Policy 1: Policy Defined, Procedures for Establishing Policies

A. Policy Defined:

District policies shall be defined as those guidelines established and approved by its cabinet. However, policies must be within and abide by the constitution and bylaws of Multiple District 27 and the International Association of Lions Clubs. These are available from both Lions International and the Wisconsin Lions state office.

B. Procedure for Establishing Policies:

Any new policy or change to an existing policy may be drafted by committee or any member of the District 27-E2 Cabinet and referred to the policy committee for action. Policies may be established, amended or deleted at any regular or special meeting where a quorum is present by an affirmative vote of 2/3rd majority. A quorum is one more than half of the appointed and elected members of the District Cabinet. No new or amendment to the established policies shall be put to a vote unless notice of the change is emailed or sent by USPS to the Cabinet prior to the meeting at which the change is to be voted on for Cabinet approval.

C. Approval of Policies:

These policies, approved by the Cabinet Members at the October 9, 2022, meeting, shall supersede any previous published policies of the District 27-E2 Cabinet.

D. Managing of Policies:

The policy committee chairperson is responsible for managing all the new and amended policies. All amended and new policies must be dated with the approval date on the policy page. The policy committee should review policies annually. With the approval of the District 27-E2 Cabinet, the policy committee is authorized to make minor editorial changes to policies which in no way affects the intent of the policy, but which may contribute to accuracy, clarity, and a better understanding.
