“Embrace the Mission”

I do not want to totally disagree with Mr. Andy Williams that Christmas is The Best Time Of the Year but I think we are now in the best time of the year.

The fall season has weather that fits almost everyone at one time or another. Now is the time to plan for not one but three but three holidays coming soon. People are scrambling to get in the last few days of beautiful weather and gorgeous sunsets while trees are turning to beautiful scenes of nature. What a wonderful time of the year.

Also, what a wonderful time of the year to be a Lion!!! Plan now for holiday events to help others by giving, LCIF is a great outlet for help to so many needs. Service from a giving heart will always be rewarded.

Now is also the time of the year for joint service. Clubs joining together for service and social events forms friendships and service partnerships that last a lifetime. Now is the time to plan events for your own communities needy children and make a dent in the hunger in our own country. So many people and places where Lionism is needed and may be the only volunteer service available. Also, now is a great time to find people who want to be a part of a group that helps others. Never forget to be the voice that someone needs to hear. Be cheerful and generous during this MOST WONDERFUL TIME OF THE YEAR.

Enjoy time with family and friends to reflect on the blessings that we can share.

WORLD DIABETES DAY

World Diabetes Day (WDD) was created in 1991 by IDF and the (WHO) World Health Organization in response to growing concerns about the escalating health threat posed by diabetes. World Diabetes Day became an official United Nations Day in 2006 with the passage of United Nation Resolution 61/225. It is marked every year on **14 November**, the birthday of Sir Frederick Banting, who co-discovered insulin along with Charles Best in 1922.

WDD is the world's largest diabetes awareness campaign reaching a global audience of over 1 billion people in more than 160 countries. The campaign draws attention to issues of paramount importance to the diabetes world and keeps diabetes firmly in the public and political spotlight.

The World Diabetes Day campaign aims to be the:

- Platform to promote IDF advocacy efforts throughout the year.
- Global driver to promote the importance of taking coordinated and concerted actions to confront diabetes as a critical global health issue

The campaign is represented by a [blue circle logo](#) that was adopted in 2007 after the passage of the UN Resolution on diabetes. The blue circle is the global symbol for diabetes awareness. It signifies the unity of the global diabetes community in response to the diabetes epidemic.

Every year, the World Diabetes Day campaign focuses on a dedicated theme that runs for one or more years. The theme for World Diabetes Day 2021-23 is **Access to Diabetes Care – If Not Now, When?**

My Lion Joke:

A large company was having a board meeting. The board meeting was being held in a room with a long table in it. The Chairman of the Board sat at one end of the table, and there were board members seated along both sides. But, at the other end of the table sat a lion. A new board member was attending the meeting for the first time. He saw the lion, so he asked the Chairman, "Sir, why is there a lion seated at the far end of the table?" The Chairman replied, " Mr. Murphy, you have been a businessman all these years, and you still don't know about the bottom lion?"
