Childhood Cancer report to Cabinet 1/12/25

We submitted the Matching Grant for Hudson Hospital Infusion Center

PDG Ronda submitted the grant request on September 27, 2024. Everything was in order with only a few questions needing to be answered. Questions were answered immediately. Last needed piece of documentation was financials from Treasurer Reid to be submitted on December 1, 2024. Completion of financials was sent December 6, 2024. All is good. Now we wait to see if we receive the \$50,000.00 matching Grant. Should know end of January

The CellaVision DC-1 is the primary goal for the matching grant. The cost of \$42,000.00 along with \$16,200 for installation, service, and training is also needed with the machine. The total is \$58,200.00. The IV Poles, Wall Clocks, Sound Machines, distraction art, and items for the cabinet, we hope, will be sought after with a Childhood Cancer grant after the Matching Grant has completed or possibly before.

Once the grant is approved by LCIF in January we will have 6 months to collect donations from our districts for the Hudson Hospital Infusion Center Matching Grant. The assistance of announcing the grant will come from DG James Dimock during club visits. Childhood Cancer Chairs, PDG Ronda Bierbrauer & WLF Laurie Klinkhammer. We can be available to come and talk about the Grant/donations with any clubs in E2 or E1. If assistance is needed from other cabinet members to help with the promotion of the grant, this too will be used. A mandatory announcement at our District Convention will be done on the status of the grant in donations at the present time of the convention.

An article with "Conner" was put in the E2 pages of the WI Lion. He is the young boy in Osseo who we donated to last year. Please read.

We will have another feature in the next issue of WI Lion of a little girl named RaeLynn whom we donated to last year at her fundraiser.

The Committee has not been notified of any other child(ren) with Cancer in our District as of today.

We fight the Fight along side the children of the world with Cancer.

Happy New Year Everyone. Unfortunately i will be unable to attend the Cabinet Meeting this Sunday January 12th but i am able to update you on the Environmental position. I have been working on gathering items for a table at our district convention. Right now in my garage i have our Clubs 1st bench we obtained through the Trex Soft Plastic Recycling Challenge. My hopes are to display the bench near the table to promote the program along with some literature and one of the drop off bins. I have also contacted our State DNR office in Madison about possibly getting tree seedlings and or saplings to give away at the convention. They had me contact the Griffith State Nursery in Wisconsin Rapids. Trees went on sale in October and come in lots of 300. Most seedlings and saplings are 1-3 years of age. Normally tree orders would not be filled until April but i am in communication to see if we could obtain them a month early. The other factor is how many of any species they have remaining. My Plan is also to create a folding backboard on the table that will have information of what projects for the Environment Lions take on locally and internationally. Thats all for now and hoping to have all in order by our Febuary Cabinet meeting.

We have 3 clubs in the district that don't have a Facebook page (Blair, Cochrane Buffalo City,, Prescott). Several clubs in the district have had their Facebook pages shut down. Facebook has started to use AI to monitor pages and it doesn't always work properly. Clubs should convert their club pages to a **Business Page**, this is free and allows contact with real people.

Members are available to sit down with a club and assist in the setup process and train club members on how to operate websites or Facebook pages. For any club that wishes, I will set up a Facebook Page for your club. The only requirement is someone in your club who has a Facebook account and will agree to maintain the page. Contact md27e2socialmedia@gmail.com for help.

If you create an event on your Facebook Page, it will be added to the District Facebook Page and District Calendar on the District Website (<https://www.e-district.org/sites/27e2/>). Make sure to check out the updates on our District Website, please let us know if there's information or a feature you'd like to see!

Official Some Day

Still trying to coordinate a night when we can officially install the Officers and Induct members Into Hudson LEOS. It has been very tricky with all the different students' lives.

However, the Hudson Leos did hold their first fundraiser. They held a Turkey Trot and donated the money raised to Bridge for Community Life. Way to go Hudson Leos!

They are working on a service project, having T-shirts made for awareness, and have a table setup at lunch to make Leos visible to other students.

Opportunity

I met with the Principal of the Ellsworth Middle School, Oran Nehls. The meeting was good, and I believe we have interest in forming a Leos Club in Ellsworth. I presented to the Woodville Lions club on October 14. Information on a Leos Club was again welcomed with agreement to be the sponsor of the newly formed club. We are looking to home schooled kids, and private schools. I have now been invited to the New Richmond High School Student Council meetings to present the Leos information on forming a club. Hoping to attend in February to talk of joining three clubs (St. Croix Central, Baldwin-Woodville, and New Richmond) to make one Leos Club.

I did try my approach when visiting with Woodville Lions. I gave an application to the adult members who were present to give to a student they believe would like to make a difference in their community. Their challenge will be to get them signed up. 😊

Lions Eye Bank of Wisconsin Receives Grant from Green Bay Packers Foundation to Advance Outreach and Education Efforts

[Madison, WI, 11/21/2024] – The Lions Eye Bank of Wisconsin proudly announces the receipt of a generous grant from the Green Bay Packers Foundation. This support directly bolsters the organization's statewide outreach and education efforts aimed at raising awareness about corneal-related visual impairment and blindness.

Through this grant, the Lions Eye Bank of Wisconsin will expand its mission to educate communities about the importance of cornea donation and inspire individuals to give the gift of sight. These initiatives focus on empowering Wisconsin residents to register as cornea donors, providing life-changing hope to individuals awaiting vision-restoring transplants.

"Collaboration with community-focused organizations like the Green Bay Packers Foundation allows us to make a meaningful impact across Wisconsin," said Lion Don Drew, Chairman of the Board of Directors at Lions Eye Bank of Wisconsin. "This grant strengthens our ability to educate, advocate, and inspire individuals to take action that ensure that all who need it have access to the gift of sight."

The Lions Eye Bank of Wisconsin remains dedicated to its mission of restoring sight and transforming lives. With the support of partners like the Green Bay Packers Foundation, the organization continues to lead efforts to create awareness about preventable and treatable blindness while fostering a culture of organ, eye, and tissue donation and transplantation.

LEBW Council of Governors Report

Connect To Purpose

A Gift of Sight Inspires a New Purpose

For 50 years, Daniel Garcia of Union Grove, Wisconsin, lived with diminishing eyesight. A veteran with a deep love for his community, Daniel faced many challenges due to his near-total blindness; challenges that lead to many dark times for Daniel and his family. But last year, his life took an extraordinary turn.

“I thought my only option was to remove my eye and get a prosthetic,” Daniel recalled. “I was ready to give up on the idea of seeing again.” Yet, his ophthalmologist at the VA hospital where he receives his care, had a different plan. Refusing to accept Daniel’s resignation to blindness, his doctor recommended a corneal transplant—a procedure that could restore his vision and transform his life.

Thanks to the compassion of his doctor, and the generosity of a corneal donor, Daniel underwent the transplant. Day by day, he is regaining his sight, a process he describes as nothing short of miraculous. “I’m seeing the world with fresh eyes. It’s a gift I can never repay but one I’m determined to honor,” he said.

Inspired by this second chance, Daniel has embraced a new calling. Today, he works as a Peer Specialist at Wisconsin Community Services (WCS), guiding individuals in recovery toward healthier, more fulfilling lives. His work includes helping clients overcome addiction, secure housing, find employment, and reintegrate into society. For Daniel, the role is not just a job—it’s a mission. Additionally, Daniel is excited to become a Lions Eye Bank of Wisconsin Volunteer.

“I credit my return to health and this new chapter in my life to the kindness of my corneal donor,” Daniel shared. “Their gift gave me the opportunity to give back and pay it forward.”

Daniel’s story is a powerful testament to the life-changing impact of corneal donation. Through the gift of sight, he’s not only reclaimed his independence but also discovered a renewed sense of purpose. As he helps others find their path to recovery, he carries forward the legacy of his donor—proving that the gift of sight is a gift that keeps giving.

At the Lions Eye Bank of Wisconsin, stories like Daniel’s inspire us to continue our mission. They remind us of the extraordinary ripple effects that corneal donations create, touching lives in ways that extend far beyond the individual.

To Daniel and all who contribute to the miracle of sight restoration—donors, surgeons, and advocates—we thank you. Your generosity and dedication make stories like Daniel’s possible. Together, we can ensure that the gift of sight continues to transform lives for generations to come.

“Peace Without Limits”

The Peace Poster & Essay contest, “Peace Without Limits” turn-in deadline for sending posters to our governor, was postmarked November 15. Governor Dimock put together judges from nonparticipating Lions Clubs and selected this year's award winners.

We had 9 clubs turn-in their Peace Poster winner.

Participating Clubs:

Elk Mound
Hudson
Fairchild Osseo
Eleva Strum
Ellsworth
Independence
Eau Claire Seymour
Pigeon Falls
Prescott

We have some very imaginative and talented youth in our District 27-E2

This was our first year of providing Peace Poster packets at no cost for the individual Lions Clubs. Learned an awful lot on how we can improve getting the information out to our clubs. I will be putting out a request to all the clubs for the Lion that is in charge of the Peace Poster contest making it a much easier way of keeping in direct contact with those individuals.

I am planning on putting together a short, easy access clip after we receive the new slogan for 2025 which should come out in January or February. I will use this year's contestant posters and club pictures for presentation, if available. Talking with a few art teachers and students I found there is a fear that the students can't compete. Students are thinking about professional artist quality not 11 to 13 year old quality. They need to see what they are competing against. “Fear of Failure” and being made fun of is a huge inhibitor.

I will be working to increase our participation in E2 for 2025 and ways we can help clubs that are already participating and those clubs that want to start the program.

I will not be in state for our meeting on Sunday, 1.12.2024, my apologies.

DISTRICT 27 E-2 VISION REPORT
January 12, 2025

Our vision screening Lions have done very well through their busiest months from school openings through Christmas. The cameras continue to do a good job and there have been no issues related to the advanced age of the cameras.

The dozen or so schools and Lions Clubs served with the two SPOT cameras I keep have well over two thousand screenings to date, with about four hundred referrals.

Wisconsin Lions Foundation
Report to the 27-E2 District Cabinet
January 12, 2025

The deer hide collection is still going strong, please get the hides turned in as soon as you can.

Project Director Keith Mueller reported that E2 screened 3,173 kids with a referral of 532 kids. The total of all Districts there were 60,470 kids screened and 7269 kids referred. The screening is trending down compared to last year by 26,000 kids screened. There are various reasons the reporting, the school nurses utilizing the machines on their own and the PBW influence. There is a potential for clubs to sponsor eyeglasses for children in need. The eyeglass donations from 7/24 to present were 259,053. Eyeglasses from 7/24 to present serviced 49 missions for a total of 55,673 shipped. The locations include the US, including WI, Philippines, El Salvador, Uganda, Ethiopia, Hati, Dominican Republic & Guatemala.

Visitor Days for the 2024 season, we only had 1 club in our District that attended. Visitors Days for the 2025 season will continue. The big change is the morning tours will have a pontoon ride and the afternoon tours will have the wagon ride. When making your reservations, the names of the people attending must be provided.

If any club would like us to visit and talk about the camp please let PDG Jay or myself know and we will attend your meeting.

The next meeting of the WLF Board will be held on March 8, 2025.

Respectfully submitted,

PDG Jay Nesseth

I have visited 4 of the 5 clubs during the last quarter.

Prescott Lions had 70 (!!) peace poster entries. The club hosted a Thanksgiving meal at the local care center and has more activities planned for the holiday season.

River Falls Lions hosted Lion Gerry Ries with his talk on LEBW and a representative from the food pantry asking the club for continued support of their programs.

District 27 E2 Region 4 Zone 1 Report

January 12, 2025 Cabinet Meeting

Our zone met November 12 with the meeting called to order at 8 p.m. at Beedles Suppler Club in Centerville; opened with pledge of allegiance. There were 15 Lions in attendance; clubs attending included Ettrick, Galesville, Independence and Trempealeau (Whitehall was absent). Lion Tom Goller welcomed all in attendance and opened with pledge of allegiance.

Old Business:

- Lion Lisa recapped purpose of zone meetings (reporting to the District 27 E-2 Cabinet), sharing information and service as a resource.
- Navigating the new Lions Portal: Discussed some pain points and shared best practices. Reminded all it is important for Club Secretaries to update their member information.
- Lion Lisa shared updates from the recent Cabinet meeting reports highlighting Childhood Cancer (grant in progress), District Convention report (volunteers needed), LCIF report (great resource to share with club members), Diabetes Awareness and Eye Bank.

New Business:

- Highlighted upcoming events/learning and networking opportunities. Galesville to host a dual zone social January 6 at the Centerville Curling Club for food and curling (optional)
- Club insurance through LCIF: Recap of coverage available; discussion on other coverage clubs are considering. Some clubs are working with local insurance representatives as they consider additional liability coverage for events where alcohol is served; additionally, one club carries extra liability insurance for their queen court that appears in parades and at events.

Round Table: This portion of our zone meeting continues to be the most impactful portion of the meeting for all present where Lions present share upcoming events, challenges and best practices. Highlights of discussion:

- State convention: Clubs discussed how funds appropriately expensed can be used for meeting/hotel expenses.
- Member portal: Suggestion for Cabinet to consider more zoom training sessions to mitigate time constraints of volunteers that make it difficult to travel to trainings.
- Membership trends:
 - Trempealeau just inducted 3 new members and will have another 1 in December.
 - Best practices on handling delinquent members: Lions present agreed for delinquent members (who have been personally contacted and efforts made to re-engage them) to receive a letter advising they will be marked as not in good standing and they have to pay the dues on rejoining. All agreed diligence is needed by club treasurers in tracking those who have paid (no concerns by clubs present, treasurers are doing a great job).
 - SOP's: Discussion on best practices for building/maintaining SOP's for our events (you never know when you can lose the person that's been leading the events).
 - Summer events: All clubs were very busy with festivals and community events over the summer. Independence held a chicken barbeque for hurricane relief which raised \$3,200 and the club matched it.
