

**Leo Seminar** – Presenter: Lion Paul Fugate, Iowa Lions

During this seminar Lion Paul will discuss starting a Leo's club and how to keep them active. He will also speak about making Lions out of Leos and making them into future Lion leaders.

**Wisconsin Lions Camp Speaker and camper** – if you have never had the chance to visit your Lions camp in Rosholt, WI camp director Andrea Yenter will be sharing with you all the wonderful highlights of the camp. Along with how you or your club can help with the wish list that they have, We also hope to have a camper and their family to speak to you about their experiences at camp and how camp has changed them.

**Beep Ball for the Blind**– Presenter Cami Johnson, Visit Eau Claire

In this seminar you will learn what Beep Ball is and about the National Beep Ball World Series that is coming to Eau Claire in 2018 and opportunities to help with this event. Athletes who are visually impaired dive on to the ground to stop a beeping ball and run full speed 100 feet toward the sound of a buzzing base to score a run. These players are full of desire, determination, teamwork and in many cases skilled performances of players with visual impairment having fun in the midst of extreme competition.

The National Beep Ball World Series will be held in Eau Claire July 29<sup>th</sup> – August 5<sup>th</sup> 2018

**Q & A – My Club has a Question** – Presenters ID Bruce Beck and PDG Doug Fleming

Come to this seminar with any Lions related questions you or your club may have. For example – What are my dues used for? What are the different membership types? What is a cyber club? This will be a very open discussion hoping to answer any questions about Lions.

**Diabetes education** – Presenters Melissa Eslinger CMA (AAMA) and Stacy Getten, RD, CDE from Marshfield Health System

Being diagnosed with diabetes or having had it for a long time can be very overwhelming. Questions that can arise include but are not limited to, “I’ve just been diagnosed with diabetes, where do I go from here?” “Why do I need education? Can I just get my information from the internet?” “What is a Certified Diabetes Educator (CDE), Registered Dietitian (RD), Registered Nurse (RN), and Health Coach? What can they do that I can’t do for myself?” “How do I start?” “I have fallen off track, where do I begin?”

These questions are very common when talking about the puzzle of diabetes and can cause anyone to feel overwhelmed and frustrated. The good news is that you do not need to do this alone! You will not want to miss this interactive presentation as it will energize and motivate you while answering some of these tough questions!
