

District 27 E2

Dear Lions and Guests~

I invite you all to attend the 2018 E2 District Convention. The convention is March 16th through March 17th at The Lismore Hotel in Eau Claire.

Friday night is going to have Vision Screen certification and Officer Training. Those of you that are interested in being an officer or are the officer elects for the next Lions year I urge you to attend the officer training. We will also be having a convention wide Hospitality on Friday night. There will be music, raffles and games to play. We may even have a demo on Beep Baseball.

Speaking of Beep Baseball, the 2018 Beep Baseball National Championships are coming to Eau Claire in July! We are going to need all the sponsorships and help we can get. We will be conveying more about the Beep Baseball Championships on Saturday. Our International Guest is International Director Bruce Beck from Minnesota. ID Bruce and his spouse Lion Erin will be providing insights to us and helping us out in our seminars and projects.

We all live to serve; that is why we are Lions. Saturday afternoon is going to be service time! We will have pill bottle washing, care kits creation for those in need, and eyeglass sorting. These projects will all be done inside. I would hope that everyone would participate.

We will be having some exciting seminars on Saturday. Some I am really looking forward too is the "Leos and Beyond" seminar geared to starting a Leos Club and to our Leos in helping them move from a Leo to Lions. This will be led by Lion Paul Fugate, a great friend of mine and Lion from Iowa. Paul is also a Pin Trader so maybe you can trade pins. ID Bruce will be helping out in our "Ask me" seminar where you can ask any question you have regarding Lions to our panel of experts. There is more being planned, so stay tuned to your WI Lion magazine and the E2 webpage for more seminar and schedule information.

I look forward to seeing you all there.

Yours in Lionism,

Bradley Barth
2017-2017 E2 District Governor
