

**District 19H – 3rd Cabinet Meeting
Minutes
DISTRICT GOVERNOR Ken Ball
In-Person and Virtual Meeting
October 23, 2021 10 am**

Call to Order: ---DG 19H Ken Ball

O'Canada: ---ZC Gary Kingston, H-4

America: ---ZC Carol Torset, H-2

Invocation: --- ZC Galen Laird, H-1

Welcome and Introductions:

The following Cabinet Members were in attendance: DG Ken Ball, 1st VDG Steven Wong, 2nd VDG Joel Hagen, ZC Galen Laird, ZC Carol Torset, ZC Tom Latter, ZC Gary Kingston, ZC Shannon Rasmussen, ZC Bruce Bennewith, PID Don Shove, PZC Barry Shiles, PZC Bruce MacNair, PDG Don Wight, PZC Jack Peebles, PZC Rock White, PCC Surinder Gahir, PZC Sandy Ball, PZC Jones Atterberry, PDG Patty Allen-White, Don Webster, Robin Woolmer, PZC Larry Koberstein and PZC Katy Carter

Guests: CC John Moralek, PP Lynn Torset

Motion to Adopt Cabinet Meeting Minutes for Saturday, July 31 and September 12 as emailed to the Cabinet.

Motion: ZC Galen Laird 2nd: PZC Sandy Ball CARRIED

Use of Consent Agenda for Reports not given orally at Cabinet Meeting. A few written Consent Agenda reports were also oral reports. The zone chair oral reports are in these minutes as the written reports submitted.

New Business:

1. Lytton Update

On July 1, 2021, District Governor Ken Ball got a \$10,000 grant approved. Lytton had a Lions Club in the past. Shannon Jones with Hope Lions is dealing with the hard goods and is ready to assist with planning long-term rebuilding of the community. ZC Bruce Bennewith reported there is \$35,000 that has been donated to the Mt. Cheam Lions Charitable Society that will be matched by a grant from LCIF. They have been able to get fire department equipment. Because the public have put up a GoFundMe page, they have raised a considerable amount of money. District Governor Ken Ball has \$6000 from the U.S, including \$5000 from the Everson Lions Club. American clubs can send funds to MD19 Office. The Canadian clubs can send funds to

Mt Cheam Lions Charitable Society

PO Box 249 Stn Main

Chilliwack BC

V2P6J1

2. Redistricting MD19 – PDG Patty Allen-White, 1st VDG Steven Wong, 2nd VDG Joel Haggren

There is a three-person committee in each district in Multiple District 19 working on this project. Redistricting will reduce the number of districts from nine to five. The Lions International Board must approve this at their October 2022 Board meeting. Each district will have a redistricting advisory vote at the spring convention in 2022. The effective date of the consolidation will be July 1, 2023 when VDG Joel Haggren is District Governor. We are doing this because LCI mandates there need to be 1250 members in a district and 35 clubs. At the present time we are merging with District B to form District O. District B has 616 members. We need to have a membership drive at the same time to get more people involved. District B agreed to have VDG Joel Haggren be the District Governor. We need to create unity between H and B. It was recommended that District H invite District B leadership to our convention in March. Frequently asked questions have been compiled by the MD19 Strategic Planning Committee that are on the website.

Zone Chairpersons Plans to Help Clubs Get Back to Normal

H-1 – ZC Galen Laird

1. Because I had not planned on serving as Zone Chairman for H-1 at this time I needed to reflect on the six clubs assigned to me.
2. I made visits to all six clubs that include: Bellingham Central Lions, Bellingham Fairhaven Lions, Bellingham Harborview Lions, Lynden Lions, Everson Lions and Ferndale Lions. Each club was visited at least two times, some in a formal setting and some in an informal setting.
3. I was honored to perform induction ceremonies for the Lynden Lions, Everson Lions, and Bellingham Fairhaven Lion Clubs.
4. I attended the District Governor Ken Ball's official visits to introduce him to the Ferndale Lions Club, Bellingham Fairhaven, Everson, and the Lynden Lions Clubs.
5. The six clubs in H-1 all experience the same struggles. One big one is the lack of a willingness to attend in-person meetings. Everson, Lynden, and Bellingham Harborview are doing their best to maintain normal in-person meetings. Bellingham Central and Bellingham Fairhaven are hybrid offering both in-person and zoom but indications are attendance is still low. And Ferndale just went back to zoom only meetings.
6. Membership count for September is down 1 from August. August there were 222 members and September there are 221. That number should increase after October Membership Month reporting is complete.
7. H-1's first zone meeting is scheduled for October 21st and the agenda is designed to share both the positives and negatives and what can be done to help each other's clubs.
8. I submitted a letter to our local newspaper (The Lynden Tribune) to promote Lionism and focusing in on three North Whatcom Lions Clubs that included Lynden, Ferndale, and Everson.

H-2 -ZC Carol Torset

Since the last Cabinet Meeting July 31th I have held the first of three Zone meetings and we addressed service activities. Each club has held at least one Service activity in their community since July. The Zone Service project of Bags to Benches was introduced and each club is in the process of registering for this project. Both Fred Meyer and Safeway stores will accept the plastic collected for recycling. Our next Zone Meeting is scheduled for November 20th and will focus on Membership – what has been tried in the past, what works, what does not work, and what can we do now to improve membership. I have invited the Membership Chairpersons to attend this meeting with the Presidents and Secretaries. 2nd VDG Joel Haggen will be our guest to help present this discussion and hopefully help identify solutions that fit our clubs. ZC visits to clubs are underway as are DG visits to clubs. As for getting back to normal, all clubs have had at least one meeting in person but are also having ongoing evaluations of this as it relates to Covid-19.

H-3-ZC Tom Latter

The Zone for the last 3 months has some Clubs busier than others. Since Covid – 19 restrictions have become lighter, more activities are being planned and executed. A pandemic is not going to stop this pride.

Starting back in September some Clubs have already had ticket sales and Spaghetti dinners as the new approach to public contact. We are active. We have had our first Zone meeting and a lot of ideas and concerns came to the table. I am actively seeking remedies to the concerns most of the concern is finding younger interests to join Lions.

The bigger picture shows that public relations and the attention it gets seems to be one of the answers to building repertoire in the communities that we serve. Some ideas will take a little longer for fruition. I like to think of it as Signs and Silliness. Both gather attention and hopefully show that there is a fun element in Lionism.

I find it to astonishing to see how some of my Clubs find it so difficult to send in a report. It is really easy to point and click. More effort can be had here. Now, bear in mind that my Zone did not have a chairperson last year and Covid – 19 restricted most activity. So now it is time to move on.

The annual Banner Passing event was held in Zone H3. Special thanks to the Fort Langley Lions for allowing us to use their hall. It was so great to finally see our neighborly Lions, in person for the first time in over 18 months.

Club donations to humanitarian aid have happened as well as my Club in Aldergrove giving money to the BC Lions Hearing Conservation Society to supply hearing aids to someone in need.

My second Zone Meeting is planned for November 19th. I will be using the same format, in person meeting at a hall and a zoom meeting format later in the afternoon. This worked really well back in September.

I haven't heard what the final tally was for our efforts to raising funds for the residents of the disastrous Lytton fire. Clubs raised this money and Clubs would like to know the outcome and what the monies were used for and any positive outcome(s) that may have occurred.

So, hoping to find more ideas and make Lionism a staple in everyday life. We can get it done.

H-4- ZC Gary Kingston.

Held a zone meeting on Sept. 26 by Zoom. Attended by the president, secretary, first vice-president and past president, from North Delta, the president of Richmond Lions, the president and secretary of Tsawwassen-Boundary Bay Lions, the secretary and member (Steve Wong, the first District vice-governor) and the president and secretary for Richmond Lahoo. The only club not represented was Richmond Mandarin.

The meeting focus was service and we had a very informative speaker, Bob Smith of the Volunteer Cancer Drivers Society, who encouraged Lions to get involved with his group, which drives people who do not have cars or relatives in the area to their radiation and other cancer treatments.

Most of the clubs reported that Covid-19 restrictions had meant relatively few meetings and even fewer activities undertaken over the last several months. All were looking forward to the relaxing of those rules to allow them to back to some sense of normalcy.

Tsawwassen-Boundary Bay reported that it has been able to continue its Sunday Used Car Lot, in which it rents out space for the public to sell their used cars. More than \$4,000 has been raised so far in 2021.

The North Delta Lions reported on their very successful Easter Drive Through in April, a new event created as a way to distribute candy that had been stored after Easter Egg Hunts were cancelled in 2020 and 2021 because of Covid. More than 200 cars went through the Drive Through and 600 kids received candy.

Richmond Lahoo was the only club to experience any membership growth (11) largely as a result of the taking full advantage of the strong and tightly-linked Asian community in Richmond, which is accounted for in all of its membership.

Unfortunately, Richmond Lions membership has dwindled to 10, with many of them in their late 70s and 80s and living outside of Richmond. Recruiting has been unsuccessful and the club is considering closing down in January. There is really nothing that can be done to help this long-time club and we can only that the few members who are still active can join other clubs in their areas.

H-5 – ZC Shannon Rasmussen

What I have planned to help get the clubs back to "normal" after so many months of partial or total inactivity:

- I am encouraging members to visit each other (their projects, fundraisers or just their meetings)
- We have 2 clubs going back to meat draws and I'm encouraging member to support each other.
- We are discussing having a Zone fundraiser for one of the LCI initiatives, which will involve all members of all zone clubs
- Our Zone newsletter, highlights all events happening in the zone to encourage members to support each other
- We are planning a Zone visitation for DG Ken Ball's zone visit

- I was encouraging the clubs to have a “Picnic in the Park” during the summer months and most did just that
- Our first Zone meeting focused on Service in the community – get out there!

H-6- ZC Bruce Bennewith

My first Advisory Committee Meeting (Oct 3rd) was well attended and highlighted both the enthusiasm and creativity amongst the clubs in my zone. I was very proud of what’s been accomplished within the confines of ongoing COVID restrictions. A special shout-out to the Dogwood Monarch Lions whose donations since February total over \$61,000.

You might say six of my eight clubs are now functioning normally, albeit on a still-reduced scale. As of this writing two of the clubs have still not resumed meeting since initial lockdowns 22 months ago, but both expect to do so in the next month or so and expect to re-engage with their communities shortly after that. Their progress is being closely monitored.

Cabinet Chairperson Reports

LCIF – Don Shove

See comments regarding LCIF matching grant in **Lytton Update** in these minutes.

Christmas Ship – Don Wight

The Christmas Ship will not sail this year because the Canadian government will not let them into Canada. They will sail again in 2022.

LEOS – U.S. – Bruce MacNair

See written report in Consent Agenda.

LEOS Canada – Barry Shiles

Leos collected 8000 pounds of glasses for CLERC in the last year. On October 24, 2021 the 10 Leo clubs in Canada will have a round table discussion. There is a new club branch with five Leo-Lions members sponsored by Central Surrey Lions Club: South Fraser Cyber Lions Club Branch. Lion Barry asked people who have Facebook to check out the mental health focus in Leos.

Environment US – Jones Atterberry

The Environment Chairs in the Multiple District in the U.S. have been meeting monthly. The Zone Project for H-2 Bags to Benches was asked to be shared with others (maybe in a newsletter?) Lion Jones asked if costumes from Christmas Ship could be shared with others for parades.

Camp Horizon – DG Ken Ball - It was noted that next summer there will be five camps (full) with normal activities per Sharron Sherfick a member of the Mount Vernon Lions and Lion Camp Horizon Vice President.

Peter Anderson

Information about the MD 19 Convention is on the website. The agenda was shared to be sent to Cabinet members.

John Moralek

District H gained six Lions; MD 19 gained 39 Lions since June 30. South Fraser Cyber Lions Club Branch of five members has been formed.

Patty Allen-White for Bob O'Dell.

Bob O'Dell has been working for three years to get a leadership forum based on a USA/Canada Forum template to share ideas in a low-cost way in the district.

Photo Contest – ZC Galen Laird encouraged fellow zone chairpersons to promote the Photo Contest that DG Ken Ball shared with them.

Consent Agenda Reports – Cabinet Chairpersons

CLERC – PZC Paul Hand

19H in Canada is doing well with the eyeglass program. Over 200 boxes of either eye glasses or lens have been shipped back to Calgary since the last Cabinet Meeting.

If clubs are looking for things to do while we wait for the government to give the ok for clubs to start Pancake Breakfasts and Hot Dog Sales as fundraisers, why not start collecting glasses. it is easy to do. Just have a member or a group of members place boxes in optician offices or group homes, schools, or pharmacies.

Collect the glasses and place them in strong cardboard boxes. Clerc accepts any kind including broken ones or sunglasses. Do not take boxes to the shippers. Just let me know when you have them ready for shipment and I will arrange for them to be picked up and sent to Calgary.

Please do not include the cases, as they cannot be used

Lions of BC Hearing Conservation Society - PCC Surinder Gahir

We are working on increasing communication between Lions Clubs and Lions of BC Hearing Conservation Society. We are also working with Lions Clubs to collect used hearing aids for our recycling program. The hearing aids which are five years or newer can be reprogrammed and used. These are sent to Island Deaf & Hard of Hearing Centre in Victoria for testing and use on the Island.

There is still a lot of demand for new hearing aids from clients who are not able to afford them. We rely on donations from Lions Clubs to provide hearing aids.

Lions of BC Hearing Conservation Society have a great awards program for deserving Lions; the Meade Sutherland Fellowship Award for \$500 and the Society Fellowship Award for \$50. Lions clubs can order these for deserving Lions.

My friends, we remain deeply grateful for all your help and donations. For more information, please contact me at governor.gahir@gmail.com or Bob Jones at lions.bc.hearing@gmail.com

LEO Clubs – US – Bruce MacNair

Currently, the US side of District H has no active Leo Clubs. This is a direct result of the Covid 19 school closures.

Before the pandemic, we had two active clubs, and one club being built (three actual charters from LCI).

We still have the three charters, but there are no Leos on the rosters. Schools have only been in session for several weeks at this point, and administrative decisions are still pending about any extra-curricular activities of this kind.

I was just informed that the Coupeville High School Principal is very interested having the Coupeville Leos Club change from community based to school based. This is good news, because it not only indicates a desire to see the Leos restart, but also aligns with the Coupeville Club advisor's plans to make that change.

To my knowledge, the three Lion clubs involved have kept the annual Leos dues in their budgets, indicating a desire to rebuild as soon as possible.

If any other Lion clubs on the US side are interested in Leos, I am always available to assist.

Website and Facebook Page – PZC Sandy Ball

Our District 19H website is up and running and we've had the support of a few clubs in the district, who keep us posted with monthly newsletters from Clubs and the Zone Chairs. On occasion we receive flyers for Club Fundraisers so please, keep 'em coming! Because I'm still in the ranks of the employed I unfortunately do not have the time to troll club sites or bulletins for events to share. Here's the link to our website: [District 19-H - Lions e-District Houses](#). Feel free to send content to me at sandeyc@hotmail.com

Still fairly new to all is our Facebook page! It's open to any Lion to post your Lion events, share Lions photos, etc. Please try to avoid over-posting; it's a small page as yet and over-posting is not needed. Please look for "Lions of District 19H" or copy and paste this link: [\(1\) Lions of District 19H | Facebook](#)

DG Bulletin – Michele Barrie

Four months into the year and I'm busy trying to find information from the clubs. Now that we have our own 19-H District Facebook page, I can go there and glean some great club activities. And yet I know that there are so many other clubs that are doing projects and service activities – just in a new way since Covid19. And I would so appreciate hearing from them as well

I am sending out a request to committee chairpersons to send me a short article about their committee: what they hope to learn from being chairperson, what they'd like to inform our membership about what their committee does and any upcoming events that relate to your position would be most appreciated!!

Leader Dogs – PZC Toby Hiller

The following quote comes from the Leaderdogs website. It's just one example of how Leaderdogs effects the lives of people, sighted or non-sighted. It's a wonderful story about a Lion and his efforts to support Leaderdogs. "Hello, I am Lion Mark Mansell. It has been nearly a decade since a crazy idea to ride a bicycle solo across America in support of Leader Dogs for the Blind began to form. This was the beginning of my entry into the Leader Dog community. My life (and my Lions [club] life) since has taken a very different course than I ever imagined. Leader Dogs for the Blind positively changes lives of people, regardless of whether blind, visually impaired, or... a fully sighted person like me." Sharing stories like this is the reason I ask that one member of each Club be your Club's Leaderdogs Ambassador and check the Leaderdogs web site ([https:// www.leaderdog.org](https://www.leaderdog.org)) monthly, so this kind of information would be available to Lions in their Clubs. I am also asking the following question of you. Does your Club web site have the internet link to Leaderdogs posted on it? Please support Leaderdogs - Remember, our four-footed friends can't speak for themselves so we must convey their message. Our motto is "We Serve". Leaderdogs certainly follow that motto.

Lions Foundation of Canada – PDG Corinne White

This year they are hosting their Fall 2021 Online Auction. It will run from November 1st to November 15th. All the funds raised from the auction will support the seven Dog Guide programs and enable the organization to grow the ways they serve.

A generous Dog Guide recipient, Colleen Walker, (with Hearing Dog Misty) has offered to match any gift you give for a total of \$10,000 match. Your donation can help someone like Maggie receive a Dog Guide.

Did you know Dog Guide graduates qualify for a Pet Valu LFC discount? Step 1 join the loyalty program. Step 2 visit your local store. Step 3 happy shopping.

They are excited to share that LFC has been chosen as a recipient of a \$25,000 signature grant from the Canada Post Community Foundation. The Canada Post Community Foundation awards grants to organizations that are committed to making a difference in the lives of children. Specifically, the grant will be applied to helping applicants of their Autism Program.

LFC is pleased to announce the following litters

R Litter Dyson and Ollie 7 puppies on August 30th

S Litter Gaia and Indie 8 puppies on September 4th

T Litter Jewels and Indie 7 puppies on September 9th

Global Membership Team (GMTC) – 2nd VDG Joel Haggen

District membership as of September 30, 2021

Stands at 1,337 with 23 new members, 24 dropped and six deaths for a

net loss of six since July 1, 2021

I have been attending the sessions on Global Membership Approach along with PZC Jack Peebles and VDG Steven Wong to discuss plans for Building a Team, Building a Vision, Building a Plan and Building Success.

I have attended several zone meetings and club meetings and encouraged retention as well as membership growth.

MD-19 District H Global Service Team (GSTC) – PZC Jack Peebles

District 19 H Global Service Team (GST) Goals Report

1. The Multiple District 19 (MD-19) Global Action Team (GAT) consists of Global Leadership Team (GLT) Leader; Global Membership Team (GMT) Leader; and Global Service Team (GST) Leader. Also, each MD-19 Districts A Thru I consist of GLT, GMT, and GST Team Leader. As well as each individual Club has a Position for Global Action Team (GAT) for GLT, GMT, and GST Team Leaders.
2. 19 H GST Leader works directly with MD-19 GAT, and MD-19 GST, 19 H District Governor, 1st VDG and 2nd VDG, and the Clubs to Build a Team, Build a Vision, Build a Plan, to be Successful.
3. All GST Leader from Multiple District Levels to Club Level is the Team to Keep Service thriving in all Levels, and to Report to Lions Club International (LCI) each Lions Club Activities.
4. This Report is just an introduction to GST Roles. Many Goals will apply and with the help of all Levels, the 19 H DG, 1st and 2nd VDG, with the 19 H Cabinet having awareness of GST Roles and understand of SWOT -- MD-19 H will be Successful -- Lets Build the Team, Build a Vision, Build a Plan, So 19 H is Successful.

MD-19 District H Global Membership Approach (GMA) – PZC Jack Peebles
District 19 H Global Membership Approach (GMA) Champion Report

1. LCI/MD-19/ District 19 H Global Membership Approach (GMA) Formerly Known as North America Membership Initiative (NAMI). The Name has change because the Lions Club International (LCI) Project went Global vs North America.
2. The LCI Goals (with the support of the 19 H District Governor, 1st VDG, 2nd VDG, GMA Champion, and the District 19 H Cabinet) is to complete SWOT Analysis Reports, Complete GMA Training, and Build a Team, Build a Vision, Build a Plan, to Build Success to Maintain our Current Lions, to Increase Membership, and to Form New Clubs.
3. What is a SWOT Analysis? SWOT is our District Strengths, Weaknesses, Opportunities, and Threats. See Attachment GMA SWOT Information Sheet.
4. GMA Training needs to reach down to our Clubs level in an understanding format coming from our 19 H District Governor’s Team and Cabinet.
5. (Note from Area Leader Lion Polly Voon) GMA Training is a component of the 2021-2022 FVDG/DGE Training Program. This training will cover the four Focus Areas – Build a Team, Build a Vision, Build a Plan, and Build Success. It is intended to compliment your overall training on the LCI and the MD levels and will be delivered virtually on Zoom in four one-hour sessions to assist you in completing your district membership development goals. We shall look for opportunities to include some portion of the LCI and MD training in an effort to collaborate with your Group Leaders and the MD GLTC in streamlining the training you will receive.
6. Through the GMA process, your district will be able to conduct a strategic analysis of the needs of our district, set realistic membership targets and build a plan to ensure a successful year ahead. Your District GMA goals and action plans will be submitted through the LCI district goals submission platform once available.
7. Area Leader Polly Voon encourages District 19 H to extend the invitation to other Lions leaders in your District and Multiple District Teams whom you feel will benefit as you work with them in your preparations in assuming the leadership of your respective District. Please email their names and email addresses to polly_voon@telus.net and she will add them to the attendee list.

District 19 H GMA Champion Supports the District Governor’s Ken Ball’s wish. The 19 H District Governor wants to help all of you to know how important you are not just as members of a Lions Club that does service for the community here and far, but as a person and a member of a wonderful family of friends who care about each other”.

Global Membership Approach

What are our district’s Strengths, Weaknesses, Opportunities and Threats?

Strengths and Weaknesses

Strengths and weaknesses are internal—what we have control over and can change. For example:

- Leaders in our district know how / do not know how to start new clubs

- It's not difficult / it's difficult to fill our leadership positions each year
- Our clubs do / do not make a special effort to make new members feel welcome
- Our clubs use / do not use social media well

Opportunities and Threats

Opportunities and threats are external—what's happening in the larger community that impacts our clubs. For example:

- Businesses are starting up or closing
- There are demographic shifts, like people retiring earlier or young families moving in
- Other humanitarian organizations can be gaining visibility or fading
- People can be growing more or less connected to their communities

Often, external factors that appear to be threats can be converted into opportunities. For example, other humanitarian organizations can become valuable partners in service. Bring your SWOT thoughts to our meeting. Together we'll discuss where we are and decide how far we can go!

District Administrator, Public Relations – PZC Rosemary Small

As the holder of two positions, PR Chair and District Administrator I will combine my reports into just one report.

District Administrator – As Dist. Admin. It is my job to assist clubs with their service reporting. While I have not been asked for any help with the reporting, I was able to help one club find and print membership cards.

PR Chair – I was asked by DG Ken to create two posters. One on LCIF Hunger Grant and one on LCI Childhood Cancer Grant.

Northwest Lions Foundation – PZC Rock White

My NLF Cabinet Report should consist of the two reports produced by Marsha Rastatter as our NLF Program Coordinator along with the fact that PDG Patty Allen-White & NLF Trustee, Rock White will be panelists at the upcoming meeting of The United Blind of Whatcom County where we will talk about the history of the Northwest Lions Foundation choosing “White Cane Days” as an ongoing fundraiser to support sight & hearing projects within the newly formed Sight Conservation Foundation (1969.)

Upcoming Events

Virtual MD19 Annual Convention – November 5-6

19-H Spring Convention – March 11-12, 2022

The next cabinet meeting may be at the Spring Convention at the Best Western Plus Hotel on March 11 or 12, 2022.

Border Situation – DG Ken Ball

He shared his observations about the border situation. He explained that traveling north you need a covid test in addition to proof of vaccination. You need to check on the web about ArriveCAN. When the border opens South bound on November 8 people should check the requirements from the government. It is understood at this point that people may need a test to get back to Canada.

Meeting adjourned at 11:55 am.

Cabinet Secretary - PZC Katy Carter
