worthwhile expenditure.

The Club continues to meet 2 times a month, the first, the business meeting and third Monday each month. our program/dinner meeting.

WATERFORD:

Another Bingo fund raiser was held at McGreivey's restaurant in March. Members donated money and prizes for the winners. They made \$450. It was a good success.

A vision screening was performed on March 15 at the Waterford Halfmoon School. Fifty eight children were screened. NABA did the screenings with Lion assistance.

A donation of \$200 was approved for Camp Abilities.

The backpack program need in the Waterford School is increasing. 24 Children are in need now of the backpack program. Due to the increasing need in the Waterford backpack program, it was voted on spending \$2000 to help with this food insecurity issue.

To help out more due to all the major increase in food cost, it was also decided to go for a Brandel Murphy Matching grant. The grant request was processed.

We received notification that the Brandel Murphy Matching Grant has been approved for \$2000. We will be receiving the money in July.

We collected toothpaste that is needed for the Waterford Halfmoon School to help out the Anthony Closet school project. Anthony Closet provides personal care items like, shampoo, toothpaste, soap and basic needs for teenagers that do not have these personal care items. We were told the biggest need is toothpaste. We concentrated on buying toothpaste and having it all collected by April 22nd for this community help project.

The nominee chair is still working on getting our officer positions filled. No one is stepping up.

We received an application from Pat Ilnicki. Her application was accepted and she was

voted in. Hopefully, she will be at the May meeting so we can get her installed in May.

A vote was held and motions carried to give a \$200 scholarship to a student at the Waterford Halfmoon School. Details to be determined.

For June we will be having a picnic type meeting and installing officers.

Meetings are held the 1st. Wed. of the month at McGreivey's in Waterford at 6PM

CABINET MEETING #4 REPORT

ACTIVITIES/DONATIONS:

- Between 6 – 10 club members continue supporting our local ***food pantry on monthly distribution day*** by volunteering with other community members loading food items into client’s vehicles in drive-by fashion. We also deliver food staples to the pantry, which are collected at our monthly club meetings. An average of 25 pounds of food staples is donated monthly by club members.
- Ten club members welcomed ***DG Ricky at his Joint Visitation*** to our club, the Sauquoit Valley & Utica Lions on February 9th.
- Continue collecting between 100 – 200 pair of ***used eyeglasses*** monthly from previously established locations around the community.
- Concluded our pre-Easter sale of ***chocolate bunnies*** in support of the Lions Eye Institute at Albany. This year our members sold 708 bunnies and our Leo club sold 24. To date the club has realized a profit of \$1,293.50, with a few sales outstanding.

- Members took orders for ***hanging baskets of flowers for Mother's Day*** at a 70th Anniversary Celebration of a local business (Clinton Tractor). Plants will be picked up from a local florist and purchasers will pick them up the day prior to Mother's Day at the same location.
- Held a ***Membership Recruitment Night*** the last meeting in March. Three prospective members attended at the personal invitation of current members. They were treated to dinners of their choice, received an introduction to Lions with a tailored Power Point Presentation and testimonies from three current members who described how they became members and their personal experiences as Lions. One of the guests will definitely be joining us and a second one is seriously considering it.
- Continued hosting our ***Student of the Month*** and their families each month. The student is recommended by our local School Guidance Office. The student receives a certificate and a picture of the student receiving this recognition is publicized in a local newspaper.
- We held our annual ***White Cane Day*** Fundraiser in early February. Normally held the week end before Christmas, we had to postpone it due to a forecasted snow storm that never really materialized the way the prognosticators thought it would. The money we raised (a little over \$1,000) fell well short of the pre-Christmas events of past years due to the lack of pedestrian traffic, but we were visible in the community and enjoyed many great conversations with community members.

□ **FUTURE PLANS/ACTIVITIES:**

- Will be participating in our annual ***Community Collection Day*** on May 13th. We will join other organizations cleaning up the winter debris from around the village, recycling used electronics, cans & bottles, old books for our town library and used jewelry for re-sale by one of our local churches. Our major responsibilities, include the unloading of materials and food staples for our local pantry, traffic control and soliciting monetary contributions for the pantry.
- ***"Donation only car wash"*** on May 6th at our local Stewart's Store.
- Honoring ***graduating seniors*** with monetary awards through the cooperative efforts with guidance counselors at three area school districts.
- Attend ***DG Ricky's Testimonial*** in early June.
- ***End-of-Year Picnic*** the last meeting in June.

Glens Falls Lions Club

Zone Report – April 2023

The Glens Falls Lions Club donated 10 bunnies that were leftover, to the Open Door Soup Kitchen. Lion Phil Jessen created a list of places in the region where we have eyeglass boxes. At the Board meeting we added additional ones not on his list. The list was then split up between Board members to check and pick up glasses on a regular basis.

We have formed a Mental Health committee to look into creating "988" suicide prevention stickers for area students laptops and tablets. They are working with local agencies to support speakers at local schools.

We are signed up to participate in Wreaths Across America. Previously, members had individually participated, but now as a club it will be a great community service project and a small fundraiser for the club.

Our annual Swing for Sight and Sound Golf Tournament will be held at Airway Meadows on June 10, 2023. This is our 20th anniversary so some members will be celebrating by Skydiving in before the tournament!

We will hold our Annual Garage Sale at the Association for the Blind on July 15, 2023.

Our bi-annual road cleanup was held April 22, 2023. We had 6 people clean up Ridge Road. Last year a \$20.00 bill was found. This year they found a \$50.00 bill! Somehow our community service project has become a small fundraiser!

Our club will be hosting the Region N Zone A Lions Social on April 4, 2023 at the Queensbury Hotel. We will be adding a little entertainment to the social with Lion Jim Cypher providing Karaoke! It should be fun!!!

Hadley-Luzerne Lions Club

The Hadley-Luzerne Lions Club has not had any new members join since our last report. A 25-year member, Peter Watts, passed away last month.

At our March meeting we listened to a presentation by the Wait House. This is one of the places our yearly donation goes to. We also collected items to donate and our raffle winner donated their winnings to the House.

We've been busy planning two upcoming events. First, is the Maple in April Festival which is held in Hadley. This will be Saturday, April 29th from 9 to 4. We will have a booth to distribute a brochure we created to let attendees know what we do. We will have sign up sheets for attendees to sign up to be contacted to come to one of our meetings. It's our hope to raise awareness and recruit new members.

Secondly, we are working on our Basket Auction which will be held Wednesday, May 10th at the American Legion in Lake Luzerne. We have posted this in the portal, emailed it and mailed an invite to local Clubs.

Our biggest fundraiser will begin the first weekend in July. We will be parking cars at the Painted Pony Championship Rodeo located in Luzerne. We will be attending class meetings and club meetings at the Hadley Luzerne School grades 9-12 to try to recruit volunteers. We are planning a friendly competition to see what student can donate the most hours. The top three students will win a prize which is yet to be determined. Last year, our Club raised over \$13,000 parking cars.

Looking ahead to Fall, a few of our members are working on a Narcan training for one of our meetings. This is a new idea and in the very beginning stages. We are lucky to have a Town Supervisor in our Club who has contacted the Saratoga County Public Health Department who seem eager to help with this training.

Our Club helped two community members get eye exams and glasses. One was a school aged child and the other a retired gentleman.

The Officers will remain the same for the coming year. Our Club meets the second Wednesday of the month at 6:30pm at the American Legion located in Luzerne.

Long Lake Lions Club:

The Long Lake Lions has had a busy spring so far. On March 18th, we provided Irish food for a first time event, an Irish Ceildth. The event sponsored by the town of Long Lake, was a success and about 75 people enjoyed

Irish food, music and dance. The club made \$500 which will be used to help sponsor the Long Lake school backpack program.

On April 8th, the club sponsored an Easter Egg hunt for the children of Long Lake. The children all had a great time and enjoyed searching for eggs in the snow.

We will be sponsoring at least two children to participate on the Northern Forest Canoe Trail this summer.

We have 4 new members who have stepped up and helped at both of our recent events. They will be inducted at our May meeting.

We are looking forward to our summer BBQ fundraisers and are bringing back the Fourth of July strawberry shortcake event.

GMT Report

May 6, 2023

Hello Members of District 20W,

As of May 6, 2023 the District is showing a net loss of 24 members. We did add 75 new members but lost 81. The drop number includes the deceased members which numbers 19. If we had not lost so many lions to death, we would not have such a large number of drops. We all still need every club to try to end the year with a plus 1 or be unchanged from the start of the year.

We still need every club to appoint a membership chairperson.. This is an extremely important position and it needs to be filled to help you be successful. The second step is the retention of our existing members. Historically, we lose more members than we bring in to be Lions. You need to work to make sure all members are energized in your club to accomplish more service to your community. Service is why we joined Lions. The third step is to utilize the help of your district leadership team. Reach out to your Zone Chairs or to me to help you. When your Zone Chair contacts you, please cooperate with him or her. Attend zone meetings. They are the first leadership link to the clubs. But as I mentioned, you may reach out directly to me and I will work with you to get you whatever help you need to increase your membership and keep your members.

I hope to accompany the Governor on visitations to get to know more of you personally. There are more steps we need to take, but if everyone can continue with the three listed above we can make sure we finish the year in a positive fashion! If anyone thinks they can help start a new club, please contact me and we will work together to make that happen.

YIL,

PDG Ed Stano
