

Toot Your Horn

District 27-E2 Convention, March 18th – 19th, 2022

This is an excellent time to share ideas, promote your Club fundraisers and community events, as well as your Club and its members! You may want to promote your Club's fundraiser by selling raffle tickets at your display table only. Your display will not be judged, this isn't a contest. We just want you to share what your Club is doing with others, and how you have gotten to where you are today. Thank you for sharing.

We can accommodate your table space needs from 1' to 8'

Contact: Lion Stacey Nesseth
