## ALERT Report

8/5/2019

As of now I am in the process of gathering information about the Alert program for MD27-E2. I know that we do have some supplies in the District but not sure what is in place. One of the reasons I took on this position was from my experience going to Houston back in 2018 after Hurricane Harvey and seeing the devastation and what it takes to put a clean up effort into place.

Also, over the last month we have seen the devastation from storms and tornados that have gone through parts of Wisconsin and all the clean up efforts needed. Now there are a lot of things that need to happen and put in place to be able to react to these disasters and I hope to be able to help our clubs get the tools and information to be prepared. I am also the Multiple Chair for Alert so I will be working with clubs around Wisconsin and hope to gather valuable information from those who already have established programs in place.

So, I am asking the Zone Chairs and you to help spread the word on the importance of being prepared in case of emergencies and try and get each club to have an Alert contact that I can work with.

PDG Jay Nesseth

ALERT Chair

Childhood Cancer Report  
August 4, 2019

Chairperson Lion Sri was going to go to the COG to ask about doing another fundraiser for another flow cytometer. The COG decided not to move on this request, so at this time there is not a statewide cancer project. In talking with District Governor Stacey she would like to see our District to do some kind of childhood cancer project. I will be reaching out to the hospitals to see if there is something our District could do for the pediatric cancer patients.

Respectfully submitted,

Lion Laurie Klinkhammer, Childhood Cancer Chairperson

## Lions Cabinet Meeting Report 08-04-2019

Camp Needlepoint/Daypoint will be held August 11-23, 2019 at the YMCA camp south of Hudson. This camp will give a week of safe, fun, summer camping to 500 children with diabetes. The kids are always quick to point out how fun it is and how it is great to not be different for a week. The parents are always quick to thank us for providing the camperships and to point out how wonderful a week it was for their child. All lions are welcome to cook and serve food at the Daypoint picnic from 4-7 PM on Friday, August 16<sup>th</sup>. We will be having the picnic in the "A" field which is the open area when you come through the River Center. We will again serve food from the dining hall patio on the south end of the "A" field. The River Center is the first building you come to when you drive into camp.

In 2019 District 27-E2 raised \$20,951 for the Western Wisconsin Lions Campership Fund. 32 children from Western Wisconsin were given camperships and an additional 4 were counselors (Augusta (1), Fall Creek (2), and River Falls (1)). Camperships were given to children with diabetes from: Alma (1), Altoona (1), Eau Claire (4), Elk Mound (2), Ellsworth (3), Hudson (2), Maiden Rock (1), Menomonie (6), New Richmond (1), River Falls (8), Somerset (2), and Star Prairie (1).

The sources for the donations were: Alma Lions (\$250), Alma Center Lions (\$400), Altoona Lions (\$400), Arcadia Lions (\$400), Arcadia Lioness (\$500), Augusta Lions (\$275), Black River Falls Lions (\$200), Cleghorn Lions (\$750), Durand Lions (\$100), Eau Claire Evening Lions (\$800), Eau Claire Seymour Lions (\$300), Eleva/Strum Lions (\$100), Elk Mound Lions (\$100), Ellsworth Lions (\$1272), Ettrick Lions (\$350), Fairchild Lions (\$100), Fountain City Lions (\$50), Fountain City Farm Fest Lions (\$200), Galesville Lions (\$100), Glen Hills Lions (\$300), Hammond Lions (\$600), Hudson Lions (\$1700), Independence Lions (\$200), Menomonie Lions (\$1500), Mondovi Lions (\$200), Nelson Lions (\$500), Pigeon Falls Lions (\$250), Plum City Lions (\$300), Prescott Lions (\$300), River Falls Lions (\$4500), Roberts Lions (\$400), Somerset Lions (\$1000), Spring Valley Lions (\$300), Star Prairie Lions (\$50), Trempealeau Lions (\$100), Whitehall Lions (\$100), Woodville Lions (\$400) and Private Donors (\$750).

36 Lions clubs and 1 Lioness Clubs participated in the project. My goal is to increase club participation in this project in 2020. Even small increases in donations from all clubs in our district would provide more camperships. If your club has supported this project in the past, thank you, and please continue to do so. If your club has not been able to support this project in the past, please consider doing so in 2020.

I will be mailing requests for donations to District Lions 27-E2 Clubs in September.

If you have more questions about Camp Needlepoint/Daypoint, if you are interested in a program presentation at your club meeting, or if you want to donate to the Campership Fund, contact me at:

Dear Lions President,

I am again the District 27-E2 Diabetes Awareness Chairman. A major focus of my Chairmanship has been to provide camperships to Camp Needlepoint/Daypoint, a summer camp for children with diabetes, for children from Wisconsin.

In 2019 District 27-E2 raised \$20,951 for the Western Wisconsin Lions Campership Fund. 32 children from Western Wisconsin were given camperships and an additional 4 were counselors (Augusta (1), Fall Creek (2), and River Falls (1)). The sources for the donations were: Alma Lions (\$250), Alma Center Lions (\$400), Altoona Lions (\$400), Arcadia Lions (\$400), Arcadia Lioness (\$500), Augusta Lions (\$275), Black River Falls Lions (\$200), Cleghorn Lions (\$750), Durand Lions (\$100), Eau Claire Evening Lions (\$800), Eau Claire Seymour Lions (\$300), Eleva/Strum Lions (\$100), Elk Mound Lions (\$100), Ellsworth Lions (\$1272), Ettrick Lions (\$350), Fairchild Lions (\$100), Fountain City Lions (\$50), Fountain City Farm Fest Lions (\$200), Galesville Lions (\$100), Glen Hills Lions (\$300), Hammond Lions (\$600), Hudson Lions (\$1700), Independence Lions (\$200), Menomonie Lions (\$1500), Mondovi Lions (\$200), Nelson Lions (\$500), Pigeon Falls Lions (\$250), Plum City Lions (\$300), Prescott Lions (\$300), River Falls Lions (\$4500), Roberts Lions (\$400), Somerset Lions (\$1000), Spring Valley Lions (\$300), Star Prairie Lions (\$50), Trempealeau Lions (\$100), Whitehall Lions (\$100), Woodville Lions (\$400) and Private Donors (\$750).

If your club has not been able to support this project in the past, please consider doing so in 2020.

Yours in Lionism,

Lion Bob Johnson  
District 27-E2 Diabetes Awareness Chairman

At the beginning of the year, each District Governor was presented with a packet which contained:

Colored posters of endangered animals species.

Environmental information suitable for reprinting as handouts.

A specially designed packet, geared to a third grade level, which contained a maze, a puzzle, a page to color and an essay sheet and a certificate of completion for the student.

This packet was ready for a table display at a convention or for a school class, for a library program or a club program.

The state project is "Lions Planting Trees in Wisconsin". Each club is asked to plant at least one tree between May1, 2018 and May1, 2020. Each Lion in the Multiple is encouraged to plant a tree also. This would be close to 18,000 trees planted. The number of trees planted should be reported to me, [tia1937@yahoo.com](mailto:tia1937@yahoo.com) or to your District Governor.

In May, 2019, at the State Convention, we presented a seminar on The Environment which was well received. We also gave away 200 small trees and hundreds of packets of zinnia seeds which butterflies and bees love. We also gave away gift bags to the first attendees at the seminar. Our display table at the State Convention always had a crowd eager to learn about the environment.

The year 2020 is the 50th anniversary of Earth Day which began in Wisconsin, the brain child of Governor Gaylord Nelson It has since become world wide. Plans are to heavily promote this milestone in our Multiple this coming Lionistic year.

It has been my pleasure to serve as Environmental Chair.

Lion Anita LeCleir

08/04/19 MD-27E2 Cabinet Meeting

District GST Coordinator

MD27-E2 District Cabinet,

We are now just one month into our Lions year. I would suspect that most clubs have done some form of service by this time. Unfortunately, that is not the case per reporting via MyLion. All Service activity report is now done via the MyLion App or MyLion webpage.

For 2018-2019 ending: 75,804 people served over 403 service activities.

Values are provided per Lion Clubs's Insights as MyLion was down at the writing of this report.

For 2019-2020 as of June 30<sup>th</sup>:

5 clubs have reported 8 activities. This consists of recorded 989 people served over 3 recorded volunteer hours. Of the clubs that recorded activities this is 3 people served per member.

Clubs that reported:

Club	Hunger	Vision	Diabetes	Childhood Cancer	Environment	Other
Altoona						1
Eau Claire Seymour	1					
Menomonie						2
Pigeon Falls		1				1
Somerset			1			1

## **DISTRICT 27-E2 GOLF REPORT**

**August 4, 2019**

The 2019 host for the District 27-E2 golf tournament Cleghorn and Eleva Strum Lion Clubs held on May 11<sup>th</sup> was very successful. A much appreciated thank you to all the Lion Clubs that were able to attend and participate, support with hole sponsors and and donations for the raffles.

The Trempealeau Lions Club had the most votes at the District 27-E2 Spring convention to host the 2020 District 27-E2 golf tournament.

Information and the application form will be sent to the District Lion clubs later in the year. Not to early to begin the discussion at your club meetings for hosting the 2021 District golf tournament.

Thank you

Lion Ken King  
District 27-E2 Golf Chair

## 27-E2 HEARING COMMITTEE REPORT

**Cabinet meeting: August 4, 2019**

Five requests came in for hearing aids last year, of which three were approved for an aid, and another was approved at the 140-200% of poverty level, whereby they can receive aids at their expense at a much reduced WLF-negotiated cost. The other was disapproved because of income considerably above the 200% of poverty level.

One request came in this week for the 2019-20 year, which has been approved.

A total of **\$4,425** of contributions came in *from fifteen clubs*, ranging from \$50 to \$800.

Eleven clubs contributed between \$200 and \$800 each: Augusta, Black River Falls, Eau Claire Seymour, Ettrick, Fall Creek, Hudson, Menomonie, Mondovi, River Falls, Trempealeau and Woodville. Other clubs contributing were: Altoona, Ellsworth, Plum City and Roberts. A report of the contributions by club is attached.

No funds were turned in from salvage on cell phones this past year. I urge all clubs to collect used cell phones, along with eyeglasses, and get them to Lion Chip Skovbrotten in Strum or PDG Forrest Nutter to turn in for salvage to add to our District Hearing Fund.

I strongly urge that all clubs collect used hearing aids and turn them in to WLF along with their collection of eyeglasses.

We currently have funds to cover the next twenty-eight aids at \$900 per aid. I recommend that Lions Clubs make efforts to reach out to their communities to inform the hard-of-hearing in their area of our assistance for those who are financially needy. Clubs which are interested in learning more about our WLF Hearing Aid Project can contact me, 715-386-8054, to schedule a visit at their membership meeting.

08/04/19 MD-27E2 Cabinet Meeting

District LCIF Coordinator

MD27-E2 District Cabinet,

LCIF is just over 50 years old. To celebrate that milestone "Campaign 100" has been started since the International Convention in Las Vegas.

Campaign 100 is LCIF's most ambitious fundraising effort. This will span three years and seek to raise \$300 million by June 30, 2021. Campaign 100 will empower Lions to serve 200+ million people a year by:

- Increasing service impact
- Fighting diabetes
- Expanding global causes

See [LCIF.org/BE100](http://LCIF.org/BE100) for details on this initiative.

So far for this 2019-2020 Lions year (as of 07/30/2019), 1 club has donated a total of \$90 to LCIF.

The clubs or Individuals within the club that have donated is: Independence.

**Model Clubs** – The per membership donation level has been changed to \$500 average per Lion member per year. A club can be a "Visionary Model Club" with keeping at the original \$750 per Lion Member donation per year.

Model clubs don't mean that each Lion member has to donate that amount, but that the members as individual and the club will raise and donate to LCIF that reaches the per member average.

**Club Visits** - I am available to talk to any club about Campaign 100, LCIF and/or LCIF Grants. There is lots of information available that many clubs are not aware of. Please let me know if you want a visit.

**\*\* Anyone can donate to the Lions Club International Foundation. \*\***

### RESTORING HOPE TRANSPLANT HO//USE REPORT

8/4/2019

2 PM

Restoring Hope transplant house is thriving with building plans to add 10 more guest rooms and elevators to the current Victorian home. This will nearly triple the available rooms from 6 to 16.

I visited this house last week and can tell you that this home and it's gracious hosts are making a difference in the lives of people around the world and in our neighborhoods as they face transplant surgery and the stressors of the effects, side effects, financial burden of these life saving procedures. A transplant surgeon visited recently and was happy to report that his patients that stay here do 50% better than the rest and he wanted to see for himself what makes the difference for his patients. Guest stay records have been set in almost every month this year. In the last 7 years Restoring Hope transplant house has served 27 people and their families from our district alone and they need our help.

What can we do to help?

- Financial support for operations is important. Club donations provide food, staff, cleaning supplies and utilities to support this mission. Can I come to your club to do a short presentation to help them commit to a donation? Would your club host a raffle or a fundraiser?
- Gifts through foundations or corporations for building that is planned to start summer 2020. Lions Foundation has contributed. But if you know of a window company or furnace company etc...that could donate materials or of a community or health facility foundation that would support this mission please forward information about how to apply to me or Cindy Herbst director.
- Zone Chairs- Please consider having Cindy Herbst Director speak at your zone meeting. Call her to schedule a time and date-608-831-1726.

If you would like to personally see this beautiful home and experience the healing atmosphere call Cindy and arrange an informal tour.

Respectfully,

Lion Marcia Hagen

715-896-0421

District Lions,

I hope to be at the August 4 Cabinet meeting, with the caveat that almost all of our house has to be emptied for refinishing of wood floors, which starts next Monday morning.

There is little to report for vision screening at this time. We expect that our Clubs will be scheduling 2019-2020 screenings for their schools as soon as schools prepare to open. We provide two cameras from a Menominee base, one from Hudson, and hopefully two here in Whitehall.

The hope issue relates to the untimely death of our member, Dr. Brad Martin. Lion. Brad purchased his own SPOT camera for use on Nicaraguan eyeglass trips. He always was very generous in allowing us to use his SPOT extensively for our school screenings. Since his passing, his daughters indicate that I can have custody of this camera, but they did not find it before having to leave for a few weeks. As it stands now, I have one District camera to reserve for Club screenings.

## Wisconsin Lions Missions Report

8/4/2019

At the time of this Cabinet meeting the Wisconsin Lions Missions are meeting in Three Lakes, WI so I will have more information at the next Cabinet meeting.

As you may know many of the Missions last year and those planned for this year were cancelled or moved to a different location due to hostilities and concerns for safety in many countries. One of the more successful and newer missions has been to the Pine Ridge Indian Reservation, North Dakota this May that had screened about 500 children with about a 40% referral rate. After the 2 trips that have been made Pine Ridge it became apparent of the homeless situation out there and the need for shelter. PCC Bill Taubman has purchased 40 tents at a cost of around \$3300.00 that will be used for shelter in the Spring, Summer and Fall months. The Tribal Council would authorize the group we are working with to take care of the tents when not being used.

I spoke with PCC Bill and he has asked if MD27-E2 would consider helping cover the cost of the tent purchase as we have in the past with ambulances, firetrucks and other needs. We have not done so for a few years. He has been receiving donations from clubs in MD27-E1 and once he knows how much is not covered would we cover ½ of the cost of the tents. As of 8/1/2019 about \$1600.00 has not been covered which would put our part at \$800.00. I will keep the Cabinet updated but would at this time like to make a motion that our District donate \$1000.00 to the Lions of MD27-E1 to help with the expenses incurred with the purchase of the tents. And if needed send a letter to the Clubs of MD27-E2 asking for donations to help with this Missions trip.

I am new to this position and have a passion in Missions after helping out those effected in Houston back in 2018 and look forward to helping in this area.

## Zone Report for Cabinet Meeting

August 4, 2019

District 27-E2 Region 4, Zone 2

Our zone had a meeting on April 30 at Blair Haus in downtown Blair with 14 people attending. Larry Guthrie chairperson from Sleep in Heavenly Peace spoke at our meeting and told us about a build that he invited local Lions to be involved with. On June 15 Lions and community members built sixty beds to be distributed in the Trempealeau and Jackson counties. Lions from Alma Center, Pleasantville and Pigeon Falls worked at the event and clubs from Alma Center, Pigeon Falls, Whitehall and Blair contributed monies to the bunk bed build project. It was a wonderful event that is helping the children in our counties so "no child sleeps on the floor in our town".

At the meeting various Lions activities and information were shared from the cabinet meeting: send in names of officers, state convention, encouraged people to send in articles, district golf, environment, WI Foundation – high ropes course, officer training, youth exchange camp, and reminded of upcoming Lions events!
