Your DG Ken Ball applied for and received a \$10,000 US Emergency Grant from Lions Clubs International Foundation to provide relief to the Village of Lytton, destroyed by a catastrophic fire. More than 1,000 people fled the village and surrounding area. Charred rubble was all that remained of the main street. Everybody in Lytton has lost everything.

LCIF has a long history in providing disaster relief, allocating more than \$50 million for emergency relief and recovery over the last 10 years with 100% of donations going towards grants and programs.
